incumbent members of the board of trustees to sell, lease, or otherwise transfer all or substantially all of the hospital property, both real and personal, for reasons specified in the resolution, the clerk shall present the resolution to the city council. However, in no event shall a question under this section be submitted to the voters sooner than twelve months from the date of the last question under this section and after the adoption of another resolution by no less than two-thirds of the board of trustees and a subsequent vote by a majority of the city council to again submit the question to the voters.

3. Upon passage of such question by the voters, the board of trustees shall sell and dispose of such property, or lease or transfer such property, in the manner proposed by the board of trustees. The deed of the board of trustees, duly authorized by the board of trustees and duly acknowledged and recorded, shall be sufficient to convey to the purchaser all the rights, title, interest, and estate in the hospital property.

4. No sale, lease, or other transfer of such hospital property shall be authorized or effective unless such transaction provides sufficient proceeds to be available to be applied to the payment of all interest and principal of any outstanding valid indebtedness incurred for purchase of the site or construction of the hospital, or for any repairs, alterations, improvements, or additions thereto, or for operation of the hospital.

5. Assets donated to the hospital pursuant to section 96.210 shall be used to provide health care services in the city and in the geographic region previously served by the hospital, except as otherwise prescribed by the terms of the deed, gift, devise, or bequest.”; and

The tax authorized in this section shall be not more than two percent, and shall be imposed solely for the purpose of funding the county hospital. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes.

2. No such resolution adopted under this section shall become effective unless the governing body

of the county submits to the voters residing within the county at a state general, primary, or special election a proposal to authorize the governing body of the county to impose a tax under this section. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the local sales tax. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

The governing body of any county that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the county. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

5. HOUSE AMENDMENT NO. 14

Amend House Committee Substitute for Senate Bill No. 90, Section 54.330, Page 2, Line 22, by inserting after all of said Line the following:

“71.012. 1. Notwithstanding the provisions of sections 71.015 and 71.860 to 71.920, the governing body of any city, town or village may annex unincorporated areas which are contiguous and compact to the existing corporate limits of the city, town or village pursuant to this section. The term “contiguous and compact” does not include a situation whereby the unincorporated area proposed to be annexed is contiguous to the annexing city, town or village only by a railroad line, trail, pipeline or other strip of real property less than one-quarter mile in width within the city, town or village so that the boundaries of the city, town or village after annexation would leave unincorporated areas between the annexed area and the prior boundaries of the city, town or village connected only by such railroad line, trail, pipeline or other such strip of real property. The term “contiguous and compact” does not prohibit voluntary annexations pursuant to this section merely because such voluntary annexation would create an island of unincorporated area within the city, town or village, so long as the owners of the unincorporated island were also given the opportunity to voluntarily annex into the city, town or village. Notwithstanding the provisions of this section, the governing body of any city, town or village in any county of the third classification which borders a county of the fourth classification, a county of the second classification and **the** Mississippi River may annex areas along a road or highway up to two miles from existing boundaries of the city, town or village or the governing body in any city, town or village in any county of the third classification without a township form of government with a population of at least twenty-four thousand inhabitants but not more than thirty thousand inhabitants and such county contains a state correctional center may voluntarily annex such correctional center pursuant to the provisions of this section if the correctional center is along a road or highway within two miles from the existing boundaries of the city, town or village.

2. (1) When a [verified] **notarized** petition, requesting annexation and signed by the owners of all fee interests of record in all tracts of real property located within the area proposed to be annexed, or a request for annexation signed under the authority of the governing body of any common interest community and approved by a majority vote of unit owners located within the area proposed to be annexed is presented to the governing body of the city, town or village, the governing body shall hold a public hearing concerning the matter not less than fourteen nor more than sixty days after the petition is received, and the hearing shall be held not less than seven days after notice of the hearing is published in a newspaper of general circulation qualified to publish legal matters and located within the boundary of the petitioned city, town or village. If no such newspaper exists within the boundary of such city, town or village, then the notice shall be published in the qualified newspaper nearest the petitioned city, town or village. For the purposes of this subdivision, the term “common-interest community” shall mean a condominium as said term is used in chapter 448, or a common-interest community, a cooperative, or a planned community.

(a) A “common-interest community” shall be defined as real property with respect to which a person,

by virtue of such person's ownership of a unit, is obliged to pay for real property taxes, insurance premiums, maintenance or improvement of other real property described in a declaration. "Ownership of a unit" does not include a leasehold interest of less than twenty years in a unit, including renewal options;

(b) A "cooperative" shall be defined as a common-interest community in which the real property is owned by an association, each of whose members is entitled by virtue of such member's ownership interest in the association to exclusive possession of a unit;

(c) A "planned community" shall be defined as a common-interest community that is not a condominium or a cooperative. A condominium or cooperative may be part of a planned community.

(2) At the public hearing any interested person, corporation or political subdivision may present evidence regarding the proposed annexation.

If, after holding the hearing, the governing body of the city, town or village determines that the annexation is reasonable and necessary to the proper development of the city, town or village, and the city, town or village has the ability to furnish normal municipal services to the area to be annexed within a reasonable time, it may, subject to the provisions of subdivision (3) of this subsection, annex the territory by ordinance without further action.

(3) If a written objection to the proposed annexation is filed with the governing body of the city, town or village not later than fourteen days after the public hearing by at least five percent of the qualified voters of the city, town or village, or two qualified voters of the area sought to be annexed if the same contains two qualified voters, the provisions of sections 71.015 and 71.860 to 71.920, shall be followed.

3. If no objection is filed, the city, town or village shall extend its limits by ordinance to include such territory, specifying with accuracy the new boundary lines to which the city's, town's or village's limits are extended. Upon duly enacting such annexation ordinance, the city, town or village shall cause three certified copies of the same to be filed with the county assessor and the clerk of the county wherein the city, town or village is located, and one certified copy to be filed with the election authority, if different from the clerk of the county which has jurisdiction over the area being annexed, whereupon the annexation shall be complete and final and thereafter all courts of this state shall take judicial notice of the limits of that city, town or village as so extended.

4. That a petition requesting annexation is not or was not verified or notarized shall not affect the validity of an annexation heretofore or hereafter undertaken in accordance with this section.

5. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within five years of the date of adoption of the annexation ordinance.

71.014. 1. Notwithstanding the provisions of section 71.015, the governing body of any city, town, or village which is located within a county which borders a county of the first classification with a charter form of government with a population in excess of six hundred fifty thousand, proceeding as otherwise authorized by law or charter, may annex unincorporated areas which are contiguous and compact to the existing corporate limits upon [verified] **notarized** petition requesting such annexation signed by the owners of all fee interests of record in all tracts located within the area to be annexed. **That a petition requesting annexation is not or was not verified or notarized shall not affect the validity of an annexation heretofore or hereafter undertaken in accordance with this section.**

2. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within three years of the date of adoption of the annexation ordinance.

71.015. 1. Should any city, town, or village, not located in any county of the first classification which has adopted a constitutional charter for its own local government, seek to annex an area to which objection is made, the following shall be satisfied:

(1) Before the governing body of any city, town, or village has adopted a resolution to annex any unincorporated area of land, such city, town, or village shall first as a condition precedent determine that the land to be annexed is contiguous to the existing city, town, or village limits and that the length of the contiguous boundary common to the existing city, town, or village limit and the proposed area to be annexed is at least fifteen percent of the length of the perimeter of the area proposed for annexation.

(2) The governing body of any city, town, or village shall propose an ordinance setting forth the following:

(a) The area to be annexed and affirmatively stating that the boundaries comply with the condition precedent referred to in subdivision (1) above;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village;

(c) That the city has developed a plan of intent to provide services to the area proposed for annexation;

(d) That a public hearing shall be held prior to the adoption of the ordinance;

(e) When the annexation is proposed to be effective, the effective date being up to thirty-six months from the date of any election held in conjunction thereto.

(3) The city, town, or village shall fix a date for a public hearing on the ordinance and make a good faith effort to notify all fee owners of record within the area proposed to be annexed by certified mail, not less than thirty nor more than sixty days before the hearing, and notify all residents of the area by publication of notice in a newspaper of general circulation qualified to publish legal matters in the county or counties where the proposed area is located, at least once a week for three consecutive weeks prior to the hearing, with at least one such notice being not more than twenty days and not less than ten days before the hearing.

(4) At the hearing referred to in subdivision (3), the city, town, or village shall present the plan of intent and evidence in support thereof to include:

(a) A list of major services presently provided by the city, town, or village including, but not limited to, police and fire protection, water and sewer systems, street maintenance, parks and recreation, **and** refuse collection[, etc.];

(b) A proposed time schedule whereby the city, town, or village plans to provide such services to the residents of the proposed area to be annexed within three years from the date the annexation is to become effective;

(c) The level at which the city, town, or village assesses property and the rate at which it taxes that property;

(d) How the city, town, or village proposes to zone the area to be annexed;

(e) When the proposed annexation shall become effective.

(5) Following the hearing, and either before or after the election held in subdivision (6) of this subsection, should the governing body of the city, town, or village vote favorably by ordinance to annex the area, the governing body of the city, town or village shall file an action in the circuit court of the county in which such unincorporated area is situated, under the provisions of chapter 527, praying for a declaratory judgment authorizing such annexation. The petition in such action shall state facts showing:

(a) The area to be annexed and its conformity with the condition precedent referred to in subdivision (1) of this subsection;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village; and

(c) The ability of the city, town, or village to furnish normal municipal services of the city, town, or village to the unincorporated area within a reasonable time not to exceed three years after the annexation is to become effective. Such action shall be a class action against the inhabitants of such unincorporated area under the provisions of section 507.070.

(6) Except as provided in subsection 3 of this section, if the court authorizes the city, town, or village to make an annexation, the legislative body of such city, town, or village shall not have the power to extend the limits of the city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in the city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed. However, should less than a majority of the total votes cast in the area proposed to be annexed vote in favor of the proposal, but at least a majority of the total votes cast in the city, town, or village vote in favor of the proposal, then the proposal shall again be voted upon in not more than one hundred twenty days by both the registered voters of the city, town, or village and the registered voters of the area proposed to be annexed. If at least two-thirds of the qualified electors voting thereon are in favor of the annexation, then the city, town, or village may proceed to annex the territory. If the proposal fails to receive the necessary majority, no part of the area sought to be annexed may be the subject of another proposal to annex for a period of two years from the date of the election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012. The elections shall if authorized be held, except as herein otherwise provided, in accordance with the general state law governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory.

(7) Failure to comply in providing services to the said area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court by any resident of the area who was residing in the area at the time the annexation became effective.

(8) No city, town, or village which has filed an action under this section as this section read prior to May 13, 1980, which action is part of an annexation proceeding pending on May 13, 1980, shall be required to comply with subdivision (5) of this subsection in regard to such annexation proceeding.

(9) If the area proposed for annexation includes a public road or highway but does not include all of the land adjoining such road or highway, then such fee owners of record, of the lands adjoining said highway

shall be permitted to intervene in the declaratory judgment action described in subdivision (5) of this subsection.

2. Notwithstanding any provision of subsection 1 of this section, for any annexation by any city with a population of three hundred fifty thousand or more inhabitants which is located in more than one county that becomes effective after August 28, 1994, if such city has not provided water and sewer service to such annexed area within three years of the effective date of the annexation, a cause of action shall lie for deannexation, unless the failure to provide such water and sewer service to the annexed area is made unreasonable by an act of God. The cause of action for deannexation may be filed in the circuit court by any resident of the annexed area who is presently residing in the area at the time of the filing of the suit and was a resident of the annexed area at the time the annexation became effective. If the suit for deannexation is successful, the city shall be liable for all court costs and attorney fees.

3. Notwithstanding the provisions of subdivision (6) of subsection 1 of this section, all cities, towns, and villages located in any county of the first classification with a charter form of government with a population of two hundred thousand or more inhabitants which adjoins a county with a population of nine hundred thousand or more inhabitants shall comply with the provisions of this subsection. If the court authorizes any city, town, or village subject to this subsection to make an annexation, the legislative body of such city, town or village shall not have the power to extend the limits of such city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in such city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed; except that:

(1) In the case of a proposed annexation in any area which is contiguous to the existing city, town or village and which is within an area designated as flood plain by the Federal Emergency Management Agency and which is inhabited by no more than thirty registered voters and for which a final declaratory judgment has been granted prior to January 1, 1993, approving such annexation and where notarized affidavits expressing approval of the proposed annexation are obtained from a majority of the registered voters residing in the area to be annexed, the area may be annexed by an ordinance duly enacted by the governing body and no elections shall be required; and

(2) In the case of a proposed annexation of unincorporated territory in which no qualified electors reside, if at least a majority of the qualified electors voting on the proposition are in favor of the annexation, the city, town or village may proceed to annex the territory and no subsequent election shall be required. If the proposal fails to receive the necessary separate majorities, no part of the area sought to be annexed may be the subject of any other proposal to annex for a period of two years from the date of such election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012 **or 71.014**. The election shall, if authorized, be held, except as otherwise provided in this section, in accordance with the general state laws governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory. Failure of the city, town or village to comply in providing services to the area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court **not later than four years after the effective date of the annexation** by any resident of the area who was residing in such area at the time the annexation became effective or by any nonresident owner of real property in such area. **Except for a cause of action for deannexation under this subdivision**

(2) of this subsection, any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within three years of the date of the adoption of the annexation ordinance.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

It shall be composed of five members, each of whom shall be a voter of the district and shall have resided in said district one whole year immediately prior to his **or her** election[, or if not a voter or resident of said district, shall have received service from the district at his or her primary place of residence one whole year immediately prior to his or her election]. A member shall be at least twenty-five years of age and shall not be delinquent in the payment of taxes at the time of his election. Except as provided in subsection 2 of this section, the term of office of a member of the board shall be three years. If no qualified person who lives in the subdistrict for which there is a vacancy is willing to serve on the board, the board may appoint an otherwise qualified person who lives in the district but not in the subdistrict in which the vacancy exists to fill such vacancy.

2. After notification by certified mail that he or she has two consecutive unexcused absences, any member of the board failing to attend the meetings of the board for three consecutive regular meetings, unless excused by the board for reasons satisfactory to the board, shall be deemed to have vacated the seat, and the secretary of the board shall certify that fact to the board. The vacancy shall be filled as other vacancies occurring in the board.

On the expiration of such terms and on the expiration of any subsequent term, elections shall be held as otherwise provided by law, and such elections shall be held in April pursuant to section 247.180.

4. In 2008, 2009, and 2010, directors elected in such years shall serve from the first Tuesday after the first Monday in June until the first Tuesday in April of the third year following the year of their election. All directors elected thereafter shall serve from the first Tuesday in April until the first Tuesday in April of the third year following the year of their election.

5. Each member of the board may receive an attendance fee not to exceed one hundred dollars for attending each regularly called board meeting, or special meeting, but shall not be paid for attending more than two meetings in any calendar month, except that in a county of the first classification, a member shall not be paid for attending more than four meetings in any calendar month. However, no board member shall be paid more than one attendance fee if such member attends more than one board meeting in a calendar week. In addition, the president of the board of directors may receive fifty dollars for attending each regularly or specially called board meeting, but shall not be paid the additional fee for attending more than two meetings in any calendar month. 8. The jurisdiction conferred by this section shall be exercised as in ordinary cases upon petition, filed by or at the instance of any member of the board, or at the instance of any ten voters residing in the district who join in the petition, verified by the affidavit of at least one of them. The petition shall be heard in a summary manner after ten days' notice in writing to the member or officer complained of. An appeal shall lie from the judgment of the circuit court as in other causes, and shall be speedily determined; but an appeal does not operate under any condition as a supersedeas of a judgment of suspension or removal from office.

247.080. 1. The exercise of the powers conferred upon the district by sections 247.010 to 247.220 shall be by its board of directors, acting as a board.

2. The tax authorized in this section shall be not more than one percent, and shall be imposed solely for the purpose of funding the operations of a hospital under sections 96.150 to 96.228. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes.

2. No such resolution adopted under this section shall become effective unless the board of trustees of such a hospital submits to the voters residing within the city of the third class at a state general, primary, or special election a proposal to authorize the board of trustees to impose a tax under this section. If two-thirds of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the local sales tax. If less than two-thirds of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by two-thirds of the qualified voters voting on the question.

3. All revenue collected under this section by the director of the department of revenue on behalf of the hospital operated under sections 96.150 to 96.228, except for one percent for the cost of collection which shall be deposited in the state's general revenue fund, shall be deposited in a special trust fund, which is hereby created and shall be known as the "City of the Third Class City Hospital Sales Tax Fund", and shall be used solely for the designated purposes. Moneys in the fund shall not be deemed to be state funds, and shall not be commingled with any funds of the state. The director may make refunds from the amounts in the fund and credited to the board of trustees of the city hospital for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such board of trustees. Any funds in the special fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The board of trustees of a hospital operated under sections 96.150 to 96.228 that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city of the third class. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

5. Whenever the board of trustees of a hospital operated under sections 96.150 to 96.228 that has adopted the sales tax authorized in this section receives a petition, signed by a number of registered voters of the city of the third class equal to at least ten percent of the number of registered voters of the city voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the board of trustees shall submit to the voters of the city of the third class a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, the repeal shall become effective on December thirty-first of the

calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

6. If the tax is repealed or terminated by any means, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes, and the board of trustees shall notify the director of the department of revenue of the action at least ninety days before the effective date of the repeal and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city of the third class, the director shall remit the balance in the account to the district and close the account of that city hospital. The director shall notify each board of trustees of each instance of any amount refunded or any check redeemed from receipts due the hospital operated under sections 96.150 to 96.228.”; and

If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

6. If the tax is repealed or terminated by any means, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes, and the hospital district shall notify the director of the department of revenue of the action at least ninety days before the effective date of the repeal and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such district, the director shall remit the balance in the account to the district and close the account of that district. The director shall notify each district of each instance of any amount refunded or any check redeemed from receipts due the district.

7. The levy of a sales tax by a hospital district under section 205.205 shall be deemed to comply with the requirements of this section if it was approved prior to January 1, 2012, by the voters of the hospital district.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 18

Amend House Committee Substitute for Senate Bill No. 90, Page 1, Section A, Line 7, by inserting immediately after said line the following:

“32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. The ordinance or order shall reflect the effective date thereof.

2. Any local sales tax so adopted shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of adoption of the local sales tax, except as provided in subsection 18 of this section, **and shall be imposed on all transactions on which the Missouri state sales tax is imposed.**

3. Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute

a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

4. The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

5. (1) The ordinance or order imposing a local sales tax under the local sales tax law shall impose a tax upon all [sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail] **transactions upon which the Missouri state sales tax is imposed** to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the sum of the combined rate of the state sales tax or state highway use tax and all local sales taxes imposed under the provisions of the local sales tax law.

(2) Notwithstanding any other provision of law to the contrary, local taxing jurisdictions, except those in which voters have previously approved a local use tax under section 144.757, shall have placed on the ballot on or after the general election in November 2014, but no later than the general election in November 2016, whether to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 and purchased from a source other than a licensed Missouri dealer. The ballot question presented to the local voters shall contain substantially the following language:

Shall the (local jurisdiction's name) discontinue applying and collecting the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer? Approval of this measure will result in a reduction of local revenue to provide for vital services for (local jurisdiction's name) and it will place Missouri dealers of motor vehicles, outboard motors, boats, and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers.

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(3) If the ballot question set forth in subdivision (2) of this subsection receives a majority of the votes cast in favor of the proposal, or if the local taxing jurisdiction fails to place the ballot question before the voters on or before the general election in November 2016, the local taxing jurisdiction shall cease applying the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer.

(4) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters, the governing body of any local taxing jurisdiction that had previously imposed a local use tax on the use of motor vehicles, trailers, boats, and outboard motors may, at any time, place a proposal on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting

thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(5) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters on or after the general election in November 2014, and on or before the general election in November 2016, whenever the governing body of any local taxing jurisdiction imposing a local sales tax on the sale of motor vehicles, trailers, boats, and outboard motors receives a petition, signed by fifteen percent of the registered voters of such jurisdiction voting in the last gubernatorial election, calling for a proposal to be placed on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer, the governing body shall submit to the voters of such jurisdiction a proposal to repeal application of the local sales tax to such titling. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(6) Nothing in this subsection shall be construed to authorize the voters of any jurisdiction to repeal application of any state sales or use tax.

(7) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is repealed, such repeal shall take effect on the first day of the second calendar quarter after the election. If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is required to cease to be applied or collected due to failure of a local taxing jurisdiction to hold an election pursuant to subdivision (2) of this subsection, such cessation shall take effect on March 1, 2017.

6. On and after the effective date of any local sales tax imposed under the provisions of the local sales tax law, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes authorized under the authority of the local sales tax law. All local sales taxes imposed under the local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

8. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525, as these sections now read and as they may hereafter be amended, it being the intent

of this general assembly to ensure that the same sales tax exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

9. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of the local sales tax law, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from any local sales tax imposed by the local sales tax law.

10. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under the provisions of the state sales tax law are hereby allowed and made applicable to any local sales tax collected under the provisions of the local sales tax law.

11. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of the provisions of those sections are hereby made applicable to violations of the provisions of the local sales tax law.

12. (1) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales, except the sale of motor vehicles, trailers, boats, and outboard motors **required to be titled under the laws of the state of Missouri**, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, **the sales tax upon the titling of** all [sales of] motor vehicles, trailers, boats, and outboard motors shall be [deemed to be consummated] **imposed** at the **rate in effect at the location of the** residence of the purchaser, **and remitted to that local taxing entity** and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

(3) For the purposes of any local tax imposed by an ordinance or under the local sales tax law on charges for mobile telecommunications services, all taxes of mobile telecommunications service shall be imposed as provided in the Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 through 124, as amended.

13. Local sales taxes [imposed pursuant to the local sales tax law] **shall not be imposed on the seller** [on the purchase and sale] of motor vehicles, trailers, boats, and outboard motors [shall not be collected and remitted by the seller,] **required to be titled under the laws of the state of Missouri**, but shall be collected **from the purchaser** by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

14. The director of revenue and any of his deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose

behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering himself and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

15. The director of revenue shall annually report on his management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. He shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by him for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

16. Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by him under the local sales tax law or in the event a determination has been made against him for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

17. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

18. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.”; and

Further amend said bill, Page 15, Section 115.601, Line 48, by inserting immediately after said line the following:

“144.020. 1. A tax is hereby levied and imposed **for the privilege of titling new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be titled under the laws of the state of Missouri and, except**

as provided in subdivision (9) of this subsection, upon all sellers for the privilege of engaging in the business of selling tangible personal property or rendering taxable service at retail in this state. The rate of tax shall be as follows:

(1) Upon every retail sale in this state of tangible personal property, [including but not limited to] **excluding** motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats and outboard motors **required to be titled under the laws of the state of Missouri and subject to tax under subdivision (9) of this subsection**, a tax equivalent to four percent of the purchase price paid or charged, or in case such sale involves the exchange of property, a tax equivalent to four percent of the consideration paid or charged, including the fair market value of the property exchanged at the time and place of the exchange, except as otherwise provided in section 144.025;

(2) A tax equivalent to four percent of the amount paid for admission and seating accommodations, or fees paid to, or in any place of amusement, entertainment or recreation, games and athletic events;

(3) A tax equivalent to four percent of the basic rate paid or charged on all sales of electricity or electrical current, water and gas, natural or artificial, to domestic, commercial or industrial consumers;

(4) A tax equivalent to four percent on the basic rate paid or charged on all sales of local and long distance telecommunications service to telecommunications subscribers and to others through equipment of telecommunications subscribers for the transmission of messages and conversations and upon the sale, rental or leasing of all equipment or services pertaining or incidental thereto; except that, the payment made by telecommunications subscribers or others, pursuant to section 144.060, and any amounts paid for access to the internet or interactive computer services shall not be considered as amounts paid for telecommunications services;

(5) A tax equivalent to four percent of the basic rate paid or charged for all sales of services for transmission of messages of telegraph companies;

(6) A tax equivalent to four percent on the amount of sales or charges for all rooms, meals and drinks furnished at any hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp or other place in which rooms, meals or drinks are regularly served to the public;

(7) A tax equivalent to four percent of the amount paid or charged for intrastate tickets by every person operating a railroad, sleeping car, dining car, express car, boat, airplane and such buses and trucks as are licensed by the division of motor carrier and railroad safety of the department of economic development of Missouri, engaged in the transportation of persons for hire;

(8) A tax equivalent to four percent of the amount paid or charged for rental or lease of tangible personal property, provided that if the lessor or renter of any tangible personal property had previously purchased the property under the conditions of "sale at retail" or leased or rented the property and the tax was paid at the time of purchase, lease or rental, the lessor, sublessor, renter or subrenter shall not apply or collect the tax on the subsequent lease, sublease, rental or subrental receipts from that property. The purchase, rental or lease of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors shall be taxed and the tax paid as provided in this section and section 144.070. In no event shall the rental or lease of boats and outboard motors be considered a sale, charge, or fee to, for or in places of amusement, entertainment or recreation nor shall any such rental or lease be subject to any tax imposed to, for, or in such places of amusement, entertainment or recreation. Rental and leased boats or outboard motors shall be taxed under the provisions of the sales tax laws as provided under such laws for motor vehicles and trailers.

Tangible personal property which is exempt from the sales or use tax under section 144.030 upon a sale thereof is likewise exempt from the sales or use tax upon the lease or rental thereof.

(9) A tax equivalent to four percent of the purchase price, as defined in section 144.070, of new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri. This tax is imposed on the person titling such property, and shall be paid according to the procedures in section 144.440.

2. All tickets sold which are sold under the provisions of sections 144.010 to 144.525 which are subject to the sales tax shall have printed, stamped or otherwise endorsed thereon, the words "This ticket is subject to a sales tax."

144.021. The purpose and intent of sections 144.010 to 144.510 is to impose a tax upon the privilege of engaging in the business, in this state, of selling tangible personal property and those services listed in section 144.020 **and for the privilege of titling new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri. Except as otherwise provided,** the primary tax burden is placed upon the seller making the taxable sales of property or service and is levied at the rate provided for in section 144.020. Excluding **subdivision (9) of subsection 1 of section 144.020 and** sections 144.070, 144.440 and 144.450, the extent to which a seller is required to collect the tax from the purchaser of the taxable property or service is governed by section 144.285 and in no way affects sections 144.080 and 144.100, which require all sellers to report to the director of revenue their "gross receipts", defined herein to mean the aggregate amount of the sales price of all sales at retail, and remit tax at four percent of their gross receipts.

144.069. All sales **taxes associated with the titling** of motor vehicles, trailers, boats and outboard motors **under the laws of Missouri** shall be [deemed to be consummated] **imposed** at the **rate in effect at the location of the** address of the owner thereof, and all **sales taxes associated with the titling of vehicles under** leases of over sixty-day duration of motor vehicles, trailers, boats and outboard motors [subject to sales taxes under this chapter] shall be [deemed to be consummated] **imposed at the rate in effect**, unless the vehicle, trailer, boat or motor has been registered and sales taxes have been paid prior to the consummation of the lease agreement at the **location of the** address of the lessee thereof on the date the lease is consummated, and all applicable sales taxes levied by any political subdivision shall be collected **and remitted** on such sales **from the purchaser or lessee** by the state department of revenue on that basis.

144.071. 1. In all cases where the purchaser of a motor vehicle, trailer, boat or outboard motor rescinds the sale of that motor vehicle, trailer, boat or outboard motor and receives a refund of the purchase price and returns the motor vehicle, trailer, boat or outboard motor to the seller within sixty calendar days from the date of the sale, **any** [the sales or use] tax paid to the department of revenue shall be refunded to the purchaser upon proper application to the director of revenue.

2. In any rescission whereby a seller reacquires title to the motor vehicle, trailer, boat or outboard motor sold by him and the reacquisition is within sixty calendar days from the date of the original sale, the person reacquiring the motor vehicle, trailer, boat or outboard motor shall be entitled to a refund of any [sales or use] tax paid as a result of the reacquisition of the motor vehicle, trailer, boat or outboard motor, upon proper application to the director of revenue.

3. Any city or county [sales or use] tax refunds shall be deducted by the director of revenue from the

next remittance made to that city or county.

4. Each claim for refund must be made within one year after payment of the tax on which the refund is claimed.

5. As used in this section, the term “boat” includes all motorboats and vessels as the terms “motorboat” and “vessel” are defined in section 306.010.

144.440. 1. [In addition to all other taxes now or hereafter levied and imposed upon every person for the privilege of using the highways or waterways of this state, there is hereby levied and imposed a tax equivalent to four percent of the purchase price, as defined in section 144.070, which is paid or charged on new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri.

2.] At the time the owner of any [such] motor vehicle, trailer, boat, or outboard motor makes application to the director of revenue for an official certificate of title and the registration of the same as otherwise provided by law, he shall present to the director of revenue evidence satisfactory to the director showing the purchase price paid by or charged to the applicant in the acquisition of the motor vehicle, trailer, boat, or outboard motor, or that the motor vehicle, trailer, boat, or outboard motor is not subject to the tax herein provided and, if the motor vehicle, trailer, boat, or outboard motor is subject to the tax herein provided, the applicant shall pay or cause to be paid to the director of revenue the tax provided herein.

[3.] 2. In the event that the purchase price is unknown or undisclosed, or that the evidence thereof is not satisfactory to the director of revenue, the same shall be fixed by appraisal by the director.

[4.] 3. No certificate of title shall be issued for such motor vehicle, trailer, boat, or outboard motor unless the tax for the privilege of using the highways or waters of this state has been paid or the vehicle, trailer, boat, or outboard motor is registered under the provisions of subsection 5 of this section.

[5.] 4. The owner of any motor vehicle, trailer, boat, or outboard motor which is to be used exclusively for rental or lease purposes may pay the tax due thereon required in section 144.020 at the time of registration or in lieu thereof may pay a [use] **sales** tax as provided in sections 144.010, 144.020, 144.070 and 144.440. A [use] **sales** tax shall be charged and paid on the amount charged for each rental or lease agreement while the motor vehicle, trailer, boat, or outboard motor is domiciled in the state. If the owner elects to pay upon each rental or lease, he shall make an affidavit to that effect in such form as the director of revenue shall require and shall remit the tax due at such times as the director of revenue shall require.

[6.] 5. In the event that any leasing company which rents or leases motor vehicles, trailers, boats, or outboard motors elects to collect a [use] **sales** tax[,] all of its lease receipts would be subject to the [use] **sales** tax[,] regardless of whether or not the leasing company previously paid a sales tax when the vehicle, trailer, boat, or outboard motor was originally purchased.

[7.] 6. The provisions of this section, and the tax imposed by this section, shall not apply to manufactured homes.

144.450. In order to avoid double taxation under the provisions of sections 144.010 to 144.510, any person who purchases a motor vehicle, trailer, manufactured home, boat, or outboard motor in any other state and seeks to register or obtain a certificate of title for it in this state shall be credited with the amount of any sales tax or use tax shown to have been previously paid by him on the purchase price of such motor vehicle, trailer, boat, or outboard motor in such other state. The tax imposed by **subdivision (9) of**

subsection 1 of section [144.440] **144.020** shall not apply:

(1) [To motor vehicles, trailers, boats, or outboard motors on account of which the sales tax provided by sections 144.010 to 144.510 shall have been paid;

(2)] To motor vehicles, trailers, boats, or outboard motors brought into this state by a person moving any such vehicle, trailer, boat, or outboard motor into Missouri from another state who shall have registered and in good faith regularly operated any such motor vehicle, trailer, boat, or outboard motor in such other state at least ninety days prior to the time it is registered in this state;

[(3)] (2) To motor vehicles, trailers, boats, or outboard motors acquired by registered dealers for resale;

[(4)] (3) To motor vehicles, trailers, boats, or outboard motors purchased, owned or used by any religious, charitable or eleemosynary institution for use in the conduct of regular religious, charitable or eleemosynary functions and activities;

[(5)] (4) To motor vehicles owned and used by religious organizations in transferring pupils to and from schools supported by such organization;

[(6)] (5) Where the motor vehicle, trailer, boat, or outboard motor has been acquired by the applicant for a certificate of title therefor by gift or under a will or by inheritance, and the tax hereby imposed has been paid by the donor or decedent;

[(7)] (6) To any motor vehicle, trailer, boat, or outboard motor owned or used by the state of Missouri or any other political subdivision thereof, or by an educational institution supported by public funds; or

[(8)] (7) To farm tractors.

144.455. The tax imposed by **subdivision (9) of subsection 1 of section [144.440] 144.020 on the titling of** motor vehicles and trailers is levied for the purpose of providing revenue to be used by this state to defray in whole or in part the cost of constructing, widening, reconstructing, maintaining, resurfacing and repairing the public highways, roads and streets of this state, and the cost and expenses incurred in the administration and enforcement of **subdivision (9) of subsection 1 of section 144.020 and sections 144.440 to 144.455, and for no other purpose whatsoever, and all revenue collected or received by the director of revenue from the tax imposed by subdivision (9) of subsection 1 of section [144.440] 144.020 on motor vehicles and trailers shall be promptly deposited [in the state treasury to the credit of the state highway department fund] as dictated by article IV, section 30(b) of the Constitution of Missouri.**

144.525. Notwithstanding any other provision of law, the amount of any state and local sales [or use] taxes due on the purchase of a motor vehicle, trailer, boat or outboard motor required to be registered under the provisions of sections 301.001 to 301.660 and sections 306.010 to 306.900 shall be computed on the rate of such taxes in effect on the date the purchaser submits application for a certificate of ownership to the director of revenue; except that, in the case of a sale at retail, of an outboard motor by a retail business which is not required to be registered under the provisions of section 301.251, the amount of state and local [sales and use] taxes due shall be computed on the rate of such taxes in effect as of the calendar date of the retail sale.

144.610. 1. A tax is imposed for the privilege of storing, using or consuming within this state any article of tangible personal property, **excluding motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors required to be titled under the laws of the state of Missouri and subject to tax under subdivision (9) of subsection 1 of section 144.020,** purchased on or after the effective date

of sections 144.600 to 144.745 in an amount equivalent to the percentage imposed on the sales price in the sales tax law in section 144.020. This tax does not apply with respect to the storage, use or consumption of any article of tangible personal property purchased, produced or manufactured outside this state until the transportation of the article has finally come to rest within this state or until the article has become commingled with the general mass of property of this state.

2. Every person storing, using or consuming in this state tangible personal property **subject to the tax in subsection 1 of this section** is liable for the tax imposed by this law, and the liability shall not be extinguished until the tax is paid to this state, but a receipt from a vendor authorized by the director of revenue under the rules and regulations that he prescribes to collect the tax, given to the purchaser in accordance with the provisions of section 144.650, relieves the purchaser from further liability for the tax to which receipt refers.

3. Because this section no longer imposes a Missouri use tax on the storage, use, or consumption of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors required to be titled under the laws of the state of Missouri, in that the state sales tax is now imposed on the titling of such property, the local sales tax, rather than the local use tax, applies.

144.613. Notwithstanding the provisions of section 144.655, at the time the owner of any new or used boat or boat motor which was acquired after December 31, 1979, in a transaction subject to [use] tax under [the Missouri use tax law] **this chapter** makes application to the director of revenue for the registration of the boat or boat motor, he shall present to the director of revenue evidence satisfactory to the director of revenue showing the purchase price, exclusive of any charge incident to the extension of credit, paid by or charged to the applicant in the acquisition of the boat or boat motor, or that no sales or use tax was incurred in its acquisition, and, if [sales or use] tax was incurred in its acquisition, that the same has been paid, or the applicant shall pay or cause to be paid to the director of revenue the [use] tax provided by [the Missouri use tax law] **this chapter** in addition to the registration fees now or hereafter required according to law, and the director of revenue shall not issue a registration for any new or used boat or boat motor subject to [use] tax [as provided in the Missouri use tax law] **in this chapter** until the tax levied for the use of the same under [sections 144.600 to 144.748] **this chapter** has been paid.

144.615. There are specifically exempted from the taxes levied in sections 144.600 to 144.745:

(1) Property, the storage, use or consumption of which this state is prohibited from taxing pursuant to the constitution or laws of the United States or of this state;

(2) Property, the gross receipts from the sale of which are required to be included in the measure of the tax imposed pursuant to the Missouri sales tax law;

(3) Tangible personal property, the sale or other transfer of which, if made in this state, would be exempt from or not subject to the Missouri sales tax pursuant to the provisions of subsection 2 of section 144.030;

(4) Motor vehicles, trailers, boats, and outboard motors subject to the tax imposed by section [144.440] **144.020**;

(5) Tangible personal property which has been subjected to a tax by any other state in this respect to its sales or use; provided, if such tax is less than the tax imposed by sections 144.600 to 144.745, such property, if otherwise taxable, shall be subject to a tax equal to the difference between such tax and the tax imposed by sections 144.600 to 144.745;

(6) Tangible personal property held by processors, retailers, importers, manufacturers, wholesalers, or jobbers solely for resale in the regular course of business;

(7) Personal and household effects and farm machinery used while an individual was a bona fide resident of another state and who thereafter became a resident of this state, or tangible personal property brought into the state by a nonresident for his own storage, use or consumption while temporarily within the state.”; and

Section 1. Notwithstanding the provisions of section 1.140 to the contrary, the provisions of sections 32.087, 144.020, 144.021, 144.069, 144.071, 144.440, 144.450, 144.455, 144.525, 144.610, 144.613, and 144.615, as amended by this act, shall be nonseverable, and if any provision is for any reason held to be invalid, such decision shall invalidate all of the remaining provisions of section 32.087, 144.020, 144.021, 144.069, 144.071, 144.440, 144.450, 144.455, 144.525, 144.610, 144.613, and 144.615, as amended by this act.

Section B. Because of the detrimental impact that lost local revenues has had on the domestic economy by placing Missouri dealers of motor vehicles, outboard motors, boats and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats and trailers, the repeal and reenactment of sections 32.087, 144.020, 144.021, 144.069, 144.071, 144.440, 144.450, 144.455, 144.525, 144.610, 144.613, and 144.615 and the enactment of section 1 of this act is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the repeal and reenactment of sections 32.087, 144.020, 144.021, 144.069, 144.071, 144.440, 144.450, 144.455, 144.525, 144.610, 144.613, and 144.615 and the enactment of section 1 of this act shall be in full force and effect upon its passage and approval.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

An Act to amend chapter 537, RSMo, by adding thereto one new section relating to private nuisance actions.

With House Amendment Nos. 1, 2 and 3.

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Bill No. 41, Section A, Page 1, Line 2, by inserting the following after all of said Line:

“71.012. 1. Notwithstanding the provisions of sections 71.015 and 71.860 to 71.920, the governing body of any city, town or village may annex unincorporated areas which are contiguous and compact to the existing corporate limits of the city, town or village pursuant to this section. The term “contiguous and compact” does not include a situation whereby the unincorporated area proposed to be annexed is contiguous to the annexing city, town or village only by a railroad line, trail, pipeline or other strip of real property less than one-quarter mile in width within the city, town or village so that the boundaries of the city, town or village after annexation would leave unincorporated areas between the annexed area and the prior boundaries of the city, town or village connected only by such railroad line, trail, pipeline or other such strip of real property. The term “contiguous and compact” does not prohibit voluntary annexations pursuant to this section merely because such voluntary annexation would create an island of unincorporated area within the city, town or village, so long as the owners of the unincorporated island were also given the opportunity to voluntarily annex into the city, town or village. Notwithstanding the provisions of this section, the governing body of any city, town or village in any county of the third classification which borders a county of the fourth classification, a county of the second classification and **the Mississippi River** may annex areas along a road or highway up to two miles from existing boundaries of the city, town or village or the governing body in any city, town or village in any county of the third classification without a township form of government with a population of at least twenty-four thousand inhabitants but not more than thirty thousand inhabitants and such county contains a state correctional center may voluntarily annex such correctional center pursuant to the provisions of this section if the correctional center is along a road or highway within two miles from the existing boundaries of the city, town or village.

2. (1) When a [verified] **notarized** petition, requesting annexation and signed by the owners of all fee interests of record in all tracts of real property located within the area proposed to be annexed, or a request for annexation signed under the authority of the governing body of any common interest community and approved by a majority vote of unit owners located within the area proposed to be annexed is presented to the governing body of the city, town or village, the governing body shall hold a public hearing concerning the matter not less than fourteen nor more than sixty days after the petition is received, and the hearing shall be held not less than seven days after notice of the hearing is published in a newspaper of general circulation qualified to publish legal matters and located within the boundary of the petitioned city, town or village. If no such newspaper exists within the boundary of such city, town or village, then the notice shall be published in the qualified newspaper nearest the petitioned city, town or village. For the purposes of this subdivision, the term “common-interest community” shall mean a condominium as said term is used in chapter 448, or a common-interest community, a cooperative, or a planned community.

(a) A “common-interest community” shall be defined as real property with respect to which a person, by virtue of such person’s ownership of a unit, is obliged to pay for real property taxes, insurance premiums, maintenance or improvement of other real property described in a declaration. “Ownership of a unit” does not include a leasehold interest of less than twenty years in a unit, including renewal options;

(b) A “cooperative” shall be defined as a common-interest community in which the real property is owned by an association, each of whose members is entitled by virtue of such member’s ownership interest in the association to exclusive possession of a unit;

(c) A “planned community” shall be defined as a common-interest community that is not a condominium or a cooperative. A condominium or cooperative may be part of a planned community.

(2) At the public hearing any interested person, corporation or political subdivision may present

evidence regarding the proposed annexation.

If, after holding the hearing, the governing body of the city, town or village determines that the annexation is reasonable and necessary to the proper development of the city, town or village, and the city, town or village has the ability to furnish normal municipal services to the area to be annexed within a reasonable time, it may, subject to the provisions of subdivision (3) of this subsection, annex the territory by ordinance without further action.

(3) If a written objection to the proposed annexation is filed with the governing body of the city, town or village not later than fourteen days after the public hearing by at least five percent of the qualified voters of the city, town or village, or two qualified voters of the area sought to be annexed if the same contains two qualified voters, the provisions of sections 71.015 and 71.860 to 71.920, shall be followed.

3. If no objection is filed, the city, town or village shall extend its limits by ordinance to include such territory, specifying with accuracy the new boundary lines to which the city's, town's or village's limits are extended. Upon duly enacting such annexation ordinance, the city, town or village shall cause three certified copies of the same to be filed with the county assessor and the clerk of the county wherein the city, town or village is located, and one certified copy to be filed with the election authority, if different from the clerk of the county which has jurisdiction over the area being annexed, whereupon the annexation shall be complete and final and thereafter all courts of this state shall take judicial notice of the limits of that city, town or village as so extended.

4. That a petition requesting annexation is not or was not verified or notarized shall not affect the validity of an annexation heretofore or hereafter undertaken in accordance with this section.

5. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within three years of the date of adoption of the annexation ordinance.

71.014. 1. Notwithstanding the provisions of section 71.015, the governing body of any city, town, or village which is located within a county which borders a county of the first classification with a charter form of government with a population in excess of six hundred fifty thousand, proceeding as otherwise authorized by law or charter, may annex unincorporated areas which are contiguous and compact to the existing corporate limits upon [verified] **notarized** petition requesting such annexation signed by the owners of all fee interests of record in all tracts located within the area to be annexed. **That a petition requesting annexation is not or was not verified or notarized shall not affect the validity of an annexation heretofore or hereafter undertaken in accordance with this section.**

2. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within three years of the date of adoption of the annexation ordinance.

71.015. 1. Should any city, town, or village, not located in any county of the first classification which has adopted a constitutional charter for its own local government, seek to annex an area to which objection is made, the following shall be satisfied:

(1) Before the governing body of any city, town, or village has adopted a resolution to annex any unincorporated area of land, such city, town, or village shall first as a condition precedent determine that

the land to be annexed is contiguous to the existing city, town, or village limits and that the length of the contiguous boundary common to the existing city, town, or village limit and the proposed area to be annexed is at least fifteen percent of the length of the perimeter of the area proposed for annexation.

(2) The governing body of any city, town, or village shall propose an ordinance setting forth the following:

(a) The area to be annexed and affirmatively stating that the boundaries comply with the condition precedent referred to in subdivision (1) above;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village;

(c) That the city has developed a plan of intent to provide services to the area proposed for annexation;

(d) That a public hearing shall be held prior to the adoption of the ordinance;

(e) When the annexation is proposed to be effective, the effective date being up to thirty-six months from the date of any election held in conjunction thereto.

(3) The city, town, or village shall fix a date for a public hearing on the ordinance and make a good faith effort to notify all fee owners of record within the area proposed to be annexed by certified mail, not less than thirty nor more than sixty days before the hearing, and notify all residents of the area by publication of notice in a newspaper of general circulation qualified to publish legal matters in the county or counties where the proposed area is located, at least once a week for three consecutive weeks prior to the hearing, with at least one such notice being not more than twenty days and not less than ten days before the hearing.

(4) At the hearing referred to in subdivision (3), the city, town, or village shall present the plan of intent and evidence in support thereof to include:

(a) A list of major services presently provided by the city, town, or village including, but not limited to, police and fire protection, water and sewer systems, street maintenance, parks and recreation, **and** refuse collection[, etc.];

(b) A proposed time schedule whereby the city, town, or village plans to provide such services to the residents of the proposed area to be annexed within three years from the date the annexation is to become effective;

(c) The level at which the city, town, or village assesses property and the rate at which it taxes that property;

(d) How the city, town, or village proposes to zone the area to be annexed;

(e) When the proposed annexation shall become effective.

(5) Following the hearing, and either before or after the election held in subdivision (6) of this subsection, should the governing body of the city, town, or village vote favorably by ordinance to annex the area, the governing body of the city, town or village shall file an action in the circuit court of the county in which such unincorporated area is situated, under the provisions of chapter 527, praying for a declaratory judgment authorizing such annexation. The petition in such action shall state facts showing:

(a) The area to be annexed and its conformity with the condition precedent referred to in subdivision (1) of this subsection;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village; and

(c) The ability of the city, town, or village to furnish normal municipal services of the city, town, or village to the unincorporated area within a reasonable time not to exceed three years after the annexation is to become effective. Such action shall be a class action against the inhabitants of such unincorporated area under the provisions of section 507.070.

(6) Except as provided in subsection 3 of this section, if the court authorizes the city, town, or village to make an annexation, the legislative body of such city, town, or village shall not have the power to extend the limits of the city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in the city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed. However, should less than a majority of the total votes cast in the area proposed to be annexed vote in favor of the proposal, but at least a majority of the total votes cast in the city, town, or village vote in favor of the proposal, then the proposal shall again be voted upon in not more than one hundred twenty days by both the registered voters of the city, town, or village and the registered voters of the area proposed to be annexed. If at least two-thirds of the qualified electors voting thereon are in favor of the annexation, then the city, town, or village may proceed to annex the territory. If the proposal fails to receive the necessary majority, no part of the area sought to be annexed may be the subject of another proposal to annex for a period of two years from the date of the election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012. The elections shall if authorized be held, except as herein otherwise provided, in accordance with the general state law governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory.

(7) Failure to comply in providing services to the said area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court by any resident of the area who was residing in the area at the time the annexation became effective.

(8) No city, town, or village which has filed an action under this section as this section read prior to May 13, 1980, which action is part of an annexation proceeding pending on May 13, 1980, shall be required to comply with subdivision (5) of this subsection in regard to such annexation proceeding.

(9) If the area proposed for annexation includes a public road or highway but does not include all of the land adjoining such road or highway, then such fee owners of record, of the lands adjoining said highway shall be permitted to intervene in the declaratory judgment action described in subdivision (5) of this subsection.

2. Notwithstanding any provision of subsection 1 of this section, for any annexation by any city with a population of three hundred fifty thousand or more inhabitants which is located in more than one county that becomes effective after August 28, 1994, if such city has not provided water and sewer service to such annexed area within three years of the effective date of the annexation, a cause of action shall lie for deannexation, unless the failure to provide such water and sewer service to the annexed area is made unreasonable by an act of God. The cause of action for deannexation may be filed in the circuit court by any resident of the annexed area who is presently residing in the area at the time of the filing of the suit and was

a resident of the annexed area at the time the annexation became effective. If the suit for deannexation is successful, the city shall be liable for all court costs and attorney fees.

3. Notwithstanding the provisions of subdivision (6) of subsection 1 of this section, all cities, towns, and villages located in any county of the first classification with a charter form of government with a population of two hundred thousand or more inhabitants which adjoins a county with a population of nine hundred thousand or more inhabitants shall comply with the provisions of this subsection. If the court authorizes any city, town, or village subject to this subsection to make an annexation, the legislative body of such city, town or village shall not have the power to extend the limits of such city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in such city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed; except that:

(1) In the case of a proposed annexation in any area which is contiguous to the existing city, town or village and which is within an area designated as flood plain by the Federal Emergency Management Agency and which is inhabited by no more than thirty registered voters and for which a final declaratory judgment has been granted prior to January 1, 1993, approving such annexation and where notarized affidavits expressing approval of the proposed annexation are obtained from a majority of the registered voters residing in the area to be annexed, the area may be annexed by an ordinance duly enacted by the governing body and no elections shall be required; and

(2) In the case of a proposed annexation of unincorporated territory in which no qualified electors reside, if at least a majority of the qualified electors voting on the proposition are in favor of the annexation, the city, town or village may proceed to annex the territory and no subsequent election shall be required. If the proposal fails to receive the necessary separate majorities, no part of the area sought to be annexed may be the subject of any other proposal to annex for a period of two years from the date of such election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012 **or 71.014**. The election shall, if authorized, be held, except as otherwise provided in this section, in accordance with the general state laws governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory. Failure of the city, town or village to comply in providing services to the area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court **not later than four years after the effective date of the annexation** by any resident of the area who was residing in such area at the time the annexation became effective or by any nonresident owner of real property in such area. **Except for a cause of action for deannexation under this subdivision (2) of this subsection, any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within five years of the date of the adoption of the annexation ordinance.”**; and

(4) Collect at the time of sale a fee of fifty cents for each lead-acid battery sold. The department of revenue shall promulgate rules and regulations necessary to administer the fee collection and enforcement. The terms “sold at retail” and “retail sales” do not include the sale of batteries to a person solely for the purpose of resale, if the subsequent retail sale in this state is to the ultimate consumer and is subject to the fee. However, this fee shall not be paid on batteries sold for use in agricultural operations upon written certification by the purchaser; and

(5) The department of revenue shall administer, collect, and enforce the fee authorized pursuant to this section pursuant to the same procedures used in the administration, collection, and enforcement of the general state sales and use tax imposed pursuant to chapter 144 except as provided in this section. Hazardous waste generators shall pay a one hundred dollar registration fee upon initial registration, and a one hundred dollar registration renewal fee annually thereafter to maintain an active registration. Such fees shall be deposited in the hazardous waste fund created in section 260.391;

(2) Containerize and label all hazardous wastes as specified by standards, rules and regulations;

(3) Segregate all hazardous wastes from all nonhazardous wastes and from noncompatible wastes, materials and other potential hazards as specified by standards, rules and regulations;

(5) Unless provided otherwise in the rules and regulations, utilize only a hazardous waste transporter holding a license pursuant to sections 260.350 to 260.430 for the removal of all hazardous wastes from the premises where they were generated;

(6) Unless provided otherwise in the rules and regulations, provide a separate manifest to the transporter for each load of hazardous waste transported from the premises where it was generated. The manner in which the manifest shall be completed, signed and filed with the department shall be in accordance with rules and regulations;

(7) Utilize for treatment, resource recovery, disposal or storage of all hazardous wastes, only a hazardous waste facility authorized to operate pursuant to sections 260.350 to 260.430 or the federal Resource Conservation and Recovery Act, or a state hazardous waste management program authorized pursuant to the federal Resource Conservation and Recovery Act, or any facility exempted from the permit required pursuant to section 260.395;

(8) Collect and maintain such records, perform such monitoring or analyses, and submit such reports on any hazardous waste generated, its transportation and final disposition, as specified in sections 260.350 to 260.430 and rules and regulations adopted pursuant to sections 260.350 to 260.430;

(10) Pay annually, on or before January first of each year, effective January 1, 1982, a fee to the state of Missouri to be placed in the hazardous waste fund. The fee shall be five dollars per ton or portion thereof of hazardous waste registered with the department as specified in subdivision (1) of this subsection for the twelve-month period ending June thirtieth of the previous year. However, the fee shall not exceed fifty-two thousand dollars per generator site per year nor be less than one hundred fifty dollars per generator site per year;

(2) The department may determine that a specific quantity of a specific hazardous waste requires special management. Upon such determination and after public notice by press release or advertisement thereof, including instructions for handling and delivery, generators exempted pursuant to this subsection shall deliver, but without a manifest or the requirement to use a licensed hazardous waste transporter, such waste to:

(a) Any storage, treatment or disposal site authorized to operate pursuant to sections 260.350 to 260.430 or the federal Resource Conservation and Recovery Act, or a state hazardous waste management program authorized pursuant to the federal Resource Conservation and Recovery Act which the department designates for this purpose; or

(b) A collection station or vehicle which the department may arrange for and designate for this purpose.

4. Failure to pay the fee, or any portion thereof, prescribed in this section by the due date shall result in the imposition of a penalty equal to fifteen percent of the original fee. The fee prescribed in this section shall expire December 31, [2013] **2018**, except that the department shall levy and collect this fee for any hazardous waste generated prior to such date and reported to the department.

260.475. 1. Following each annual reporting date, the state treasurer shall certify the amount deposited in the fund to the commission.

4. If any generator or transporter fails or refuses to pay the fees imposed by this section, or fails or refuses to furnish any information reasonably requested by the department relating to such fees, there shall be imposed, in addition to the fee determined to be owed, a penalty of fifteen percent of the fee shall be deposited in the hazardous waste fund.

5. If the fees or any portion of the fees imposed by this section are not paid by the date prescribed for such payment, there shall be imposed interest upon the unpaid amount at the rate of ten percent per annum from the date prescribed for its payment until payment is actually made, all of which shall be deposited in the hazardous waste fund.

6. The state treasurer is authorized to deposit all of the moneys in the hazardous waste fund in any of the qualified depositories of the state. All such deposits shall be secured in such a manner and shall be made upon such terms and conditions as are now or may hereafter be provided for by law relative to state deposits. Interest received on such deposits shall be credited to the hazardous waste fund.

7. This fee shall expire December 31, [2013] **2018**, except that the department shall levy and collect this fee for any hazardous waste generated prior to such date and reported to the department.

444.772. 1. Any operator desiring to engage in surface mining shall make written application to the director for a permit.

2. Application for permit shall be made on a form prescribed by the commission and shall include:

- (1) The name of all persons with any interest in the land to be mined;
- (2) The source of the applicant's legal right to mine the land affected by the permit;
- (3) The permanent and temporary post office address of the applicant;

(4) Whether the applicant or any person associated with the applicant holds or has held any other permits pursuant to sections 444.500 to 444.790, and an identification of such permits;

(5) The written consent of the applicant and any other persons necessary to grant access to the commission or the director to the area of land affected under application from the date of application until the expiration of any permit granted under the application and thereafter for such time as is necessary to assure compliance with all provisions of sections 444.500 to 444.790 or any rule or regulation promulgated pursuant to them. Permit applications submitted by operators who mine an annual tonnage of less than ten thousand tons shall be required to include written consent from the operator to grant access to the

commission or the director to the area of land affected;

(6) A description of the tract or tracts of land and the estimated number of acres thereof to be affected by the surface mining of the applicant for the next succeeding twelve months; and

(7) Such other information that the commission may require as such information applies to land reclamation.

3. The application for a permit shall be accompanied by a map in a scale and form specified by the commission by regulation.

4. The application shall be accompanied by a bond, security or certificate meeting the requirements of section 444.778, a geologic resources fee authorized under section 256.700, and a permit fee approved by the commission not to exceed one thousand dollars. The commission may also require a fee for each site listed on a permit not to exceed four hundred dollars for each site. If mining operations are not conducted at a site for six months or more during any year, the fee for such site for that year shall be reduced by fifty percent. The commission may also require a fee for each acre bonded by the operator pursuant to section 444.778 not to exceed twenty dollars per acre. If such fee is assessed, the per-acre fee on all acres bonded by a single operator that exceed a total of two hundred acres shall be reduced by fifty percent. In no case shall the total fee for any permit be more than three thousand dollars. Permit and renewal fees shall be established by rule, except for the initial fees as set forth in this subsection, and shall be set at levels that recover the cost of administering and enforcing sections 444.760 to 444.790, making allowances for grants and other sources of funds. The director shall submit a report to the commission and the public each year that describes the number of employees and the activities performed the previous calendar year to administer sections 444.760 to 444.790. For any operator of a gravel mining operation where the annual tonnage of gravel mined by such operator is less than five thousand tons, the total cost of submitting an application shall be three hundred dollars. The issued permit shall be valid from the date of its issuance until the date specified in the mine plan unless sooner revoked or suspended as provided in sections 444.760 to 444.790. Beginning August 28, 2007, the fees shall be set at a permit fee of eight hundred dollars, a site fee of four hundred dollars, and an acre fee of ten dollars, with a maximum fee of three thousand dollars. Fees may be raised as allowed in this subsection after a regulation change that demonstrates the need for increased fees.

5. An operator desiring to have his or her permit amended to cover additional land may file an amended application with the commission. Upon receipt of the amended application, and such additional fee and bond as may be required pursuant to the provisions of sections 444.760 to 444.790, the director shall, if the applicant complies with all applicable regulatory requirements, issue an amendment to the original permit covering the additional land described in the amended application.

6. An operation may withdraw any land covered by a permit, excepting affected land, by notifying the commission thereof, in which case the penalty of the bond or security filed by the operator pursuant to the provisions of sections 444.760 to 444.790 shall be reduced proportionately.

7. Where mining or reclamation operations on acreage for which a permit has been issued have not been completed, the permit shall be renewed. The operator shall submit a permit renewal form furnished by the director for an additional permit year and pay a fee equal to an application fee calculated pursuant to subsection 4 of this section, but in no case shall the renewal fee for any operator be more than three thousand dollars. For any operator involved in any gravel mining operation where the annual tonnage of gravel mined by such operator is less than five thousand tons, the permit as to such acreage shall be renewed by applying on a

permit renewal form furnished by the director for an additional permit year and payment of a fee of three hundred dollars. Upon receipt of the completed permit renewal form and fee from the operator, the director shall approve the renewal. With approval of the director and operator, the permit renewal may be extended for a portion of an additional year with a corresponding prorating of the renewal fee.

8. Where one operator succeeds another at any uncompleted operation, either by sale, assignment, lease or otherwise, the commission may release the first operator from all liability pursuant to sections 444.760 to 444.790 as to that particular operation if both operators have been issued a permit and have otherwise complied with the requirements of sections 444.760 to 444.790 and the successor operator assumes as part of his or her obligation pursuant to sections 444.760 to 444.790 all liability for the reclamation of the area of land affected by the former operator.

9. The application for a permit shall be accompanied by a plan of reclamation that meets the requirements of sections 444.760 to 444.790 and the rules and regulations promulgated pursuant thereto, and shall contain a verified statement by the operator setting forth the proposed method of operation, reclamation, and a conservation plan for the affected area including approximate dates and time of completion, and stating that the operation will meet the requirements of sections 444.760 to 444.790, and any rule or regulation promulgated pursuant to them.

10. At the time that a permit application is deemed complete by the director, the operator shall publish a notice of intent to operate a surface mine in any newspaper qualified pursuant to section 493.050 to publish legal notices in any county where the land is located. If the director does not respond to a permit application within forty-five calendar days, the application shall be deemed to be complete. Notice in the newspaper shall be posted once a week for four consecutive weeks beginning no more than ten days after the application is deemed complete. The operator shall also send notice of intent to operate a surface mine by certified mail to the governing body of the counties or cities in which the proposed area is located, and to the last known addresses of all record landowners of contiguous real property or real property located adjacent to the proposed mine plan area. The notices shall include the name and address of the operator, a legal description consisting of county, section, township and range, the number of acres involved, a statement that the operator plans to mine a specified mineral during a specified time, and the address of the commission. The notices shall also contain a statement that any person with a direct, personal interest in one or more of the factors the commission may consider in issuing a permit may request a public meeting, a public hearing or file written comments to the director no later than fifteen days following the final public notice publication date.

11. The commission may approve a permit application or permit amendment whose operation or reclamation plan deviates from the requirements of sections 444.760 to 444.790 if it can be demonstrated by the operator that the conditions present at the surface mining location warrant an exception. The criteria accepted for consideration when evaluating the merits of an exception or variance to the requirements of sections 444.760 to 444.790 shall be established by regulations.

12. Fees imposed pursuant to this section shall become effective August 28, 2007, and shall expire on December 31, [2013] **2018**. No other provisions of this section shall expire.”; and

Further amend said bill and page, Section 537.291, Line 15, by inserting after all of said section and line the following:

“644.054. 1. Fees imposed in sections 644.052 and 644.053 shall, except for those fees imposed pursuant to subsection 4 and subsections 6 to 13 of section 644.052, become effective October 1, 1990, and shall

expire September 1, [2013] **2018**. Fees imposed pursuant to subsection 4 and subsections 6 to 13 of section 644.052 shall become effective August 28, 2000, and shall expire on September 1, [2013] **2018**. The clean water commission shall promulgate rules and regulations on the procedures for billing and collection. All sums received through the payment of fees shall be placed in the state treasury and credited to an appropriate subaccount of the natural resources protection fund created in section 640.220. Moneys in the subaccount shall be expended, upon appropriation, solely for the administration of sections 644.006 to 644.141. Fees collected pursuant to subsection 10 of section 644.052 by a city, a public sewer district, a public water district or other publicly owned treatment works are state fees. Five percent of the fee revenue collected shall be retained by the city, public sewer district, public water district or other publicly owned treatment works as reimbursement of billing and collection expenses.

2. The commission may grant a variance pursuant to section 644.061 to reduce fees collected pursuant to section 644.052 for facilities that adopt systems or technologies that reduce the discharge of water contaminants substantially below the levels required by commission rules.

3. Fees imposed in subsections 2 to 6 of section 644.052 shall be due on the date of application and on each anniversary date of permit issuance thereafter until the permit is terminated.

[4. The director of the department of natural resources shall conduct a comprehensive review of the fee structure in sections 644.052 and 644.053. The review shall include stakeholder meetings in order to solicit stakeholder input. The director shall submit a report to the general assembly by December 31, 2012, which shall include its findings and a recommended plan for the fee structure. The plan shall also include time lines for permit issuance, provisions for expedited permits, and recommendations for any other improved services provided by the fee funding.]"; and

HOUSE AMENDMENT NO. 1

Amend Senate Bill No. 327, Page 1, Section A, Line 3 by inserting after said line the following:

“478.007. 1. Any circuit court, or any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants with a county municipal court established under section 66.010, may establish a docket or court to provide an alternative for the judicial system to dispose of cases in which a person has pleaded guilty to driving while intoxicated or driving with excessive blood alcohol content and:

(1) The person was operating a motor vehicle with at least fifteen-hundredths of one percent or more by weight of alcohol in such person’s blood; or

(2) The person has previously pleaded guilty to or has been found guilty of one or more intoxication-related traffic offenses as defined by section 577.023; or

2. This docket or court shall combine judicial supervision, drug testing, continuous alcohol monitoring, substance abuse traffic offender program compliance, and treatment of DWI court participants. The court may assess any and all necessary costs for participation in DWI court against the participant. HOUSE AMENDMENT NO. 2

Amend Senate Committee Substitute for Senate Bill No. 33, Page 1, Section A, Line 3, by inserting after all of said section and line, the following:

“208.152. 1. MO HealthNet payments shall be made on behalf of those eligible needy persons as defined in section 208.151 who are unable to provide for it in whole or in part, with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

(1) Inpatient hospital services, except to persons in an institution for mental diseases who are under the age of sixty-five years and over the age of twenty-one years; provided that the MO HealthNet division shall provide through rule and regulation an exception process for coverage of inpatient costs in those cases requiring treatment beyond the seventy-fifth percentile professional activities study (PAS) or the MO HealthNet children’s diagnosis length-of-stay schedule; and provided further that the MO HealthNet division shall take into account through its payment system for hospital services the situation of hospitals which serve a disproportionate number of low-income patients;

(2) All outpatient hospital services, payments therefor to be in amounts which represent no more than eighty percent of the lesser of reasonable costs or customary charges for such services, determined in accordance with the principles set forth in Title XVIII A and B, Public Law 89-97, 1965 amendments to the federal Social Security Act (42 U.S.C. 301, et seq.), but the MO HealthNet division may evaluate outpatient hospital services rendered under this section and deny payment for services which are determined by the MO HealthNet division not to be medically necessary, in accordance with federal law and regulations;

(3) Laboratory and X-ray services;

(4) Nursing home services for participants, except to persons with more than five hundred thousand dollars equity in their home or except for persons in an institution for mental diseases who are under the age of sixty-five years, when residing in a hospital licensed by the department of health and senior services or a nursing home licensed by the department of health and senior services or appropriate licensing authority of other states or government-owned and -operated institutions which are determined to conform to standards equivalent to licensing requirements in Title XIX of the federal Social Security Act (42 U.S.C. 301, et seq.), as amended, for nursing facilities. The MO HealthNet division may recognize through its payment methodology for nursing facilities those nursing facilities which serve a high volume of MO HealthNet patients. The MO HealthNet division when determining the amount of the benefit payments to be made on behalf of persons under the age of twenty-one in a nursing facility may consider nursing facilities furnishing care to persons under the age of twenty-one as a classification separate from other nursing facilities;

(5) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection for those days, which shall not exceed twelve per any period of six consecutive months, during which the participant is on a temporary leave of absence from the hospital or nursing home, provided that no such participant shall be allowed a temporary leave of absence unless it is specifically provided for in his plan of care. As used in this subdivision, the term “temporary leave of absence” shall include all periods of time during which a participant is away from the hospital or nursing home overnight because he is visiting a friend or relative;

(6) Physicians’ services, whether furnished in the office, home, hospital, nursing home, or elsewhere;

(7) Drugs and medicines when prescribed by a licensed physician, dentist, or podiatrist; except that no payment for drugs and medicines prescribed on and after January 1, 2006, by a licensed physician, dentist, or podiatrist may be made on behalf of any person who qualifies for prescription drug coverage under the provisions of P.L. 108-173;

(8) Emergency ambulance services and, effective January 1, 1990, medically necessary transportation to scheduled, physician-prescribed nonelective treatments;

(9) Early and periodic screening and diagnosis of individuals who are under the age of twenty-one to ascertain their physical or mental defects, and health care, treatment, and other measures to correct or ameliorate defects and chronic conditions discovered thereby. Such services shall be provided in accordance with the provisions of Section 6403 of P.L. 101-239 and federal regulations promulgated thereunder;

(10) Home health care services;

(11) Family planning as defined by federal rules and regulations; provided, however, that such family planning services shall not include abortions unless such abortions are certified in writing by a physician to the MO HealthNet agency that, in his professional judgment, the life of the mother would be endangered if the fetus were carried to term;

(12) Inpatient psychiatric hospital services for individuals under age twenty-one as defined in Title XIX of the federal Social Security Act (42 U.S.C. 1396d, et seq.);

(13) Outpatient surgical procedures, including presurgical diagnostic services performed in ambulatory surgical facilities which are licensed by the department of health and senior services of the state of Missouri; except, that such outpatient surgical services shall not include persons who are eligible for coverage under Part B of Title XVIII, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended, if exclusion of such persons is permitted under Title XIX, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended;

(14) Personal care services which are medically oriented tasks having to do with a person's physical requirements, as opposed to housekeeping requirements, which enable a person to be treated by his physician on an outpatient rather than on an inpatient or residential basis in a hospital, intermediate care facility, or skilled nursing facility. Personal care services shall be rendered by an individual not a member of the participant's family who is qualified to provide such services where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a licensed nurse. Persons eligible to receive personal care services shall be those persons who would otherwise require placement in a hospital, intermediate care facility, or skilled nursing facility. Benefits payable for personal care services shall not exceed for any one participant one hundred percent of the average statewide charge for care and treatment in an intermediate care facility for a comparable period of time. Such services, when delivered in a residential care facility or assisted living facility licensed under chapter 198 shall be authorized on a tier level based on the services the resident requires and the frequency of the services. A resident of such facility who qualifies for assistance under section 208.030 shall, at a minimum, if prescribed by a physician, qualify for the tier level with the fewest services. The rate paid to providers for each tier of service shall be set subject to appropriations. Subject to appropriations, each resident of such facility who qualifies for assistance under section 208.030 and meets the level of care required in this section shall, at a minimum, if prescribed by a physician, be authorized up to one hour of personal care services per day. Authorized units of personal care services shall not be reduced or tier level lowered unless an order approving such reduction or lowering is obtained from the resident's personal physician. Such authorized units of personal care

services or tier level shall be transferred with such resident if her or she transfers to another such facility. Such provision shall terminate upon receipt of relevant waivers from the federal Department of Health and Human Services. If the Centers for Medicare and Medicaid Services determines that such provision does not comply with the state plan, this provision shall be null and void. The MO HealthNet division shall notify the revisor of statutes as to whether the relevant waivers are approved or a determination of noncompliance is made;

(15) Mental health services. The state plan for providing medical assistance under Title XIX of the Social Security Act, 42 U.S.C. 301, as amended, shall include the following mental health services when such services are provided by community mental health facilities operated by the department of mental health or designated by the department of mental health as a community mental health facility or as an alcohol and drug abuse facility or as a child-serving agency within the comprehensive children's mental health service system established in section 630.097. The department of mental health shall establish by administrative rule the definition and criteria for designation as a community mental health facility and for designation as an alcohol and drug abuse facility. Such mental health services shall include:

(a) Outpatient mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(b) Clinic mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(c) Rehabilitative mental health and alcohol and drug abuse services including home and community-based preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health or alcohol and drug abuse professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management. As used in this section, mental health professional and alcohol and drug abuse professional shall be defined by the department of mental health pursuant to duly promulgated rules. With respect to services established by this subdivision, the department of social services, MO HealthNet division, shall enter into an agreement with the department of mental health. Matching funds for outpatient mental health services, clinic mental health services, and rehabilitation services for mental health and alcohol and drug abuse shall be certified by the department of mental health to the MO HealthNet division. The agreement shall establish a mechanism for the joint implementation of the provisions of this subdivision. In addition, the agreement shall establish a mechanism by which rates for services may be jointly developed;

(16) Such additional services as defined by the MO HealthNet division to be furnished under waivers of federal statutory requirements as provided for and authorized by the federal Social Security Act (42 U.S.C. 301, et seq.) subject to appropriation by the general assembly;

(17) Beginning July 1, 1990, the services of a certified pediatric or family nursing practitioner with a collaborative practice agreement to the extent that such services are provided in accordance with chapters 334 and 335, and regulations promulgated thereunder;

(18) Nursing home costs for participants receiving benefit payments under subdivision (4) of this

subsection to reserve a bed for the participant in the nursing home during the time that the participant is absent due to admission to a hospital for services which cannot be performed on an outpatient basis, subject to the provisions of this subdivision:

(a) The provisions of this subdivision shall apply only if:

a. The occupancy rate of the nursing home is at or above ninety-seven percent of MO HealthNet certified licensed beds, according to the most recent quarterly census provided to the department of health and senior services which was taken prior to when the participant is admitted to the hospital; and

b. The patient is admitted to a hospital for a medical condition with an anticipated stay of three days or less;

(b) The payment to be made under this subdivision shall be provided for a maximum of three days per hospital stay;

(c) For each day that nursing home costs are paid on behalf of a participant under this subdivision during any period of six consecutive months such participant shall, during the same period of six consecutive months, be ineligible for payment of nursing home costs of two otherwise available temporary leave of absence days provided under subdivision (5) of this subsection; and

(d) The provisions of this subdivision shall not apply unless the nursing home receives notice from the participant or the participant's responsible party that the participant intends to return to the nursing home following the hospital stay. If the nursing home receives such notification and all other provisions of this subsection have been satisfied, the nursing home shall provide notice to the participant or the participant's responsible party prior to release of the reserved bed;

(19) Prescribed medically necessary durable medical equipment. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(20) Hospice care. As used in this subdivision, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(21) Prescribed medically necessary dental services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(22) Prescribed medically necessary optometric services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(23) Blood clotting products-related services. For persons diagnosed with a bleeding disorder, as defined in section 338.400, reliant on blood clotting products, as defined in section 338.400, such services include:

(a) Home delivery of blood clotting products and ancillary infusion equipment and supplies, including the emergency deliveries of the product when medically necessary;

(b) Medically necessary ancillary infusion equipment and supplies required to administer the blood clotting products; and

(c) Assessments conducted in the participant's home by a pharmacist, nurse, or local home health care agency trained in bleeding disorders when deemed necessary by the participant's treating physician;

(24) The MO HealthNet division shall, by January 1, 2008, and annually thereafter, report the status of MO HealthNet provider reimbursement rates as compared to one hundred percent of the Medicare reimbursement rates and compared to the average dental reimbursement rates paid by third-party payors licensed by the state. The MO HealthNet division shall, by July 1, 2008, provide to the general assembly a four-year plan to achieve parity with Medicare reimbursement rates and for third-party payor average dental reimbursement rates. Such plan shall be subject to appropriation and the division shall include in its annual budget request to the governor the necessary funding needed to complete the four-year plan developed under this subdivision.

2. Additional benefit payments for medical assistance shall be made on behalf of those eligible needy children, pregnant women and blind persons with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the division of medical services, unless otherwise hereinafter provided, for the following:

(1) Dental services;

(2) Services of podiatrists as defined in section 330.010;

(3) Optometric services as defined in section 336.010;

(4) Orthopedic devices or other prosthetics, including eye glasses, dentures, hearing aids, and wheelchairs;

(5) Hospice care. As used in this [subsection] **subdivision**, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(6) Comprehensive day rehabilitation services beginning early posttrauma as part of a coordinated system of care for individuals with disabling impairments. Rehabilitation services must be based on an individualized, goal-oriented, comprehensive and coordinated treatment plan developed, implemented, and monitored through an interdisciplinary assessment designed to restore an individual to optimal level of

physical, cognitive, and behavioral function. The MO HealthNet division shall establish by administrative rule the definition and criteria for designation of a comprehensive day rehabilitation service facility, benefit limitations and payment mechanism. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

3. The MO HealthNet division may require any participant receiving MO HealthNet benefits to pay part of the charge or cost until July 1, 2008, and an additional payment after July 1, 2008, as defined by rule duly promulgated by the MO HealthNet division, for all covered services except for those services covered under subdivisions (14) and (15) of subsection 1 of this section and sections 208.631 to 208.657 to the extent and in the manner authorized by Title XIX of the federal Social Security Act (42 U.S.C. 1396, et seq.) and regulations thereunder. Such significant disability shall be certified by the division of vocational rehabilitation within the department of elementary and secondary education; the Social Security Administration Title 42, Section 423 of the United States Code; the Social Security Administration Title 42, Section 416(i)(1)(B) of the United States Code; or a person eligible for services from the division of developmental disabilities of the department of mental health;

(3) “Qualifying vendor”:

(b) A business or entity, whether for profit or nonprofit, that employs individuals with a qualifying disability, provided such individuals perform at least seventy-five percent of the direct labor hours required to fulfill a state contract for goods or services; or

©) Any nonprofit agency serving people with significant disabilities that meets the eligibility criteria to participate in the federal AbilityOne program, or its successor program, as described in 41 U.S.C. Section 46-48c.

2. The broad purpose of this legislation is to provide persons with a qualifying disability access to job opportunities in the private sector competitive job market and additional job opportunities for individuals who choose facility-based employment in their community. Notwithstanding any other provision of this chapter to the contrary, the division of purchasing within the office of administration shall set a goal of procuring at least three percent of goods and services from qualifying vendors. The division shall develop and maintain a list of goods and services that are available from qualifying vendors and which such division determines are suitable for procurement from qualifying vendors by departments of the state, approve prices for goods and services identified under this section, review bids received by qualifying vendors, and award and renew contracts for the purchase of goods and services under this section without competitive bidding. Such procurement list, and revision thereof, shall be submitted to the board for approval and, upon approval, be distributed to all purchasing officers of the state, its departments and all political subdivisions. All products or services offered for purchase to a state department or a political subdivision by a qualifying vendor shall have significant value added by blind or significantly disabled persons as determined by the office of administration. Suspected violations of the eligibility criteria for a qualifying vendor may be reported to and shall be investigated by the department of labor and industrial relations.

The fair market price shall be competitive with the cost of procuring the goods or services from another source; shall, at a minimum, recover for the qualifying vendor the cost of raw materials, labor, overhead, and delivery; and shall be revised from time to time in accordance with changing cost factors. The office of administration may make such rules and regulations necessary to carry out the purposes of this section including specifications, time of delivery, assignment of products and services to be supplied by qualifying vendors, and other relevant matters of procedure. After a contract has been awarded, all state departments as defined in section 34.010 shall purchase the products and services on the procurement list as determined by the office of administration in accordance with this section. The office of administration may authorize the purchase of products and services from other sources when requisitions cannot reasonably be fulfilled by a qualifying vendor.

6. In assessing the suitability of any potential addition to the procurement list, the office of administration shall consider the interest of small businesses and businesses owned by disadvantaged persons by determining whether the addition would have a severe adverse impact on the current contractor for the commodity or service. Generally, an impact up to fifteen percent of the total revenue of the contractor would not be deemed severe. However, in deciding whether a proposed addition to the procurement list would have a severe adverse impact on the current contractor, the office of administration shall consider:

(1) Financial and employment information provided by the current contractor regarding the impact on the contractor's sales;

(2) Whether the contractor has been a consistent supplier of the commodity or service and, therefore, more dependent on such sales; and

(3) Any other factor the office of administration deems relevant.

7. Except as otherwise provided in this section, all departments shall purchase goods and services produced by a qualifying vendor if:

(1) The goods or services offered for sale by a qualifying vendor reasonably conform to the needs and specifications of the department; and

210.160. 1. In every case involving an abused or neglected child which results in a judicial proceeding, the judge shall appoint a guardian ad litem to appear for and represent:

(1) A child who is the subject of proceedings pursuant to sections 210.110 to 210.165, sections 210.700 to 210.760, sections 211.442 to 211.487, RSMo, or sections 453.005 to 453.170, RSMo, or proceedings to determine custody or visitation rights under sections 452.375 to 452.410, RSMo; or

5. The court may designate volunteer advocates, who may or may not be attorneys licensed to practice law, to assist in the performance of the guardian ad litem duties for the court. Journal of the Senate

FIRST REGULAR SESSION

SIXTY-SIXTH DAY—MONDAY, MAY 13, 2013

The Senate met pursuant to adjournment.

Senator Pearce in the Chair.

Reverend Carl Gauck offered the following prayer:

“Faith comes by hearing and hearing by the Word of God.” (Romans 10:17)

Blessed Lord, we begin our final week grateful that we have come to this point knowing that You have been with us and opened our hearts and minds to Your prompting. As the pressures continue to rise and the clock continues to click off the seconds of our remaining time here, quiet our souls so that we might deal with all that comes our way with unstressed hearts and clear minds so our decisions are prudent and wise. And let our mantra be: “Father not my will but Your will be done.” In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

HOUSE AMENDMENT NO. 1

Amend Senate Bill No. 58, Page 1, Section A, Line 2, by inserting after all of said line the following:

“71.285. 1. Whenever weeds or trash, in violation of an ordinance, are allowed to grow or accumulate, as the case may be, on any part of any lot or ground within any city, town or village in this state, the owner of the ground, or in case of joint tenancy, tenancy by entireties or tenancy in common, each owner thereof, shall be liable. The marshal or other city official as designated in such ordinance shall give a hearing after ten days’ notice thereof, either personally or by United States mail to the owner or owners, or the owner’s agents, or by posting such notice on the premises; thereupon, the marshal or other designated city official may declare the weeds or trash to be a nuisance and order the same to be abated within five days; and in case the weeds or trash are not removed within the five days, the marshal or other designated city official shall have the weeds or trash removed, and shall certify the costs of same to the city clerk, who shall cause a special tax bill therefor against the property to be prepared and to be collected by the collector, with other taxes assessed against the property; and the tax bill from the date of its issuance shall be a first lien on the property until paid and shall be prima facie evidence of the recitals therein and of its validity, and no mere clerical error or informality in the same, or in the proceedings leading up to the issuance, shall be a defense thereto. Each special tax bill shall be issued by the city clerk and delivered to the collector on or before the first day of June of each year. Such tax bills if not paid when due shall bear interest at the rate of eight percent per annum. Notwithstanding the time limitations of this section, any city, town or village located in a county of the first classification may hold the hearing provided in this section four days after notice is sent or posted, and may order at the hearing that the weeds or trash shall be abated within five business days after the hearing and if such weeds or trash are not removed within five business days after the hearing, the order shall allow the city to immediately remove the weeds or trash pursuant to this section. Except for lands owned by a public utility, rights-of-way, and easements appurtenant or incidental to lands controlled by any railroad, the department of transportation, the department of natural resources or the department of conservation, the provisions of this subsection shall not apply to any city with a population of at least seventy thousand inhabitants which is located in a county of the first classification with a population of less than one hundred thousand inhabitants which adjoins a county with a population of less than one hundred thousand inhabitants that contains part of a city with a population of three hundred fifty thousand or more inhabitants, any city with a population of one hundred thousand or more inhabitants which is located within a county of the first classification that adjoins no other county of the first classification, or any city, town or village located within a county of the first classification with a charter form of government with a population of nine hundred thousand or more inhabitants, or any city with a population of three hundred fifty thousand or more inhabitants which is located in more than one county, or the City of St. Louis, where such city, town or village establishes its own procedures for abatement of weeds or trash, and such city may charge its costs of collecting the tax bill, including attorney fees, in the event a lawsuit is required to enforce

a tax bill.

2. Except as provided in subsection 3 of this section, if weeds are allowed to grow, or if trash is allowed to accumulate, on the same property in violation of an ordinance more than once during the same growing season in the case of weeds, or more than once during a calendar year in the case of trash, in any city with a population of three hundred fifty thousand or more inhabitants which is located in more than one county, in the City of St. Louis, in any city, town or village located in a county of the first classification with a charter form of government with a population of nine hundred thousand or more inhabitants, in any fourth class city located in a county of the first classification with a charter form of government and a population of less than three hundred thousand, or in any home rule city with more than one hundred thirteen thousand two hundred but less than one hundred thirteen thousand three hundred inhabitants located in a county with a charter form of government and with more than six hundred thousand but less than seven hundred thousand inhabitants, the marshal or other designated city official may order that the weeds or trash be abated within five business days after notice is sent to or posted on the property. In case the weeds or trash are not removed within the five days, the marshal or other designated city official may have the weeds or trash removed and the cost of the same shall be billed in the manner described in subsection 1 of this section.

3. If weeds are allowed to grow, or if trash is allowed to accumulate, on the same property in violation of an ordinance more than once during the same growing season in the case of weeds, or more than once during a calendar year in the case of trash, in any city with a population of three hundred fifty thousand or more inhabitants which is located in more than one county, in the City of St. Louis, in any city, town or village located in a county of the first classification with a charter form of government with a population of nine hundred thousand or more inhabitants, in any fourth class city located in a county of the first classification with a charter form of government and a population of less than three hundred thousand, in any home rule city with more than one hundred thirteen thousand two hundred but less than one hundred thirteen thousand three hundred inhabitants located in a county with a charter form of government and with more than six hundred thousand but less than seven hundred thousand inhabitants, in any third class city with a population of at least ten thousand inhabitants but less than fifteen thousand inhabitants with the greater part of the population located in a county of the first classification, in any city of the third classification with more than sixteen thousand nine hundred but less than seventeen thousand inhabitants, [or] in any city of the third classification with more than eight thousand but fewer than nine thousand inhabitants, **in any city of the fourth classification with more than eight thousand but fewer than nine thousand inhabitants and located in any county of the third classification without a township form of government and with more than eighteen thousand but fewer than twenty thousand inhabitants, or in any city of the third classification with more than fifteen thousand but fewer than seventeen thousand inhabitants and located in any county of the first classification with more than sixty-five thousand but fewer than seventy-five thousand inhabitants,** the marshal or other designated official may, without further notification, have the weeds or trash removed and the cost of the same shall be billed in the manner described in subsection 1 of this section. and such city may charge its costs of collecting the tax bill, including attorney fees, in the event a lawsuit is required to enforce a tax bill.”; and

Further amend said title, enacting clause and intersectional references accordingly.

HOUSE AMENDMENT NO. 2

Amend Senate Bill No. 58, Section A, Page 1, Line 2, by inserting after all of said line the following:

“71.012. 1. Notwithstanding the provisions of sections 71.015 and 71.860 to 71.920, the governing body of any city, town or village may annex unincorporated areas which are contiguous and compact to the existing corporate limits of the city, town or village pursuant to this section. The term “contiguous and compact” does not include a situation whereby the unincorporated area proposed to be annexed is contiguous to the annexing city, town or village only by a railroad line, trail, pipeline or other strip of real property less than one-quarter mile in width within the city, town or village so that the boundaries of the city, town or village after annexation would leave unincorporated areas between the annexed area and the prior boundaries of the city, town or village connected only by such railroad line, trail, pipeline or other such strip of real property. The term “contiguous and compact” does not prohibit voluntary annexations pursuant to this section merely because such voluntary annexation would create an island of unincorporated area within the city, town or village, so long as the owners of the unincorporated island were also given the opportunity to voluntarily annex into the city, town or village. Notwithstanding the provisions of this section, the governing body of any city, town or village in any county of the third classification which borders a county of the fourth classification, a county of the second classification and **the** Mississippi River may annex areas along a road or highway up to two miles from existing boundaries of the city, town or village or the governing body in any city, town or village in any county of the third classification without a township form of government with a population of at least twenty-four thousand inhabitants but not more than thirty thousand inhabitants and such county contains a state correctional center may voluntarily annex such correctional center pursuant to the provisions of this section if the correctional center is along a road or highway within two miles from the existing boundaries of the city, town or village.

2. (1) When a [verified] **notarized** petition, requesting annexation and signed by the owners of all fee interests of record in all tracts of real property located within the area proposed to be annexed, or a request for annexation signed under the authority of the governing body of any common interest community and approved by a majority vote of unit owners located within the area proposed to be annexed is presented to the governing body of the city, town or village, the governing body shall hold a public hearing concerning the matter not less than fourteen nor more than sixty days after the petition is received, and the hearing shall be held not less than seven days after notice of the hearing is published in a newspaper of general circulation qualified to publish legal matters and located within the boundary of the petitioned city, town or village. If no such newspaper exists within the boundary of such city, town or village, then the notice shall be published in the qualified newspaper nearest the petitioned city, town or village. For the purposes of this subdivision, the term “common-interest community” shall mean a condominium as said term is used in chapter 448, or a common-interest community, a cooperative, or a planned community.

(a) A “common-interest community” shall be defined as real property with respect to which a person, by virtue of such person’s ownership of a unit, is obliged to pay for real property taxes, insurance premiums, maintenance or improvement of other real property described in a declaration. “Ownership of a unit” does not include a leasehold interest of less than twenty years in a unit, including renewal options;

(b) A “cooperative” shall be defined as a common-interest community in which the real property is

owned by an association, each of whose members is entitled by virtue of such member's ownership interest in the association to exclusive possession of a unit;

(c) A "planned community" shall be defined as a common-interest community that is not a condominium or a cooperative. A condominium or cooperative may be part of a planned community.

(2) At the public hearing any interested person, corporation or political subdivision may present evidence regarding the proposed annexation.

If, after holding the hearing, the governing body of the city, town or village determines that the annexation is reasonable and necessary to the proper development of the city, town or village, and the city, town or village has the ability to furnish normal municipal services to the area to be annexed within a reasonable time, it may, subject to the provisions of subdivision (3) of this subsection, annex the territory by ordinance without further action.

(3) If a written objection to the proposed annexation is filed with the governing body of the city, town or village not later than fourteen days after the public hearing by at least five percent of the qualified voters of the city, town or village, or two qualified voters of the area sought to be annexed if the same contains two qualified voters, the provisions of sections 71.015 and 71.860 to 71.920, shall be followed.

3. If no objection is filed, the city, town or village shall extend its limits by ordinance to include such territory, specifying with accuracy the new boundary lines to which the city's, town's or village's limits are extended. Upon duly enacting such annexation ordinance, the city, town or village shall cause three certified copies of the same to be filed with the county assessor and the clerk of the county wherein the city, town or village is located, and one certified copy to be filed with the election authority, if different from the clerk of the county which has jurisdiction over the area being annexed, whereupon the annexation shall be complete and final and thereafter all courts of this state shall take judicial notice of the limits of that city, town or village as so extended.

4. That a petition requesting annexation is not or was not verified or notarized shall not affect the validity of an annexation heretofore or hereafter undertaken in accordance with this section.

5. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within five years of the date of adoption of the annexation ordinance.

71.014. 1. Notwithstanding the provisions of section 71.015, the governing body of any city, town, or village which is located within a county which borders a county of the first classification with a charter form of government with a population in excess of six hundred fifty thousand, proceeding as otherwise authorized by law or charter, may annex unincorporated areas which are contiguous and compact to the existing corporate limits upon [verified] **notarized** petition requesting such annexation signed by the owners of all fee interests of record in all tracts located within the area to be annexed. **That a petition requesting annexation is not or was not verified or notarized shall not affect the validity of an annexation heretofore or hereafter undertaken in accordance with this section.**

2. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within five years of the date of adoption of the annexation ordinance.

71.015. 1. Should any city, town, or village, not located in any county of the first classification which has adopted a constitutional charter for its own local government, seek to annex an area to which objection is made, the following shall be satisfied:

(1) Before the governing body of any city, town, or village has adopted a resolution to annex any unincorporated area of land, such city, town, or village shall first as a condition precedent determine that the land to be annexed is contiguous to the existing city, town, or village limits and that the length of the contiguous boundary common to the existing city, town, or village limit and the proposed area to be annexed is at least fifteen percent of the length of the perimeter of the area proposed for annexation.

(2) The governing body of any city, town, or village shall propose an ordinance setting forth the following:

(a) The area to be annexed and affirmatively stating that the boundaries comply with the condition precedent referred to in subdivision (1) above;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village;

(c) That the city has developed a plan of intent to provide services to the area proposed for annexation;

(d) That a public hearing shall be held prior to the adoption of the ordinance;

(e) When the annexation is proposed to be effective, the effective date being up to thirty-six months from the date of any election held in conjunction thereto.

(3) The city, town, or village shall fix a date for a public hearing on the ordinance and make a good faith effort to notify all fee owners of record within the area proposed to be annexed by certified mail, not less than thirty nor more than sixty days before the hearing, and notify all residents of the area by publication of notice in a newspaper of general circulation qualified to publish legal matters in the county or counties where the proposed area is located, at least once a week for three consecutive weeks prior to the hearing, with at least one such notice being not more than twenty days and not less than ten days before the hearing.

(4) At the hearing referred to in subdivision (3), the city, town, or village shall present the plan of intent and evidence in support thereof to include:

(a) A list of major services presently provided by the city, town, or village including, but not limited to, police and fire protection, water and sewer systems, street maintenance, parks and recreation, **and** refuse collection[, etc.];

(b) A proposed time schedule whereby the city, town, or village plans to provide such services to the residents of the proposed area to be annexed within three years from the date the annexation is to become effective;

(c) The level at which the city, town, or village assesses property and the rate at which it taxes that property;

(d) How the city, town, or village proposes to zone the area to be annexed;

(e) When the proposed annexation shall become effective.

(5) Following the hearing, and either before or after the election held in subdivision (6) of this subsection, should the governing body of the city, town, or village vote favorably by ordinance to annex the

area, the governing body of the city, town or village shall file an action in the circuit court of the county in which such unincorporated area is situated, under the provisions of chapter 527, praying for a declaratory judgment authorizing such annexation. The petition in such action shall state facts showing:

(a) The area to be annexed and its conformity with the condition precedent referred to in subdivision (1) of this subsection;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village; and

(c) The ability of the city, town, or village to furnish normal municipal services of the city, town, or village to the unincorporated area within a reasonable time not to exceed three years after the annexation is to become effective. Such action shall be a class action against the inhabitants of such unincorporated area under the provisions of section 507.070.

(6) Except as provided in subsection 3 of this section, if the court authorizes the city, town, or village to make an annexation, the legislative body of such city, town, or village shall not have the power to extend the limits of the city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in the city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed. However, should less than a majority of the total votes cast in the area proposed to be annexed vote in favor of the proposal, but at least a majority of the total votes cast in the city, town, or village vote in favor of the proposal, then the proposal shall again be voted upon in not more than one hundred twenty days by both the registered voters of the city, town, or village and the registered voters of the area proposed to be annexed. If at least two-thirds of the qualified electors voting thereon are in favor of the annexation, then the city, town, or village may proceed to annex the territory. If the proposal fails to receive the necessary majority, no part of the area sought to be annexed may be the subject of another proposal to annex for a period of two years from the date of the election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012. The elections shall if authorized be held, except as herein otherwise provided, in accordance with the general state law governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory.

(7) Failure to comply in providing services to the said area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court by any resident of the area who was residing in the area at the time the annexation became effective.

(8) No city, town, or village which has filed an action under this section as this section read prior to May 13, 1980, which action is part of an annexation proceeding pending on May 13, 1980, shall be required to comply with subdivision (5) of this subsection in regard to such annexation proceeding.

(9) If the area proposed for annexation includes a public road or highway but does not include all of the land adjoining such road or highway, then such fee owners of record, of the lands adjoining said highway shall be permitted to intervene in the declaratory judgment action described in subdivision (5) of this subsection.

2. Notwithstanding any provision of subsection 1 of this section, for any annexation by any city with

a population of three hundred fifty thousand or more inhabitants which is located in more than one county that becomes effective after August 28, 1994, if such city has not provided water and sewer service to such annexed area within three years of the effective date of the annexation, a cause of action shall lie for deannexation, unless the failure to provide such water and sewer service to the annexed area is made unreasonable by an act of God. The cause of action for deannexation may be filed in the circuit court by any resident of the annexed area who is presently residing in the area at the time of the filing of the suit and was a resident of the annexed area at the time the annexation became effective. If the suit for deannexation is successful, the city shall be liable for all court costs and attorney fees.

3. Notwithstanding the provisions of subdivision (6) of subsection 1 of this section, all cities, towns, and villages located in any county of the first classification with a charter form of government with a population of two hundred thousand or more inhabitants which adjoins a county with a population of nine hundred thousand or more inhabitants shall comply with the provisions of this subsection. If the court authorizes any city, town, or village subject to this subsection to make an annexation, the legislative body of such city, town or village shall not have the power to extend the limits of such city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in such city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed; except that:

(1) In the case of a proposed annexation in any area which is contiguous to the existing city, town or village and which is within an area designated as flood plain by the Federal Emergency Management Agency and which is inhabited by no more than thirty registered voters and for which a final declaratory judgment has been granted prior to January 1, 1993, approving such annexation and where notarized affidavits expressing approval of the proposed annexation are obtained from a majority of the registered voters residing in the area to be annexed, the area may be annexed by an ordinance duly enacted by the governing body and no elections shall be required; and

(2) In the case of a proposed annexation of unincorporated territory in which no qualified electors reside, if at least a majority of the qualified electors voting on the proposition are in favor of the annexation, the city, town or village may proceed to annex the territory and no subsequent election shall be required. If the proposal fails to receive the necessary separate majorities, no part of the area sought to be annexed may be the subject of any other proposal to annex for a period of two years from the date of such election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012 or 71.014. The election shall, if authorized, be held, except as otherwise provided in this section, in accordance with the general state laws governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory. Failure of the city, town or village to comply in providing services to the area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court **not later than four years after the effective date of the annexation** by any resident of the area who was residing in such area at the time the annexation became effective or by any nonresident owner of real property in such area. **Except for a cause of action for deannexation under this subdivision (2) of this subsection, any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area**

shall be brought within five years of the date of the adoption of the annexation ordinance.”; and

“208.146. 1. The program established under this section shall be known as the “Ticket to Work Health Assurance Program”. Subject to appropriations and in accordance with the federal Ticket to Work and Work Incentives Improvement Act of 1999 (TWWIIA), Public Law 106-170, the medical assistance provided for in section 208.151 may be paid for a person who is employed and who:

(1) Except for earnings, meets the definition of disabled under the Supplemental Security Income

Program or meets the definition of an employed individual with a medically improved disability under TWWIIA;

(2) Has earned income, as defined in subsection 2 of this section;

(3) Meets the asset limits in subsection 3 of this section;

(4) Has net income, as defined in subsection 3 of this section, that does not exceed the limit for permanent and totally disabled individuals to receive nonspenddown MO HealthNet under subdivision (24) of subsection 1 of section 208.151; and

(5) Has a gross income of two hundred fifty percent or less of the federal poverty level, excluding any earned income of the worker with a disability between two hundred fifty and three hundred percent of the federal poverty level. For purposes of this subdivision, “gross income” includes all income of the person and the person’s spouse that would be considered in determining MO HealthNet eligibility for permanent and totally disabled individuals under subdivision (24) of subsection 1 of section 208.151. Individuals with gross incomes in excess of one hundred percent of the federal poverty level shall pay a premium for participation in accordance with subsection 4 of this section.

2. For income to be considered earned income for purposes of this section, the department of social services shall document that Medicare and Social Security taxes are withheld from such income. Self-employed persons shall provide proof of payment of Medicare and Social Security taxes for income to be considered earned.

3. (1) For purposes of determining eligibility under this section, the available asset limit and the definition of available assets shall be the same as those used to determine MO HealthNet eligibility for permanent and totally disabled individuals under subdivision (24) of subsection 1 of section 208.151 except for:

(a) Medical savings accounts limited to deposits of earned income and earnings on such income while a participant in the program created under this section with a value not to exceed five thousand dollars per year; and

(b) Independent living accounts limited to deposits of earned income and earnings on such income while a participant in the program created under this section with a value not to exceed five thousand dollars per year. For purposes of this section, an “independent living account” means an account established and maintained to provide savings for transportation, housing, home modification, and personal care services and assistive devices associated with such person’s disability.

(2) To determine net income, the following shall be disregarded:

(a) All earned income of the disabled worker;

(b) The first sixty-five dollars and one-half of the remaining earned income of a nondisabled spouse’s earned income;

(c) A twenty dollar standard deduction;

(d) Health insurance premiums;

(e) A seventy-five dollar a month standard deduction for the disabled worker’s dental and optical insurance when the total dental and optical insurance premiums are less than seventy-five dollars;

(f) All Supplemental Security Income payments, and the first fifty dollars of SSDI payments;

(g) A standard deduction for impairment-related employment expenses equal to one-half of the disabled worker's earned income.

4. Any person whose gross income exceeds one hundred percent of the federal poverty level shall pay a premium for participation in the medical assistance provided in this section. Such premium shall be:

(3) For a person whose gross income equals or exceeds two hundred percent but less than two hundred fifty percent of the federal poverty level, five percent of income at two hundred percent of the federal poverty level;

(4) For a person whose gross income equals or exceeds two hundred fifty percent up to and including three hundred percent of the federal poverty level, six percent of income at two hundred fifty percent of the federal poverty level.

5. Recipients of services through this program shall report any change in income or household size within ten days of the occurrence of such change. An increase in premiums resulting from a reported change in income or household size shall be effective with the next premium invoice that is mailed to a person after due process requirements have been met. A decrease in premiums shall be effective the first day of the month immediately following the month in which the change is reported.

6. If an eligible person's employer offers employer-sponsored health insurance and the department of social services determines that it is more cost effective, such person shall participate in the employer-sponsored insurance. The department shall pay such person's portion of the premiums, co-payments, and any other costs associated with participation in the employer-sponsored health insurance.

7. The provisions of this section shall expire [six years after] August 28, [2007] **2019**.

208.151. 1. Medical assistance on behalf of needy persons shall be known as "MO HealthNet". The family support division shall utilize an application for eligibility for such persons which eliminates information requirements other than those necessary to apply for MO HealthNet benefits. 6. Notwithstanding any other provision of law to the contrary, in any given fiscal year, any persons made eligible for MO HealthNet benefits under subdivisions (1) to (22) of subsection 1 of this section shall only be eligible if annual appropriations are made for such eligibility. This subsection shall not apply to classes of individuals listed in 42 U.S.C. Section 1396a(a)(10)(A)(i).”; and

7. The commissioner of administration shall from time to time examine the space needs of the agencies of state government and space available and shall, with the approval of the board of public buildings, assign and reassign space in property owned, leased or otherwise controlled by the state. The Senate met pursuant to adjournment.

President Kinder in the Chair.

“Nevertheless, amid the greatest difficulties of my Administration, when I could not see any other resort, I would place my whole reliance on God, knowing that all would go well, and that He would decide for the right.” (Abraham Lincoln, 10/24/1863)

Heavenly Father, we pray this day knowing that time is running out and as we deal with various difficulties we ask once again that You would help us rely on You and know that You have decided what is right for us and will guide and direct our hearts and minds in all we do and say. In Your Holy Name we pray. Amen.

With House Amendment Nos. 1 and 2.

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Bill No. 222, Page 1, Section A, Line 6, by inserting after all of said section and line the following:

“452.375. 1. As used in this chapter, unless the context clearly indicates otherwise:

(1) “Coerce” means to force a person to act in a given manner or to compel by pressure or threat;

(2) “Custody” means joint legal custody, sole legal custody, joint physical custody or sole physical custody or any combination thereof;

[(2)] (3) “Joint legal custody” means that the parents share the decision-making rights, responsibilities, and authority relating to the health, education and welfare of the child, and, unless allocated, apportioned,

or decreed, the parents shall confer with one another in the exercise of decision-making rights, responsibilities, and authority;

[(3)] (4) “Joint physical custody” means an order awarding each of the parents significant, but not necessarily equal, periods of time during which a child resides with or is under the care and supervision of each of the parents. Joint physical custody shall be shared by the parents in such a way as to assure the child of frequent, continuing and meaningful contact with both parents;

[(4)] (5) “Third-party custody” means a third party designated as a legal and physical custodian pursuant to subdivision (5) of subsection 5 of this section.

2. The court shall determine custody in accordance with the best interests of the child. The court shall consider all relevant factors including:

(1) The wishes of the child’s parents as to custody and the proposed parenting plan submitted by both parties;

(2) The needs of the child for a frequent, continuing and meaningful relationship with both parents and the ability and willingness of parents to actively perform their functions as mother and father for the needs of the child;

(3) The interaction and interrelationship of the child with parents, siblings, and any other person who may significantly affect the child’s best interests;

(4) Which parent is more likely to allow the child frequent, continuing and meaningful contact with the other parent;

(5) The child’s adjustment to the child’s home, school, and community;

(6) The mental and physical health of all individuals involved, including any history of abuse of any individuals involved. If the court finds that a pattern of domestic violence as defined in section 455.010 has occurred, and, if the court also finds that awarding custody to the abusive parent is in the best interest of the child, then the court shall enter written findings of fact and conclusions of law. Custody and visitation rights shall be ordered in a manner that best protects the child and any other child or children for whom the parent has custodial or visitation rights, and the parent or other family or household member who is the victim of domestic violence from any further harm;

(7) The intention of either parent to relocate the principal residence of the child; and

(8) The wishes of a child as to the child’s custodian. The fact that a parent sends his or her child or children to a home school, as defined in section 167.031, shall not be the sole factor that a court considers in determining custody of such child or children.

3. (1) In any court proceedings relating to custody of a child, the court shall not award custody or unsupervised visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any of the following offenses when a child was the victim:

(a) A felony violation of section 566.030, 566.032, 566.040, 566.060, 566.062, 566.064, 566.067, 566.068, 566.070, 566.083, 566.090, 566.100, 566.111, 566.151, 566.203, 566.206, 566.209, 566.212, or 566.215;

(b) A violation of section 568.020;

- (c) A violation of subdivision (2) of subsection 1 of section 568.060;
- (d) A violation of section 568.065;
- (e) A violation of section 568.080;
- (f) A violation of section 568.090; or
- (g) A violation of section 568.175.

(2) For all other violations of offenses in chapters 566 and 568 not specifically listed in subdivision (1) of this subsection or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the court may exercise its discretion in awarding custody or visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any such offense.

4. The general assembly finds and declares that it is the public policy of this state that frequent, continuing and meaningful contact with both parents after the parents have separated or dissolved their marriage is in the best interest of the child, except for cases where the court specifically finds that such contact is not in the best interest of the child, and that it is the public policy of this state to encourage parents to participate in decisions affecting the health, education and welfare of their children, and to resolve disputes involving their children amicably through alternative dispute resolution. In order to effectuate these policies, the court shall determine the custody arrangement which will best assure both parents participate in such decisions and have frequent, continuing and meaningful contact with their children so long as it is in the best interests of the child.

5. Prior to awarding the appropriate custody arrangement in the best interest of the child, the court shall consider each of the following as follows:

(1) Joint physical and joint legal custody to both parents, which shall not be denied solely for the reason that one parent opposes a joint physical and joint legal custody award. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(2) Joint physical custody with one party granted sole legal custody. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(3) Joint legal custody with one party granted sole physical custody;

(4) Sole custody to either parent; or

(5) Third-party custody or visitation:

(a) When the court finds that each parent is unfit, unsuitable, or unable to be a custodian, or the welfare of the child requires, and it is in the best interests of the child, then custody, temporary custody or visitation may be awarded to any other person or persons deemed by the court to be suitable and able to provide an adequate and stable environment for the child. Before the court awards custody, temporary custody or visitation to a third person under this subdivision, the court shall make that person a party to the action;

(b) Under the provisions of this subsection, any person may petition the court to intervene as a party in interest at any time as provided by supreme court rule.

6. If the parties have not agreed to a custodial arrangement, or the court determines such arrangement is not in the best interest of the child, the court shall include a written finding in the judgment or order based

on the public policy in subsection 4 of this section and each of the factors listed in subdivisions (1) to (8) of subsection 2 of this section detailing the specific relevant factors that made a particular arrangement in the best interest of the child. If a proposed custodial arrangement is rejected by the court, the court shall include a written finding in the judgment or order detailing the specific relevant factors resulting in the rejection of such arrangement.

7. Upon a finding by the court that either parent has refused to exchange information with the other parent, which shall include but not be limited to information concerning the health, education and welfare of the child, the court shall order the parent to comply immediately and to pay the prevailing party a sum equal to the prevailing party's cost associated with obtaining the requested information, which shall include but not be limited to reasonable attorney's fees and court costs.

8. As between the parents of a child, no preference may be given to either parent in the awarding of custody because of that parent's age, sex, or financial status, nor because of the age or sex of the child.

9. Any judgment providing for custody shall include a specific written parenting plan setting forth the terms of such parenting plan arrangements specified in subsection 7 of section 452.310. Such plan may be a parenting plan submitted by the parties pursuant to section 452.310 or, in the absence thereof, a plan determined by the court, but in all cases, the custody plan approved and ordered by the court shall be in the court's discretion and shall be in the best interest of the child.

10. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, both parents shall have access to records and information pertaining to a minor child, including, but not limited to, medical, dental, and school records. If the parent without custody has been granted restricted or supervised visitation because the court has found that the parent with custody or any child has been the victim of domestic violence, as defined in section 455.010, by the parent without custody, the court may order that the reports and records made available pursuant to this subsection not include the address of the parent with custody or the child. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, any judgment of dissolution or other applicable court order shall specifically allow both parents access to such records and reports.

11. Except as otherwise precluded by state or federal law, if any individual, professional, public or private institution or organization denies access or fails to provide or disclose any and all records and information, including, but not limited to, past and present dental, medical and school records pertaining to a minor child, to either parent upon the written request of such parent, the court shall, upon its finding that the individual, professional, public or private institution or organization denied such request without good cause, order that party to comply immediately with such request and to pay to the prevailing party all costs incurred, including, but not limited to, attorney's fees and court costs associated with obtaining the requested information.

12. An award of joint custody does not preclude an award of child support pursuant to section 452.340 and applicable supreme court rules. The court shall consider the factors contained in section 452.340 and applicable supreme court rules in determining an amount reasonable or necessary for the support of the child.

13. If the court finds that domestic violence or abuse, as defined in section 455.010 has occurred, the court shall make specific findings of fact to show that the custody or visitation arrangement ordered by the court best protects the child and the parent or other family or household member who is the victim of domestic violence, as defined in section 455.010, and any other children for whom such parent has custodial

or visitation rights from any further harm.

14. If the court finds that a parent of a child, while the child was unborn, attempted to coerce the mother of the child to obtain an abortion, the court may deny custody to the parent.

452.400. 1. (1) A parent not granted custody of the child is entitled to reasonable visitation rights unless the court finds, after a hearing, that visitation would endanger the child's physical health or impair his or her emotional development. The court shall enter an order specifically detailing the visitation rights of the parent without physical custody rights to the child and any other children for whom such parent has custodial or visitation rights. In determining the granting of visitation rights, the court shall consider evidence of domestic violence. If the court finds that domestic violence has occurred, the court may find that granting visitation to the abusive party is in the best interests of the child.

(2) (a) The court shall not grant visitation to the parent not granted custody if such parent or any person residing with such parent has been found guilty of or pled guilty to any of the following offenses when a child was the victim:

a. A felony violation of section 566.030, 566.032, 566.040, 566.060, 566.062, 566.064, 566.067, 566.068, 566.070, 566.083, 566.090, 566.100, 566.111, 566.151, 566.203, 566.206, 566.209, 566.212, or 566.215;

b. A violation of section 568.020;

c. A violation of subdivision (2) of subsection 1 of section 568.060;

d. A violation of section 568.065;

e. A violation of section 568.080;

f. A violation of section 568.090; or

g. A violation of section 568.175.

(b) For all other violations of offenses in chapters 566 and 568 not specifically listed in paragraph (a) of this subdivision or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the court may exercise its discretion in granting visitation to a parent not granted custody if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any such offense.

(c) The court may exercise its discretion in granting visitation to a parent not granted custody if such parent, while the child was unborn, attempted to coerce the mother of the child to obtain an abortion.

(3) The court shall consider the parent's history of inflicting, or tendency to inflict, physical harm, bodily injury, assault, or the fear of physical harm, bodily injury, or assault on other persons and shall grant visitation in a manner that best protects the child and the parent or other family or household member who is the victim of domestic violence, and any other children for whom the parent has custodial or visitation rights from any further harm.

(4) The court, if requested by a party, shall make specific findings of fact to show that the visitation arrangements made by the court best protect the child or the parent or other family or household member who is the victim of domestic violence, or any other child for whom the parent has custodial or visitation rights from any further harm.

2. (1) The court may modify an order granting or denying visitation rights whenever modification would serve the best interests of the child, but the court shall not restrict a parent's visitation rights unless it finds that the visitation would endanger the child's physical health or impair his or her emotional development.

(2) (a) In any proceeding modifying visitation rights, the court shall not grant unsupervised visitation to a parent if the parent or any person residing with such parent has been found guilty of or pled guilty to any of the following offenses when a child was the victim:

a. A felony violation of section 566.030, 566.032, 566.040, 566.060, 566.062, 566.064, 566.067, 566.068, 566.070, 566.083, 566.090, 566.100, 566.111, 566.151, 566.203, 566.206, 566.209, 566.212, or 566.215;

b. A violation of section 568.020;

c. A violation of subdivision (2) of subsection 1 of section 568.060;

d. A violation of section 568.065;

e. A violation of section 568.080;

f. A violation of section 568.090; or

g. A violation of section 568.175.

(b) For all other violations of offenses in chapters 566 and 568 not specifically listed in paragraph (a) of this subdivision or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the division may exercise its discretion regarding the placement of a child taken into the custody of the state in which a parent or any person residing in the home has been found guilty of, or pled guilty to, any such offense.

(3) When a court restricts a parent's visitation rights or when a court orders supervised visitation because of allegations of abuse or domestic violence, a showing of proof of treatment and rehabilitation shall be made to the court before unsupervised visitation may be ordered. "Supervised visitation", as used in this section, is visitation which takes place in the presence of a responsible adult appointed by the court for the protection of the child.

3. The court shall mandate compliance with its order by all parties to the action, including parents, children and third parties. In the event of noncompliance, the aggrieved person may file a verified motion for contempt. If custody, visitation or third-party custody is denied or interfered with by a parent or third party without good cause, the aggrieved person may file a family access motion with the court stating the specific facts which constitute a violation of the judgment of dissolution, [or] legal separation **or judgment of paternity**. The state courts administrator shall develop a simple form for pro se motions to the aggrieved person, which shall be provided to the person by the circuit clerk. Clerks, under the supervision of a circuit clerk, shall explain to aggrieved parties the procedures for filing the form. Notice of the fact that clerks will provide such assistance shall be conspicuously posted in the clerk's offices. The location of the office where the family access motion may be filed shall be conspicuously posted in the court building. The performance of duties described in this section shall not constitute the practice of law as defined in section 484.010. Such form for pro se motions shall not require the assistance of legal counsel to prepare and file. The cost of filing the motion shall be the standard court costs otherwise due for instituting a civil action in the circuit court.

4. Within five court days after the filing of the family access motion pursuant to subsection 3 of this section, the clerk of the court shall issue a summons pursuant to applicable state law, and applicable local

or supreme court rules. A copy of the motion shall be personally served upon the respondent by personal process server as provided by law or by any sheriff. Such service shall be served at the earliest time and shall take priority over service in other civil actions, except those of an emergency nature or those filed pursuant to chapter 455. The motion shall contain the following statement in boldface type:

“PURSUANT TO SECTION 452.400, RSMO, YOU ARE REQUIRED TO RESPOND TO THE CIRCUIT CLERK WITHIN TEN DAYS OF THE DATE OF SERVICE. FAILURE TO RESPOND TO THE CIRCUIT CLERK MAY RESULT IN THE FOLLOWING:

- (1) AN ORDER FOR A COMPENSATORY PERIOD OF CUSTODY, VISITATION OR THIRD-PARTY CUSTODY AT A TIME CONVENIENT FOR THE AGGRIEVED PARTY NOT LESS THAN THE PERIOD OF TIME DENIED;**
- (2) PARTICIPATION BY THE VIOLATOR IN COUNSELING TO EDUCATE THE VIOLATOR ABOUT THE IMPORTANCE OF PROVIDING THE CHILD WITH A CONTINUING AND MEANINGFUL RELATIONSHIP WITH BOTH PARENTS;**
- (3) ASSESSMENT OF A FINE OF UP TO FIVE HUNDRED DOLLARS AGAINST THE VIOLATOR;**
- (4) REQUIRING THE VIOLATOR TO POST BOND OR SECURITY TO ENSURE FUTURE COMPLIANCE WITH THE COURT’S ORDERS;**
- (5) ORDERING THE VIOLATOR TO PAY THE COST OF COUNSELING TO REESTABLISH THE PARENT-CHILD RELATIONSHIP BETWEEN THE AGGRIEVED PARTY AND THE CHILD; AND**
- (6) A JUDGMENT IN AN AMOUNT NOT LESS THAN THE REASONABLE EXPENSES, INCLUDING ATTORNEY’S FEES AND COURT COSTS ACTUALLY INCURRED BY THE AGGRIEVED PARTY AS A RESULT OF THE DENIAL OF CUSTODY, VISITATION OR THIRD-PARTY CUSTODY.”.**

5. If an alternative dispute resolution program is available pursuant to section 452.372, the clerk shall also provide information to all parties on the availability of any such services, and within fourteen days of the date of service, the court may schedule alternative dispute resolution.

6. Upon a finding by the court pursuant to a motion for a family access order or a motion for contempt that its order for custody, visitation or third-party custody has not been complied with, without good cause, the court shall order a remedy, which may include, but not be limited to:

- (1) A compensatory period of visitation, custody or third-party custody at a time convenient for the aggrieved party not less than the period of time denied;
- (2) Participation by the violator in counseling to educate the violator about the importance of providing the child with a continuing and meaningful relationship with both parents;
- (3) Assessment of a fine of up to five hundred dollars against the violator payable to the aggrieved party;
- (4) Requiring the violator to post bond or security to ensure future compliance with the court’s access orders; and
- (5) Ordering the violator to pay the cost of counseling to reestablish the parent-child relationship between the aggrieved party and the child.

7. The reasonable expenses incurred as a result of denial or interference with custody or visitation, including attorney's fees and costs of a proceeding to enforce visitation rights, custody or third-party custody, shall be assessed, if requested and for good cause, against the parent or party who unreasonably denies or interferes with visitation, custody or third-party custody. In addition, the court may utilize any and all powers relating to contempt conferred on it by law or rule of the Missouri supreme court.

8. Final disposition of a motion for a family access order filed pursuant to this section shall take place not more than sixty days after the service of such motion, unless waived by the parties or determined to be in the best interest of the child. Final disposition shall not include appellate review.

9. Motions filed pursuant to this section shall not be deemed an independent civil action from the original action pursuant to which the judgment or order sought to be enforced was entered.

453.015. As used in sections 453.010 to 453.400, the following terms mean:

(1) **“Coerce” means to force a person to act in a given manner or to compel by pressure or threat;**

[(3)] (4) **“Putative father”, the alleged or presumed father of a child including a person who has filed a notice of intent to claim paternity with the putative father registry established in section 192.016 and a person who has filed a voluntary acknowledgment of paternity pursuant to section 193.087; and**

[(4)] (5) **“Stepparent”, the spouse of a biological or adoptive parent. The term does not include the state if the child is a ward of the state. The term does not include a person whose parental rights have been terminated.**

453.040. The consent to the adoption of a child is not required of:

(1) A parent whose rights with reference to the child have been terminated pursuant to law, including section 211.444 or section 211.447 or other similar laws in other states;

(2) A parent of a child who has legally consented to a future adoption of the child;

(3) A parent whose identity is unknown and cannot be ascertained at the time of the filing of the petition;

(4) A man who has not been established to be the father and who is not presumed by law to be the father, and who, after the conception of the child, executes a verified statement denying paternity and disclaiming any interest in the child and acknowledging that this statement is irrevocable when executed and follows the consent as set forth in section 453.030;

Such petition for termination may be filed as a count in an adoption petition.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 2

Amend House Committee Substitute for Senate Bill No. 222, Page 1, Section A, Line 6, by inserting after all of said section and line the following:

“160.261. 1. The local board of education of each school district shall clearly establish a written policy of discipline, including the district’s determination on the use of corporal punishment and the procedures in which punishment will be applied. A written copy of the district’s discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to all teachers at the attendance center and, in addition, to other school district employees with a need to know. For the purposes of this chapter or chapter 167, “need to know” is defined as school personnel who are directly responsible for the student’s education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. As used in this section, the phrase “act of school violence” or “violent behavior” means the exertion of physical force by a student with the intent to do serious physical injury as defined in subdivision (6) of section 565.002 to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. The policy shall at a minimum require school administrators to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the following crimes, or any act which if committed by an adult would be one of the following crimes:

- (1) First degree murder under section 565.020;
- (2) Second degree murder under section 565.021;
- (3) Kidnapping under section 565.110;
- (4) First degree assault under section 565.050;

- (5) [Forcible] Rape **in the first degree** under section 566.030;
- (6) [Forcible] Sodomy **in the first degree** under section 566.060;
- (7) Burglary in the first degree under section 569.160;
- (8) Burglary in the second degree under section 569.170;
- (9) Robbery in the first degree under section 569.020;
- (10) Distribution of drugs under section 195.211;
- (11) Distribution of drugs to a minor under section 195.212;
- (12) Arson in the first degree under section 569.040;
- (13) Voluntary manslaughter under section 565.023;
- (14) Involuntary manslaughter under section 565.024;
- (15) Second degree assault under section 565.060;
- (16) [Sexual assault] **Rape in the second degree** under section [566.040] **566.031**;
- (17) Felonious restraint under section 565.120;
- (18) Property damage in the first degree under section 569.100;
- (19) The possession of a weapon under chapter 571;
- (20) Child molestation in the first degree pursuant to section 566.067;
- (21) [Deviate sexual assault] **Sodomy in the second degree** pursuant to section [566.070] **566.061**;
- (22) Sexual misconduct involving a child pursuant to section 566.083;
- (23) Sexual abuse **in the first degree** pursuant to section 566.100;
- (24) Harassment under section 565.090; or

(25) Stalking under section 565.225; committed on school property, including but not limited to actions on any school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any school property in the school district where such student attended school or any activity of that district, regardless of whether or not the activity takes place on district property unless:

- (1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian and

the superintendent or the superintendent's designee has authorized the student to be on school property;

(2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the superintendent or the superintendent's designee has authorized the student to be on school property;

(3) Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or

(4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

(1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;

(2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

(1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. “Acts of violence” as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district’s discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education’s written policy of discipline, is not abuse within the meaning of chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children’s division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.

11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children’s division under section 210.115, such person and the superintendent of the school district shall forward the allegation to the children’s division within twenty-four hours of receiving the information. Reports made to the children’s division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.

12. Upon receipt of any reports of child abuse by the children’s division other than reports provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children’s division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the law enforcement in the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the law enforcement officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by a law enforcement officer and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The law enforcement officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The law enforcement officer and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The law enforcement officer and the investigating school district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The law enforcement officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the

alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Any superintendent of schools, president of a school board or such person's designee or law enforcement officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

22. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio.

167.115. 1. Notwithstanding any provision of chapter 211 or chapter 610 to the contrary, the juvenile officer, sheriff, chief of police or other appropriate law enforcement authority shall, as soon as reasonably practical, notify the superintendent, or the superintendent's designee, of the school district in which the pupil is enrolled when a petition is filed pursuant to subsection 1 of section 211.031 alleging that the pupil has committed one of the following acts:

- (1) First degree murder under section 565.020;
- (2) Second degree murder under section 565.021;
- (3) Kidnapping under section 565.110;
- (4) First degree assault under section 565.050;
- (5) Forcible rape under section 566.030 **as it existed prior to August 28, 2013, or rape in the first degree under section 566.030;**
- (6) Forcible sodomy under section 566.060 **as it existed prior to August 28, 2013, or sodomy in the first degree under section 566.060;**
- (7) Burglary in the first degree under section 569.160;
- (8) Robbery in the first degree under section 569.020;
- (9) Distribution of drugs under section 195.211;
- (10) Distribution of drugs to a minor under section 195.212;

2. The notification shall be made orally or in writing, in a timely manner, no later than five days following the filing of the petition. If the report is made orally, written notice shall follow in a timely manner. The notification shall include a complete description of the conduct the pupil is alleged to have committed and the dates the conduct occurred but shall not include the name of any victim. Upon the disposition of any such case, the juvenile office or prosecuting attorney or their designee shall send a second notification to the superintendent providing the disposition of the case, including a brief summary of the relevant finding of facts, no later than five days following the disposition of the case.

3. The superintendent or the designee of the superintendent shall report such information to teachers and other school district employees with a need to know while acting within the scope of their assigned duties. Any information received by school district officials pursuant to this section shall be received in confidence and used for the limited purpose of assuring that good order and discipline is maintained in the school. This information shall not be used as the sole basis for not providing educational services to a public school pupil.

4. The superintendent shall notify the appropriate division of the juvenile or family court upon any pupil's suspension for more than ten days or expulsion of any pupil that the school district is aware is under the jurisdiction of the court.

5. The superintendent or the superintendent's designee may be called to serve in a consultant capacity at any dispositional proceedings pursuant to section 211.031 which may involve reference to a pupil's academic treatment plan.

6. Upon the transfer of any pupil described in this section to any other school district in this state, the superintendent or the superintendent's designee shall forward the written notification given to the superintendent pursuant to subsection 2 of this section to the superintendent of the new school district in which the pupil has enrolled. Such written notification shall be required again in the event of any subsequent transfer by the pupil.

7. As used in this section, the terms "school" and "school district" shall include any charter, private or parochial school or school district, and the term "superintendent" shall include the principal or equivalent chief school officer in the cases of charter, private or parochial schools.

8. The superintendent or the designee of the superintendent or other school employee who, in good faith, reports information in accordance with the terms of this section and section 160.261 shall not be civilly liable for providing such information.

167.171. 1. The school board in any district, by general rule and for the causes provided in section 167.161, may authorize the summary suspension of pupils by principals of schools for a period not to exceed ten school days and by the superintendent of schools for a period not to exceed one hundred and eighty school days. In case of a suspension by the superintendent for more than ten school days, the pupil, the pupil's parents or others having such pupil's custodial care may appeal the decision of the superintendent to the board or to a committee of board members appointed by the president of the board which shall have full authority to act in lieu of the board. Any suspension by a principal shall be immediately reported to the superintendent who may revoke the suspension at any time. In event of an appeal to the board, the superintendent shall promptly transmit to it a full report in writing of the facts relating to the suspension, the action taken by the superintendent and the reasons therefor and the board, upon request, shall grant a hearing to the appealing party to be conducted as provided in section 167.161.

2. No pupil shall be suspended unless:

(1) The pupil shall be given oral or written notice of the charges against such pupil;

(2) If the pupil denies the charges, such pupil shall be given an oral or written explanation of the facts which form the basis of the proposed suspension;

(3) The pupil shall be given an opportunity to present such pupil's version of the incident; and

(4) In the event of a suspension for more than ten school days, where the pupil gives notice that such pupil wishes to appeal the suspension to the board, the suspension shall be stayed until the board renders its decision, unless in the judgment of the superintendent of schools, or of the district superintendent, the pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, in which case the pupil may be immediately removed from school, and the notice and hearing shall follow as soon as practicable.

3. No school board shall readmit or enroll a pupil properly suspended for more than ten consecutive school days for an act of school violence as defined in subsection 2 of section 160.261 regardless of whether or not such act was committed at a public school or at a private school in this state, provided that such act shall have resulted in the suspension or expulsion of such pupil in the case of a private school, or otherwise permit such pupil to attend school without first holding a conference to review the conduct that resulted in the expulsion or suspension and any remedial actions needed to prevent any future occurrences of such or related conduct. The conference shall include the appropriate school officials including any teacher employed in that school or district directly involved with the conduct that resulted in the suspension or expulsion, the pupil, the parent or guardian of the pupil or any agency having legal jurisdiction, care, custody or control of the pupil. The school board shall notify in writing the parents or guardians and all other parties of the time, place, and agenda of any such conference. Failure of any party to attend this conference shall not preclude holding the conference. Notwithstanding any provision of this subsection to the contrary, no pupil shall be readmitted or enrolled to a regular program of instruction if:

(1) Such pupil has been convicted of; or

(2) An indictment or information has been filed alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or

(3) A petition has been filed pursuant to section 211.091 alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or

(4) The pupil has been adjudicated to have committed an act which if committed by an adult would be one of the following:

(a) First degree murder under section 565.020;

(b) Second degree murder under section 565.021;

(c) First degree assault under section 565.050;

(d) Forcible rape under section 566.030 **as it existed prior to August 28, 2013, or rape in the first degree under section 566.030;**

(e) Forcible sodomy under section 566.060 **as it existed prior to August 28, 2013, or sodomy in the first degree under section 566.060;**

(f) Statutory rape under section 566.032;

(g) Statutory sodomy under section 566.062;

(h) Robbery in the first degree under section 569.020;

(i) Distribution of drugs to a minor under section 195.212;

(j) Arson in the first degree under section 569.040;

(k) Kidnapping, when classified as a class A felony under section 565.110. Nothing in this subsection shall prohibit the readmittance or enrollment of any pupil if a petition has been dismissed, or when a pupil has been acquitted or adjudicated not to have committed any of the above acts. This subsection shall not apply to a student with a disability, as identified under state eligibility criteria, who is convicted or adjudicated guilty as a result of an action related to the student's disability. Nothing in this subsection shall be construed to prohibit a school district which provides an alternative education program from enrolling a pupil in an alternative education program if the district determines such enrollment is appropriate.

4. If a pupil is attempting to enroll in a school district during a suspension or expulsion from another in-state or out-of-state school district including a private, charter or parochial school or school district, a conference with the superintendent or the superintendent's designee may be held at the request of the parent, court-appointed legal guardian, someone acting as a parent as defined by rule in the case of a special education student, or the pupil to consider if the conduct of the pupil would have resulted in a suspension or expulsion in the district in which the pupil is enrolling. Upon a determination by the superintendent or the superintendent's designee that such conduct would have resulted in a suspension or expulsion in the district in which the pupil is enrolling or attempting to enroll, the school district may make such suspension or expulsion from another school or district effective in the district in which the pupil is enrolling or attempting to enroll. Upon a determination by the superintendent or the superintendent's designee that such conduct would not have resulted in a suspension or expulsion in the district in which the student is enrolling or attempting to enroll, the school district shall not make such suspension or expulsion effective in its district in which the student is enrolling or attempting to enroll.

168.071. 1. The state board of education may refuse to issue or renew a certificate, or may, upon hearing, discipline the holder of a certificate of license to teach for the following causes:

(1) A certificate holder or applicant for a certificate has pleaded to or been found guilty of a felony or crime involving moral turpitude under the laws of this state, any other state, of the United States, or any other country, whether or not sentence is imposed;

(2) The certification was obtained through use of fraud, deception, misrepresentation or bribery;

(3) There is evidence of incompetence, immorality, or neglect of duty by the certificate holder;

(4) A certificate holder has been subject to disciplinary action relating to certification issued by another state, territory, federal agency, or country upon grounds for which discipline is authorized in this section; or

(5) If charges are filed by the local board of education, based upon the annulling of a written contract with the local board of education, for reasons other than election to the general assembly, without the consent of the majority of the members of the board that is a party to the contract.

2. A public school district may file charges seeking the discipline of a holder of a certificate of license to teach based upon any cause or combination of causes outlined in subsection 1 of this section, including annulment of a written contract. Charges shall be in writing, specify the basis for the charges, and be signed by the chief administrative officer of the district, or by the president of the board of education as authorized by a majority of the board of education. The board of education may also petition the office of the attorney general to file charges on behalf of the school district for any cause other than annulment of contract, with acceptance of the petition at the discretion of the attorney general.

3. The department of elementary and secondary education may file charges seeking the discipline of a holder of a certificate of license to teach based upon any cause or combination of causes outlined in subsection 1 of this section, other than annulment of contract. Charges shall be in writing, specify the basis for the charges, and be signed by legal counsel representing the department of elementary and secondary education.

4. If the underlying conduct or actions which are the basis for charges filed pursuant to this section are also the subject of a pending criminal charge against the person holding such certificate, the certificate holder may request, in writing, a delayed hearing on advice of counsel under the fifth amendment of the Constitution of the United States. Based upon such a request, no hearing shall be held until after a trial has been completed on this criminal charge.

5. The certificate holder shall be given not less than thirty days' notice of any hearing held pursuant to this section.

6. Other provisions of this section notwithstanding, the certificate of license to teach shall be revoked or, in the case of an applicant, a certificate shall not be issued, if the certificate holder or applicant has pleaded guilty to or been found guilty of any of the following offenses established pursuant to Missouri law or offenses of a similar nature established under the laws of any other state or of the United States, or any other country, whether or not the sentence is imposed:

7. When a certificate holder pleads guilty or is found guilty of any offense that would authorize the state board of education to seek discipline against that holder's certificate of license to teach, the local board of education or the department of elementary and secondary education shall immediately provide written notice to the state board of education and the attorney general regarding the plea of guilty or finding of guilty.

8. The certificate holder whose certificate was revoked pursuant to subsection 6 of this section may appeal such revocation to the state board of education. Notice of this appeal must be received by the commissioner of education within ninety days of notice of revocation pursuant to this subsection. Failure of the certificate holder to notify the commissioner of the intent to appeal waives all rights to appeal the revocation. Upon notice of the certificate holder's intent to appeal, an appeal hearing shall be held by a hearing officer designated by the commissioner of education, with the final decision made by the state board of education, based upon the record of that hearing. The certificate holder shall be given not less than thirty days' notice of the hearing, and an opportunity to be heard by the hearing officer, together with witnesses.

9. In the case of any certificate holder who has surrendered or failed to renew his or her certificate of license to teach, the state board of education may refuse to issue or renew, or may suspend or revoke, such certificate for any of the reasons contained in this section.

10. In those cases where the charges filed pursuant to this section are based upon an allegation of misconduct involving a minor child, the hearing officer may accept into the record the sworn testimony of the minor child relating to the misconduct received in any court or administrative hearing.

11. Hearings, appeals or other matters involving certificate holders, licensees or applicants pursuant to this section may be informally resolved by consent agreement or agreed settlement or voluntary surrender of the certificate of license pursuant to the rules promulgated by the state board of education.

12. The final decision of the state board of education is subject to judicial review pursuant to sections 536.100 to 536.140.

13. A certificate of license to teach to an individual who has been convicted of a felony or crime involving moral turpitude, whether or not sentence is imposed, shall be issued only upon motion of the state board of education adopted by a unanimous affirmative vote of those members present and voting.

188.023. Any licensed health care professional who delivers a baby or performs an abortion, who has prima facie evidence that a patient has been the victim of statutory rape in the first degree or statutory rape in the second degree, or if the patient is under the age of eighteen, that he or she has been a victim of sexual abuse, including [forcible rape, sexual assault] **rape in the first or second degree**, or incest, shall be required to report such offenses in the same manner as provided for by section 210.115.

211.071. 1. If a petition alleges that a child between the ages of twelve and seventeen has committed an offense which would be considered a felony if committed by an adult, the court may, upon its own motion or upon motion by the juvenile officer, the child or the child's custodian, order a hearing and may, in its discretion, dismiss the petition and such child may be transferred to the court of general jurisdiction and prosecuted under the general law; except that if a petition alleges that any child has committed an offense which would be considered first degree murder under section 565.020, second degree murder under section 565.021, first degree assault under section 565.050, forcible rape under section 566.030 **as it existed prior to August 28, 2013, rape in the first degree under section 566.030**, forcible sodomy under section 566.060 **as it existed prior to August 28, 2013, sodomy in the first degree under section 566.060**, first degree robbery under section 569.020, or distribution of drugs under section 195.211, or has committed two or more prior unrelated offenses which would be felonies if committed by an adult, the court shall order a hearing, and may in its discretion, dismiss the petition and transfer the child to a court of general jurisdiction for prosecution under the general law.

2. Upon apprehension and arrest, jurisdiction over the criminal offense allegedly committed by any person between seventeen and twenty-one years of age over whom the juvenile court has retained continuing jurisdiction shall automatically terminate and that offense shall be dealt with in the court of general jurisdiction as provided in section 211.041.

3. Knowing and willful age misrepresentation by a juvenile subject shall not affect any action or proceeding which occurs based upon the misrepresentation. Any evidence obtained during the period of time in which a child misrepresents his or her age may be used against the child and will be subject only to rules of evidence applicable in adult proceedings.

4. Written notification of a transfer hearing shall be given to the juvenile and his or her custodian in the same manner as provided in sections 211.101 and 211.111. Notice of the hearing may be waived by the custodian. Notice shall contain a statement that the purpose of the hearing is to determine whether the child is a proper subject to be dealt with under the provisions of this chapter, and that if the court finds that the

child is not a proper subject to be dealt with under the provisions of this chapter, the petition will be dismissed to allow for prosecution of the child under the general law.

5. The juvenile officer may consult with the office of prosecuting attorney concerning any offense for which the child could be certified as an adult under this section. The prosecuting or circuit attorney shall have access to police reports, reports of the juvenile or deputy juvenile officer, statements of witnesses and all other records or reports relating to the offense alleged to have been committed by the child. The prosecuting or circuit attorney shall have access to the disposition records of the child when the child has been adjudicated pursuant to subdivision (3) of subsection 1 of section 211.031. The prosecuting attorney shall not divulge any information regarding the child and the offense until the juvenile court at a judicial hearing has determined that the child is not a proper subject to be dealt with under the provisions of this chapter.

6. A written report shall be prepared in accordance with this chapter developing fully all available information relevant to the criteria which shall be considered by the court in determining whether the child is a proper subject to be dealt with under the provisions of this chapter and whether there are reasonable prospects of rehabilitation within the juvenile justice system. These criteria shall include but not be limited to:

(1) The seriousness of the offense alleged and whether the protection of the community requires transfer to the court of general jurisdiction;

(2) Whether the offense alleged involved viciousness, force and violence;

(3) Whether the offense alleged was against persons or property with greater weight being given to the offense against persons, especially if personal injury resulted;

(4) Whether the offense alleged is a part of a repetitive pattern of offenses which indicates that the child may be beyond rehabilitation under the juvenile code;

(5) The record and history of the child, including experience with the juvenile justice system, other courts, supervision, commitments to juvenile institutions and other placements;

(6) The sophistication and maturity of the child as determined by consideration of his home and environmental situation, emotional condition and pattern of living;

(7) The age of the child;

(8) The program and facilities available to the juvenile court in considering disposition;

(9) Whether or not the child can benefit from the treatment or rehabilitative programs available to the juvenile court; and

(10) Racial disparity in certification.

7. If the court dismisses the petition to permit the child to be prosecuted under the general law, the court shall enter a dismissal order containing:

(1) Findings showing that the court had jurisdiction of the cause and of the parties;

(2) Findings showing that the child was represented by counsel;

(3) Findings showing that the hearing was held in the presence of the child and his counsel; and

(4) Findings showing the reasons underlying the court's decision to transfer jurisdiction.

8. A copy of the petition and order of the dismissal shall be sent to the prosecuting attorney.

9. When a petition has been dismissed thereby permitting a child to be prosecuted under the general law, the jurisdiction of the juvenile court over that child is forever terminated, except as provided in subsection 10 of this section, for an act that would be a violation of a state law or municipal ordinance.

10. If a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the child is found not guilty by a court of general jurisdiction, the juvenile court shall have jurisdiction over any later offense committed by that child which would be considered a misdemeanor or felony if committed by an adult, subject to the certification provisions of this section.

11. If the court does not dismiss the petition to permit the child to be prosecuted under the general law, it shall set a date for the hearing upon the petition as provided in section 211.171.

211.447. 1. Any information that could justify the filing of a petition to terminate parental rights may be referred to the juvenile officer by any person. The juvenile officer shall make a preliminary inquiry and if it does not appear to the juvenile officer that a petition should be filed, such officer shall so notify the informant in writing within thirty days of the referral. Such notification shall include the reasons that the petition will not be filed. Thereupon, the informant may bring the matter directly to the attention of the judge of the juvenile court by presenting the information in writing, and if it appears to the judge that the information could justify the filing of a petition, the judge may order the juvenile officer to take further action, including making a further preliminary inquiry or filing a petition.

2. Except as provided for in subsection 4 of this section, a petition to terminate the parental rights of the child's parent or parents shall be filed by the juvenile officer or the division, or if such a petition has been filed by another party, the juvenile officer or the division shall seek to be joined as a party to the petition, when:

(1) Information available to the juvenile officer or the division establishes that the child has been in foster care for at least fifteen of the most recent twenty-two months; or

(2) A court of competent jurisdiction has determined the child to be an abandoned infant. For purposes of this subdivision, an "infant" means any child one year of age or under at the time of filing of the petition. The court may find that an infant has been abandoned if:

(a) The parent has left the child under circumstances that the identity of the child was unknown and could not be ascertained, despite diligent searching, and the parent has not come forward to claim the child; or

(b) The parent has, without good cause, left the child without any provision for parental support and without making arrangements to visit or communicate with the child, although able to do so; or

(3) A court of competent jurisdiction has determined that the parent has:

(a) Committed murder of another child of the parent; or

(b) Committed voluntary manslaughter of another child of the parent; or

(c) Aided or abetted, attempted, conspired or solicited to commit such a murder or voluntary manslaughter; or

(d) Committed a felony assault that resulted in serious bodily injury to the child or to another child of the parent.

3. A termination of parental rights petition shall be filed by the juvenile officer or the division, or if such a petition has been filed by another party, the juvenile officer or the division shall seek to be joined as a party to the petition, within sixty days of the judicial determinations required in subsection 2 of this section, except as provided in subsection 4 of this section. Failure to comply with this requirement shall not deprive the court of jurisdiction to adjudicate a petition for termination of parental rights which is filed outside of sixty days.

4. If grounds exist for termination of parental rights pursuant to subsection 2 of this section, the juvenile officer or the division may, but is not required to, file a petition to terminate the parental rights of the child's parent or parents if:

(1) The child is being cared for by a relative; or

(2) There exists a compelling reason for determining that filing such a petition would not be in the best interest of the child, as documented in the permanency plan which shall be made available for court review; or

(3) The family of the child has not been provided such services as provided for in section 211.183.

5. The juvenile officer or the division may file a petition to terminate the parental rights of the child's parent when it appears that one or more of the following grounds for termination exist:

(1) The child has been abandoned. For purposes of this subdivision a "child" means any child over one year of age at the time of filing of the petition. The court shall find that the child has been abandoned if, for a period of six months or longer:

(a) The parent has left the child under such circumstances that the identity of the child was unknown and could not be ascertained, despite diligent searching, and the parent has not come forward to claim the child; or

(b) The parent has, without good cause, left the child without any provision for parental support and without making arrangements to visit or communicate with the child, although able to do so;

(2) The child has been abused or neglected. In determining whether to terminate parental rights pursuant to this subdivision, the court shall consider and make findings on the following conditions or acts of the parent:

(a) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(b) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control of the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control;

(c) A severe act or recurrent acts of physical, emotional or sexual abuse toward the child or any child in the family by the parent, including an act of incest, or by another under circumstances that indicate that the parent knew or should have known that such acts were being committed toward the child or any child in the family; or

(d) Repeated or continuous failure by the parent, although physically or financially able, to provide the child with adequate food, clothing, shelter, or education as defined by law, or other care and control

necessary for the child's physical, mental, or emotional health and development. Nothing in this subdivision shall be construed to permit discrimination on the basis of disability or disease;

(3) The child has been under the jurisdiction of the juvenile court for a period of one year, and the court finds that the conditions which led to the assumption of jurisdiction still persist, or conditions of a potentially harmful nature continue to exist, that there is little likelihood that those conditions will be remedied at an early date so that the child can be returned to the parent in the near future, or the continuation of the parent-child relationship greatly diminishes the child's prospects for early integration into a stable and permanent home. In determining whether to terminate parental rights under this subdivision, the court shall consider and make findings on the following:

(a) The terms of a social service plan entered into by the parent and the division and the extent to which the parties have made progress in complying with those terms;

(b) The success or failure of the efforts of the juvenile officer, the division or other agency to aid the parent on a continuing basis in adjusting his circumstances or conduct to provide a proper home for the child;

(c) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(d) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control over the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control; or

(4) The parent has been found guilty or pled guilty to a felony violation of chapter 566 when the child or any child in the family was a victim, or a violation of section 568.020 when the child or any child in the family was a victim. As used in this subdivision, a "child" means any person who was under eighteen years of age at the time of the crime and who resided with such parent or was related within the third degree of consanguinity or affinity to such parent; or

(5) The child was conceived and born as a result of an act of forcible rape **or rape in the first degree**. When the biological father has pled guilty to, or is convicted of, the forcible rape **or rape in the first degree** of the birth mother, such a plea or conviction shall be conclusive evidence supporting the termination of the biological father's parental rights; or

(6) The parent is unfit to be a party to the parent and child relationship because of a consistent pattern of committing a specific abuse, including but not limited to abuses as defined in section 455.010, child abuse or drug abuse before the child or of specific conditions directly relating to the parent and child relationship either of which are determined by the court to be of a duration or nature that renders the parent unable, for the reasonably foreseeable future, to care appropriately for the ongoing physical, mental or emotional needs of the child. It is presumed that a parent is unfit to be a party to the parent-child relationship upon a showing that within a three-year period immediately prior to the termination adjudication, the parent's parental rights to one or more other children were involuntarily terminated pursuant to subsection 2 or 4 of this section or subdivisions (1), (2), (3) or (4) of subsection 5 of this section or similar laws of other states.

6. The juvenile court may terminate the rights of a parent to a child upon a petition filed by the juvenile officer or the division, or in adoption cases, by a prospective parent, if the court finds that the termination

is in the best interest of the child and when it appears by clear, cogent and convincing evidence that grounds exist for termination pursuant to subsection 2, 4 or 5 of this section.

7. When considering whether to terminate the parent-child relationship pursuant to subsection 2 or 4 of this section or subdivision (1), (2), (3) or (4) of subsection 5 of this section, the court shall evaluate and make findings on the following factors, when appropriate and applicable to the case:

(1) The emotional ties to the birth parent;

(2) The extent to which the parent has maintained regular visitation or other contact with the child;

(3) The extent of payment by the parent for the cost of care and maintenance of the child when financially able to do so including the time that the child is in the custody of the division or other child-placing agency;

(4) Whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within an ascertainable period of time;

(5) The parent's disinterest in or lack of commitment to the child;

(6) The conviction of the parent of a felony offense that the court finds is of such a nature that the child will be deprived of a stable home for a period of years; provided, however, that incarceration in and of itself shall not be grounds for termination of parental rights;

(7) Deliberate acts of the parent or acts of another of which the parent knew or should have known that subjects the child to a substantial risk of physical or mental harm.

8. The court may attach little or no weight to infrequent visitations, communications, or contributions. It is irrelevant in a termination proceeding that the maintenance of the parent-child relationship may serve as an inducement for the parent's rehabilitation.

9. In actions for adoption pursuant to chapter 453, the court may hear and determine the issues raised in a petition for adoption containing a prayer for termination of parental rights filed with the same effect as a petition permitted pursuant to subsection 2, 4, or 5 of this section.

10. The disability or disease of a parent shall not constitute a basis for a determination that a child is a child in need of care, for the removal of custody of a child from the parent, or for the termination of parental rights without a specific showing that there is a causal relation between the disability or disease and harm to the child.

“32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. The ordinance or order shall reflect the effective date thereof.

2. Any local sales tax so adopted shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of adoption of the local sales tax, except as provided in subsection 18 of this section, **and shall be imposed on all transactions on which the Missouri state sales tax is imposed.**

3. Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

4. The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

5. **(1)** The ordinance or order imposing a local sales tax under the local sales tax law shall impose **a tax** upon all [sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail] **transactions upon which the Missouri state sales tax is imposed** to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the sum of the combined rate of the state sales tax or state highway use tax and all local sales taxes imposed under the provisions of

the local sales tax law.

(2) Notwithstanding any other provision of law to the contrary, local taxing jurisdictions, except those in which voters have previously approved a local use tax under section 144.757, shall have placed on the ballot on or after the general election in November 2014, but no later than the general election in November 2016, whether to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 and purchased from a source other than a licensed Missouri dealer. The ballot question presented to the local voters shall contain substantially the following language:

Shall the (local jurisdiction's name) discontinue applying and collecting the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer? Approval of this measure will result in a reduction of local revenue to provide for vital services for (local jurisdiction's name) and it will place Missouri dealers of motor vehicles, outboard motors, boats, and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers.

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(3) If the ballot question set forth in subdivision (2) of this subsection receives a majority of the votes cast in favor of the proposal, or if the local taxing jurisdiction fails to place the ballot question before the voters on or before the general election in November 2016, the local taxing jurisdiction shall cease applying the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer.

(4) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters, the governing body of any local taxing jurisdiction that had previously imposed a local use tax on the use of motor vehicles, trailers, boats, and outboard motors may, at any time, place a proposal on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(5) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters on or after the general election in November 2014, and on or before the general election in November 2016, whenever the governing body of any local taxing jurisdiction imposing a local sales tax on the sale of motor vehicles, trailers, boats, and outboard motors receives a petition, signed by fifteen percent of the registered voters of such jurisdiction voting in the last gubernatorial election, calling for a proposal to be placed on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer, the governing body shall

submit to the voters of such jurisdiction a proposal to repeal application of the local sales tax to such titling. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(6) Nothing in this subsection shall be construed to authorize the voters of any jurisdiction to repeal application of any state sales or use tax.

(7) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is repealed, such repeal shall take effect on the first day of the second calendar quarter after the election. If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is required to cease to be applied or collected due to failure of a local taxing jurisdiction to hold an election pursuant to subdivision (2) of this subsection, such cessation shall take effect on March 1, 2017.

6. On and after the effective date of any local sales tax imposed under the provisions of the local sales tax law, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes authorized under the authority of the local sales tax law. All local sales taxes imposed under the local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

8. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525, as these sections now read and as they may hereafter be amended, it being the intent of this general assembly to ensure that the same sales tax exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

9. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of the local sales tax law, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from any local sales tax imposed by the local sales tax law.

10. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under the provisions of the state sales tax law are hereby allowed and made applicable to any local sales tax collected under the provisions of the local sales tax law.

11. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of the

provisions of those sections are hereby made applicable to violations of the provisions of the local sales tax law.

12. (1) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales, except the sale of motor vehicles, trailers, boats, and outboard motors **required to be titled under the laws of the state of Missouri**, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, **the sales tax upon the titling of** all [sales of] motor vehicles, trailers, boats, and outboard motors shall be [deemed to be consummated] **imposed** at the **rate in effect at the location of the** residence of the purchaser and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

(3) For the purposes of any local tax imposed by an ordinance or under the local sales tax law on charges for mobile telecommunications services, all taxes of mobile telecommunications service shall be imposed as provided in the Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 through 124, as amended.

13. Local sales taxes [imposed pursuant to the local sales tax law] **shall not be imposed on the seller** [on the purchase and sale] of motor vehicles, trailers, boats, and outboard motors [shall not be collected and remitted by the seller,] **required to be titled under the laws of the state of Missouri**, but shall be collected **from the purchaser** by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

14. The director of revenue and any of his deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering himself and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

15. The director of revenue shall annually report on his management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. He shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by him for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

16. Within the boundaries of any taxing entity where one or more local sales taxes have been imposed,

if any person is delinquent in the payment of the amount required to be paid by him under the local sales tax law or in the event a determination has been made against him for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

17. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

18. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.”; and

Further amend said bill, Section 115.601, Page 12, Line 48, by inserting after all of said Section and Line the following:

“144.020. 1. A tax is hereby levied and imposed **for the privilege of titling new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be titled under the laws of the state of Missouri and, except as provided in subdivision (9) of this subsection,** upon all sellers for the privilege of engaging in the business of selling tangible personal property or rendering taxable service at retail in this state. The rate of tax shall be as follows:

(1) Upon every retail sale in this state of tangible personal property, [including but not limited to] **excluding** motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats and outboard motors **required to be titled under the laws of the state of Missouri and subject to tax under subdivision (9) of this subsection,** a tax equivalent to four percent of the purchase price paid or charged, or in case such sale involves the exchange of property, a tax equivalent to four percent of the consideration paid or charged, including the fair market value of the property exchanged at the time and place of the exchange, except as otherwise provided in section 144.025;

(2) A tax equivalent to four percent of the amount paid for admission and seating accommodations, or fees paid to, or in any place of amusement, entertainment or recreation, games and athletic events;

(3) A tax equivalent to four percent of the basic rate paid or charged on all sales of electricity or

electrical current, water and gas, natural or artificial, to domestic, commercial or industrial consumers;

(4) A tax equivalent to four percent on the basic rate paid or charged on all sales of local and long distance telecommunications service to telecommunications subscribers and to others through equipment of telecommunications subscribers for the transmission of messages and conversations and upon the sale, rental or leasing of all equipment or services pertaining or incidental thereto; except that, the payment made by telecommunications subscribers or others, pursuant to section 144.060, and any amounts paid for access to the internet or interactive computer services shall not be considered as amounts paid for telecommunications services;

(5) A tax equivalent to four percent of the basic rate paid or charged for all sales of services for transmission of messages of telegraph companies;

(6) A tax equivalent to four percent on the amount of sales or charges for all rooms, meals and drinks furnished at any hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp or other place in which rooms, meals or drinks are regularly served to the public;

(7) A tax equivalent to four percent of the amount paid or charged for intrastate tickets by every person operating a railroad, sleeping car, dining car, express car, boat, airplane and such buses and trucks as are licensed by the division of motor carrier and railroad safety of the department of economic development of Missouri, engaged in the transportation of persons for hire;

(8) A tax equivalent to four percent of the amount paid or charged for rental or lease of tangible personal property, provided that if the lessor or renter of any tangible personal property had previously purchased the property under the conditions of "sale at retail" or leased or rented the property and the tax was paid at the time of purchase, lease or rental, the lessor, sublessor, renter or subrenter shall not apply or collect the tax on the subsequent lease, sublease, rental or subrental receipts from that property. The purchase, rental or lease of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors shall be taxed and the tax paid as provided in this section and section 144.070. In no event shall the rental or lease of boats and outboard motors be considered a sale, charge, or fee to, for or in places of amusement, entertainment or recreation nor shall any such rental or lease be subject to any tax imposed to, for, or in such places of amusement, entertainment or recreation. Rental and leased boats or outboard motors shall be taxed under the provisions of the sales tax laws as provided under such laws for motor vehicles and trailers. Tangible personal property which is exempt from the sales or use tax under section 144.030 upon a sale thereof is likewise exempt from the sales or use tax upon the lease or rental thereof.

(9) A tax equivalent to four percent of the purchase price, as defined in section 144.070, of new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri. This tax is imposed on the person titling such property, and shall be paid according to the procedures in section 144.440.

2. All tickets sold which are sold under the provisions of sections 144.010 to 144.525 which are subject to the sales tax shall have printed, stamped or otherwise endorsed thereon, the words "This ticket is subject to a sales tax."

144.021. The purpose and intent of sections 144.010 to 144.510 is to impose a tax upon the privilege of engaging in the business, in this state, of selling tangible personal property and those services listed in section 144.020 **and for the privilege of titling new and used motor vehicles, trailers, boats, and**

outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri. Except as otherwise provided, the primary tax burden is placed upon the seller making the taxable sales of property or service and is levied at the rate provided for in section 144.020. Excluding **subdivision (9) of subsection 1 of section 144.020 and** sections 144.070, 144.440 and 144.450, the extent to which a seller is required to collect the tax from the purchaser of the taxable property or service is governed by section 144.285 and in no way affects sections 144.080 and 144.100, which require all sellers to report to the director of revenue their “gross receipts”, defined herein to mean the aggregate amount of the sales price of all sales at retail, and remit tax at four percent of their gross receipts.

144.069. All sales **taxes associated with the titling** of motor vehicles, trailers, boats and outboard motors **under the laws of Missouri** shall be [deemed to be consummated] **imposed at the rate in effect at the location of the** address of the owner thereof, and all **sales taxes associated with the titling of vehicles under** leases of over sixty-day duration of motor vehicles, trailers, boats and outboard motors [subject to sales taxes under this chapter] shall be [deemed to be consummated] **imposed at the rate in effect,** unless the vehicle, trailer, boat or motor has been registered and sales taxes have been paid prior to the consummation of the lease agreement at the **location of the** address of the lessee thereof on the date the lease is consummated, and all applicable sales taxes levied by any political subdivision shall be collected on such sales **from the purchaser or lessee** by the state department of revenue on that basis.

144.071. 1. In all cases where the purchaser of a motor vehicle, trailer, boat or outboard motor rescinds the sale of that motor vehicle, trailer, boat or outboard motor and receives a refund of the purchase price and returns the motor vehicle, trailer, boat or outboard motor to the seller within sixty calendar days from the date of the sale, **any** [the sales or use] tax paid to the department of revenue shall be refunded to the purchaser upon proper application to the director of revenue.

2. In any rescission whereby a seller reacquires title to the motor vehicle, trailer, boat or outboard motor sold by him and the reacquisition is within sixty calendar days from the date of the original sale, the person reacquiring the motor vehicle, trailer, boat or outboard motor shall be entitled to a refund of any [sales or use] tax paid as a result of the reacquisition of the motor vehicle, trailer, boat or outboard motor, upon proper application to the director of revenue.

3. Any city or county [sales or use] tax refunds shall be deducted by the director of revenue from the next remittance made to that city or county.

4. Each claim for refund must be made within one year after payment of the tax on which the refund is claimed.

5. As used in this section, the term “boat” includes all motorboats and vessels as the terms “motorboat” and “vessel” are defined in section 306.010.

144.440. 1. [In addition to all other taxes now or hereafter levied and imposed upon every person for the privilege of using the highways or waterways of this state, there is hereby levied and imposed a tax equivalent to four percent of the purchase price, as defined in section 144.070, which is paid or charged on new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri.

2.] At the time the owner of any [such] motor vehicle, trailer, boat, or outboard motor makes application to the director of revenue for an official certificate of title and the registration of the same as otherwise

provided by law, he shall present to the director of revenue evidence satisfactory to the director showing the purchase price paid by or charged to the applicant in the acquisition of the motor vehicle, trailer, boat, or outboard motor, or that the motor vehicle, trailer, boat, or outboard motor is not subject to the tax herein provided and, if the motor vehicle, trailer, boat, or outboard motor is subject to the tax herein provided, the applicant shall pay or cause to be paid to the director of revenue the tax provided herein.

[3.] **2.** In the event that the purchase price is unknown or undisclosed, or that the evidence thereof is not satisfactory to the director of revenue, the same shall be fixed by appraisalment by the director.

[4.] **3.** No certificate of title shall be issued for such motor vehicle, trailer, boat, or outboard motor unless the tax for the privilege of using the highways or waters of this state has been paid or the vehicle, trailer, boat, or outboard motor is registered under the provisions of subsection 5 of this section.

[5.] **4.** The owner of any motor vehicle, trailer, boat, or outboard motor which is to be used exclusively for rental or lease purposes may pay the tax due thereon required in section 144.020 at the time of registration or in lieu thereof may pay a [use] **sales** tax as provided in sections 144.010, 144.020, 144.070 and 144.440. A [use] **sales** tax shall be charged and paid on the amount charged for each rental or lease agreement while the motor vehicle, trailer, boat, or outboard motor is domiciled in the state. If the owner elects to pay upon each rental or lease, he shall make an affidavit to that effect in such form as the director of revenue shall require and shall remit the tax due at such times as the director of revenue shall require.

[6.] **5.** In the event that any leasing company which rents or leases motor vehicles, trailers, boats, or outboard motors elects to collect a [use] **sales** tax[,], all of its lease receipts would be subject to the [use] **sales** tax[,], regardless of whether or not the leasing company previously paid a sales tax when the vehicle, trailer, boat, or outboard motor was originally purchased.

[7.] **6.** The provisions of this section, and the tax imposed by this section, shall not apply to manufactured homes.

144.450. In order to avoid double taxation under the provisions of sections 144.010 to 144.510, any person who purchases a motor vehicle, trailer, manufactured home, boat, or outboard motor in any other state and seeks to register or obtain a certificate of title for it in this state shall be credited with the amount of any sales tax or use tax shown to have been previously paid by him on the purchase price of such motor vehicle, trailer, boat, or outboard motor in such other state. The tax imposed by **subdivision (9) of subsection 1 of section [144.440] 144.020** shall not apply:

(1) [To motor vehicles, trailers, boats, or outboard motors on account of which the sales tax provided by sections 144.010 to 144.510 shall have been paid;

(2)] To motor vehicles, trailers, boats, or outboard motors brought into this state by a person moving any such vehicle, trailer, boat, or outboard motor into Missouri from another state who shall have registered and in good faith regularly operated any such motor vehicle, trailer, boat, or outboard motor in such other state at least ninety days prior to the time it is registered in this state;

[(3)] **(2)** To motor vehicles, trailers, boats, or outboard motors acquired by registered dealers for resale;

[(4)] **(3)** To motor vehicles, trailers, boats, or outboard motors purchased, owned or used by any religious, charitable or eleemosynary institution for use in the conduct of regular religious, charitable or eleemosynary functions and activities;

[(5)] **(4)** To motor vehicles owned and used by religious organizations in transferring pupils to and from

schools supported by such organization;

[(6)] **(5)** Where the motor vehicle, trailer, boat, or outboard motor has been acquired by the applicant for a certificate of title therefor by gift or under a will or by inheritance, and the tax hereby imposed has been paid by the donor or decedent;

[(7)] **(6)** To any motor vehicle, trailer, boat, or outboard motor owned or used by the state of Missouri or any other political subdivision thereof, or by an educational institution supported by public funds; or

[(8)] **(7)** To farm tractors.

144.455. The tax imposed by **subdivision (9) of subsection 1 of section [144.440] 144.020** on motor vehicles and trailers is levied for the purpose of providing revenue to be used by this state to defray in whole or in part the cost of constructing, widening, reconstructing, maintaining, resurfacing and repairing the public highways, roads and streets of this state, and the cost and expenses incurred in the administration and enforcement of **subdivision (9) of subsection 1 of section 144.020 and** sections 144.440 to 144.455, and for no other purpose whatsoever, and all revenue collected or received by the director of revenue from the tax imposed by **subdivision (9) of subsection 1 of section [144.440] 144.020** on motor vehicles and trailers shall be promptly deposited [in the state treasury to the credit of the state highway department fund] **as dictated by article IV, section 30(b) of the Constitution of Missouri.**

144.525. Notwithstanding any other provision of law, the amount of any state and local sales [or use] taxes due on the purchase of a motor vehicle, trailer, boat or outboard motor required to be registered under the provisions of sections 301.001 to 301.660 and sections 306.010 to 306.900 shall be computed on the rate of such taxes in effect on the date the purchaser submits application for a certificate of ownership to the director of revenue; except that, in the case of a sale at retail, of an outboard motor by a retail business which is not required to be registered under the provisions of section 301.251, the amount of state and local [sales and use] taxes due shall be computed on the rate of such taxes in effect as of the calendar date of the retail sale.

144.610. 1. A tax is imposed for the privilege of storing, using or consuming within this state any article of tangible personal property, **excluding motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors required to be titled under the laws of the state of Missouri and subject to tax under subdivision (9) of subsection 1 of section 144.020**, purchased on or after the effective date of sections 144.600 to 144.745 in an amount equivalent to the percentage imposed on the sales price in the sales tax law in section 144.020. This tax does not apply with respect to the storage, use or consumption of any article of tangible personal property purchased, produced or manufactured outside this state until the transportation of the article has finally come to rest within this state or until the article has become commingled with the general mass of property of this state.

2. Every person storing, using or consuming in this state tangible personal property **subject to the tax in subsection 1 of this section** is liable for the tax imposed by this law, and the liability shall not be extinguished until the tax is paid to this state, but a receipt from a vendor authorized by the director of revenue under the rules and regulations that he prescribes to collect the tax, given to the purchaser in accordance with the provisions of section 144.650, relieves the purchaser from further liability for the tax to which receipt refers.

3. Because this section no longer imposes a Missouri use tax on the storage, use, or consumption of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors required

to be titled under the laws of the state of Missouri, in that the state sales tax is now imposed on the titling of such property, the local sales tax, rather than the local use tax, applies.

144.613. Notwithstanding the provisions of section 144.655, at the time the owner of any new or used boat or boat motor which was acquired after December 31, 1979, in a transaction subject to [use] tax under [the Missouri use tax law] **this chapter** makes application to the director of revenue for the registration of the boat or boat motor, he shall present to the director of revenue evidence satisfactory to the director of revenue showing the purchase price, exclusive of any charge incident to the extension of credit, paid by or charged to the applicant in the acquisition of the boat or boat motor, or that no sales or use tax was incurred in its acquisition, and, if [sales or use] tax was incurred in its acquisition, that the same has been paid, or the applicant shall pay or cause to be paid to the director of revenue the [use] tax provided by [the Missouri use tax law] **this chapter** in addition to the registration fees now or hereafter required according to law, and the director of revenue shall not issue a registration for any new or used boat or boat motor subject to [use] tax [as provided in the Missouri use tax law] **in this chapter** until the tax levied for the use of the same under [sections 144.600 to 144.748] **this chapter** has been paid.

144.615. There are specifically exempted from the taxes levied in sections 144.600 to 144.745:

(1) Property, the storage, use or consumption of which this state is prohibited from taxing pursuant to the constitution or laws of the United States or of this state;

(2) Property, the gross receipts from the sale of which are required to be included in the measure of the tax imposed pursuant to the Missouri sales tax law;

(3) Tangible personal property, the sale or other transfer of which, if made in this state, would be exempt from or not subject to the Missouri sales tax pursuant to the provisions of subsection 2 of section 144.030;

(4) Motor vehicles, trailers, boats, and outboard motors subject to the tax imposed by section [144.440] **144.020**;

MESSAGES FROM THE GOVERNOR

The following message was received from the Governor, reading of which was waived:

GOVERNOR OF MISSOURI
JEFFERSON CITY
65102
May 14, 2013

TO THE SECRETARY OF THE SENATE
97TH GENERAL ASSEMBLY
FIRST REGULAR SESSION
STATE OF MISSOURI

Herewith I return to you Senate Bill No. 350 entitled:

AN ACT

To repeal sections 135.010, 135.025, and 135.030, RSMo, and to enact in lieu thereof three new sections relating to funds for vulnerable persons.

I disapprove of Senate Bill No. 350. My reasons for disapproval are as follows:

Senate Bill No. 350 is not comprehensive tax credit reform. Instead, it eliminates only part of a single program – the renters' portion of the Property Tax Credit – that assists low income seniors and disabled individuals.

Effective tax credit reform must be broad-based and designed to ensure that all tax credit programs provide a strong return for taxpayers, our communities and our economy. Such an approach is fiscally prudent and would build upon the State of Missouri's strong financial foundation. Senate Bill No. 350 does not constitute comprehensive tax credit reform.

Moreover, savings from the repeal of the renters' portion of the Property Tax Credit would not be used to assist Missouri seniors. Instead, the fiscal year 2014 budget directs savings that would be realized from the program's repeal to programs unrelated to seniors. Thus, under Senate Bill No. 350, seniors would lose their existing tax benefit and those savings would be directed elsewhere. Such a scenario is not acceptable.

In accordance with the above stated reasons for disapproval, I am returning Senate Bill No. 350 without my approval.

Respectfully submitted,
Jeremiah W. (Jay) Nixon
Governor

On motion of Senator Richard, the Senate recessed until 7:30 p.m.

2. On any purchase where the estimated expenditure shall be twenty-five thousand dollars or over, except as provided in subsection 5 of this section, the commissioner of administration shall:

(1) Advertise for bids in at least two daily newspapers of general circulation in such places as are most likely to reach prospective bidders and may advertise in at least two weekly minority newspapers and may provide such information through an electronic medium available to the general public at least five days before bids for such purchases are to be opened. Other methods of advertisement, which may include minority business purchase councils, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased;

(2) Post a notice of the proposed purchase in his or her office; and

(3) Solicit bids by mail or other reasonable method generally available to the public from prospective suppliers. All bids for such supplies shall be mailed or delivered to the office of the commissioner of administration so as to reach such office before the time set for opening bids.

3. The contract shall be let to the lowest and best bidder. The commissioner of administration shall have the right to reject any or all bids and advertise for new bids, or purchase the required supplies on the open market if they can be so purchased at a better price. When bids received pursuant to this section are unreasonable or unacceptable as to terms and conditions, noncompetitive, or the low bid exceeds available funds and it is determined in writing by the commissioner of administration that time or other circumstances will not permit the delay required to resolicit competitive bids, a contract may be negotiated pursuant to this section, provided that each responsible bidder who submitted such bid under the original solicitation is notified of the determination and is given a reasonable opportunity to modify their bid and submit a best and final bid to the state. In cases where the bids received are noncompetitive or the low bid exceeds available funds, the negotiated price shall be lower than the lowest rejected bid of any responsible bidder under the original solicitation.

4. The director of the department of revenue shall follow bidding procedures pursuant to this section and may promulgate rules necessary to establish such procedures. No points shall be awarded on a request for proposal for a contract license office to a bidder for a return-to-the-state provision offer.

5. All bids shall be based on standard specifications wherever such specifications have been approved by the commissioner of administration. The commissioner of administration shall make rules governing the delivery, inspection, storage and distribution of all supplies so purchased and governing the manner in which all claims for supplies delivered shall be submitted, examined, approved and paid. The commissioner shall determine the amount of bond or deposit and the character thereof which shall accompany bids or contracts.

[5] 6. The department of natural resources may, without the approval of the commissioner of administration required pursuant to this section, enter into contracts of up to five hundred thousand dollars to abate illegal waste tire sites pursuant to section 260.276 when the director of the department determines that urgent action is needed to protect public health, safety, natural resources or the environment. The department shall follow bidding procedures pursuant to this section and may promulgate rules necessary to establish such procedures. Any rule or portion of a rule, as that term is defined in section 536.010, that

is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

[6] **7.** The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144. For the purposes of this section, “affiliate of the vendor” shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise.

3. All fees collected by a tax-exempt organization may be retained and used by the organization.

No confidential records shall be divulged in such a way to reveal personally identifiable information.”; and

HOUSE AMENDMENT NO. 3

Amend House Committee Substitute for Senate Bill No. 51, Page 1, Section A, Line 11, by inserting after all of said section the following:

“32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. The ordinance or order shall reflect the effective date thereof.

2. Any local sales tax so adopted shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of adoption of the local sales tax, except as provided in subsection 18 of this section, **and shall be imposed on all transactions on which the Missouri state sales tax is imposed.**

3. Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more

local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

4. The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

5. (1) The ordinance or order imposing a local sales tax under the local sales tax law shall impose **a tax** upon all [sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail] **transactions upon which the Missouri state sales tax is imposed** to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the sum of the combined rate of the state sales tax or state highway use tax and all local sales taxes imposed under the provisions of the local sales tax law.

(2) **Notwithstanding any other provision of law to the contrary, local taxing jurisdictions, except those in which voters have previously approved a local use tax under section 144.757, shall have placed on the ballot on or after the general election in November 2014, but no later than the general election in November 2016, whether to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 and purchased from vendors not located in Missouri. The ballot question presented to the local voters shall contain substantially the following language:**

Shall the (local jurisdiction's name) discontinue applying and collecting the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from vendors not located in Missouri? Approval of this measure will result in a reduction of local revenue to provide for vital services for (local jurisdiction's name) and it will place Missouri dealers of motor vehicles, outboard motors, boats, and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers.

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(3) **If the ballot question set forth in subdivision (2) of this subsection receives a majority of the votes cast in favor of the proposal, or if the local taxing jurisdiction fails to place the ballot question before the voters on or before the general election in November 2016, the local taxing jurisdiction shall cease applying the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from vendors not located in Missouri.**

(4) **In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters, the governing body of any local taxing jurisdiction that had previously imposed a local use tax on the use of motor vehicles, trailers, boats, and outboard motors that were purchased from vendors not located in Missouri may, at any time, place a proposal on the ballot at any election to repeal application of the local sales tax to such titling. If a majority of the**

votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to such titling. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(5) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters on or after the general election in November 2014, and on or before the general election in November 2016, whenever the governing body of any local taxing jurisdiction imposing a local sales tax on the sale of motor vehicles, trailers, boats, and outboard motors receives a petition, signed by fifteen percent of the registered voters of such jurisdiction voting in the last gubernatorial election, calling for a proposal to be placed on the ballot at any election to repeal application of the local sales tax to such titling, the governing body shall submit to the voters of such jurisdiction a proposal to repeal application of the local sales tax to such titling. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to such titling. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(6) Nothing in this subsection shall be construed to authorize the voters of any jurisdiction to repeal application of any state sales or use tax.

(7) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from vendors located outside of Missouri is repealed, such repeal shall take effect on the first day of the second calendar quarter after the election. If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from vendors located outside of Missouri is required to cease to be applied or collected due to failure of a local taxing jurisdiction to hold an election, such cessation shall take effect on March 1, 2017.

6. On and after the effective date of any local sales tax imposed under the provisions of the local sales tax law, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes authorized under the authority of the local sales tax law. All local sales taxes imposed under the local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

8. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525, as these sections now read and as they may hereafter be amended, it being the intent of this general assembly to ensure that the same sales tax exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

9. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010

to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of the local sales tax law, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from any local sales tax imposed by the local sales tax law.

10. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under the provisions of the state sales tax law are hereby allowed and made applicable to any local sales tax collected under the provisions of the local sales tax law.

11. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of the provisions of those sections are hereby made applicable to violations of the provisions of the local sales tax law.

12. (1) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales, except the sale of motor vehicles, trailers, boats, and outboard motors **required to be titled under the laws of the state of Missouri**, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, **the sales tax upon the titling of** all [sales of] motor vehicles, trailers, boats, and outboard motors shall be [deemed to be consummated] **imposed at the rate in effect at the location of the** residence of the purchaser, **and remitted to that local taxing entity** and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

(3) For the purposes of any local tax imposed by an ordinance or under the local sales tax law on charges for mobile telecommunications services, all taxes of mobile telecommunications service shall be imposed as provided in the Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 through 124, as amended.

13. Local sales taxes [imposed pursuant to the local sales tax law] **shall not be imposed on the seller** [on the purchase and sale] of motor vehicles, trailers, boats, and outboard motors [shall not be collected and remitted by the seller,] **required to be titled under the laws of the state of Missouri**, but shall be collected **from the purchaser** by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

14. The director of revenue and any of his deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering himself and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

15. The director of revenue shall annually report on his management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. He shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by him for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

16. Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by him under the local sales tax law or in the event a determination has been made against him for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

17. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

18. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.

144.020. 1. A tax is hereby levied and imposed **for the privilege of titling new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be titled under the laws of the state of Missouri and, except as provided in paragraph (9) hereof,** upon all sellers for the privilege of engaging in the business of selling tangible personal property or rendering taxable service at retail in this state. The rate of tax shall be as follows:

(1) Upon every retail sale in this state of tangible personal property, [including but not limited to] **excluding** motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats and outboard motors **required to be titled under the laws of the state of Missouri and subject to tax under subdivision (9) of subsection (1) of section 144.020,** a tax equivalent to four percent of the purchase price paid or charged,

or in case such sale involves the exchange of property, a tax equivalent to four percent of the consideration paid or charged, including the fair market value of the property exchanged at the time and place of the exchange, except as otherwise provided in section 144.025;

(2) A tax equivalent to four percent of the amount paid for admission and seating accommodations, or fees paid to, or in any place of amusement, entertainment or recreation, games and athletic events;

(3) A tax equivalent to four percent of the basic rate paid or charged on all sales of electricity or electrical current, water and gas, natural or artificial, to domestic, commercial or industrial consumers;

(4) A tax equivalent to four percent on the basic rate paid or charged on all sales of local and long distance telecommunications service to telecommunications subscribers and to others through equipment of telecommunications subscribers for the transmission of messages and conversations and upon the sale, rental or leasing of all equipment or services pertaining or incidental thereto; except that, the payment made by telecommunications subscribers or others, pursuant to section 144.060, and any amounts paid for access to the internet or interactive computer services shall not be considered as amounts paid for telecommunications services;

(5) A tax equivalent to four percent of the basic rate paid or charged for all sales of services for transmission of messages of telegraph companies;

(6) A tax equivalent to four percent on the amount of sales or charges for all rooms, meals and drinks furnished at any hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp or other place in which rooms, meals or drinks are regularly served to the public;

(7) A tax equivalent to four percent of the amount paid or charged for intrastate tickets by every person operating a railroad, sleeping car, dining car, express car, boat, airplane and such buses and trucks as are licensed by the division of motor carrier and railroad safety of the department of economic development of Missouri, engaged in the transportation of persons for hire;

(8) A tax equivalent to four percent of the amount paid or charged for rental or lease of tangible personal property, provided that if the lessor or renter of any tangible personal property had previously purchased the property under the conditions of "sale at retail" or leased or rented the property and the tax was paid at the time of purchase, lease or rental, the lessor, sublessor, renter or subrenter shall not apply or collect the tax on the subsequent lease, sublease, rental or subrental receipts from that property. The purchase, rental or lease of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors shall be taxed and the tax paid as provided in this section and section 144.070. In no event shall the rental or lease of boats and outboard motors be considered a sale, charge, or fee to, for or in places of amusement, entertainment or recreation nor shall any such rental or lease be subject to any tax imposed to, for, or in such places of amusement, entertainment or recreation. Rental and leased boats or outboard motors shall be taxed under the provisions of the sales tax laws as provided under such laws for motor vehicles and trailers. Tangible personal property which is exempt from the sales or use tax under section 144.030 upon a sale thereof is likewise exempt from the sales or use tax upon the lease or rental thereof.

(9) A tax equivalent to four percent of the purchase price, as defined in section 144.070, of new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri. This tax is imposed on the person titling such property, and shall be paid according to the procedures in section 144.440.

2. All tickets sold which are sold under the provisions of sections 144.010 to 144.525 which are subject to the sales tax shall have printed, stamped or otherwise endorsed thereon, the words “This ticket is subject to a sales tax.”.

144.021. The purpose and intent of sections 144.010 to 144.510 is to impose a tax upon the privilege of engaging in the business, in this state, of selling tangible personal property and those services listed in section 144.020 **and for the privilege of titling new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri.** Except as otherwise provided, the primary tax burden is placed upon the seller making the taxable sales of property or service and is levied at the rate provided for in section 144.020. Excluding **subdivision (9) of subsection 1 of section 144.020 and** sections 144.070, 144.440 and 144.450, the extent to which a seller is required to collect the tax from the purchaser of the taxable property or service is governed by section 144.285 and in no way affects sections 144.080 and 144.100, which require all sellers to report to the director of revenue their “gross receipts”, defined herein to mean the aggregate amount of the sales price of all sales at retail, and remit tax at four percent of their gross receipts.

144.069. All sales **taxes associated with the titling** of motor vehicles, trailers, boats and outboard motors **under the laws of Missouri** shall be [deemed to be consummated] **imposed** at the **rate in effect at the location of the** address of the owner thereof, and all **sales taxes associated with the titling of vehicles under** leases of over sixty-day duration of motor vehicles, trailers, boats and outboard motors [subject to sales taxes under this chapter] shall be [deemed to be consummated] **imposed at the rate in effect**, unless the vehicle, trailer, boat or motor has been registered and sales taxes have been paid prior to the consummation of the lease agreement at the **location of the** address of the lessee thereof on the date the lease is consummated, and all applicable sales taxes levied by any political subdivision shall be collected **and remitted** on such sales **from the purchaser or lessee** by the state department of revenue on that basis.

144.071. 1. In all cases where the purchaser of a motor vehicle, trailer, boat or outboard motor rescinds the sale of that motor vehicle, trailer, boat or outboard motor and receives a refund of the purchase price and returns the motor vehicle, trailer, boat or outboard motor to the seller within sixty calendar days from the date of the sale, **any** [the sales or use] tax paid to the department of revenue shall be refunded to the purchaser upon proper application to the director of revenue.

2. In any rescission whereby a seller reacquires title to the motor vehicle, trailer, boat or outboard motor sold by him and the reacquisition is within sixty calendar days from the date of the original sale, the person reacquiring the motor vehicle, trailer, boat or outboard motor shall be entitled to a refund of any [sales or use] tax paid as a result of the reacquisition of the motor vehicle, trailer, boat or outboard motor, upon proper application to the director of revenue.

3. Any city or county [sales or use] tax refunds shall be deducted by the director of revenue from the next remittance made to that city or county.

4. Each claim for refund must be made within one year after payment of the tax on which the refund is claimed.

5. As used in this section, the term “boat” includes all motorboats and vessels as the terms “motorboat” and “vessel” are defined in section 306.010.

144.440. 1. [In addition to all other taxes now or hereafter levied and imposed upon every person for

the privilege of using the highways or waterways of this state, there is hereby levied and imposed a tax equivalent to four percent of the purchase price, as defined in section 144.070, which is paid or charged on new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this state which are required to be registered under the laws of the state of Missouri.

2.] At the time the owner of any [such] motor vehicle, trailer, boat, or outboard motor makes application to the director of revenue for an official certificate of title and the registration of the same as otherwise provided by law, he shall present to the director of revenue evidence satisfactory to the director showing the purchase price paid by or charged to the applicant in the acquisition of the motor vehicle, trailer, boat, or outboard motor, or that the motor vehicle, trailer, boat, or outboard motor is not subject to the tax herein provided and, if the motor vehicle, trailer, boat, or outboard motor is subject to the tax herein provided, the applicant shall pay or cause to be paid to the director of revenue the tax provided herein.

[3.] 2. In the event that the purchase price is unknown or undisclosed, or that the evidence thereof is not satisfactory to the director of revenue, the same shall be fixed by appraisalment by the director.

[4.] 3. No certificate of title shall be issued for such motor vehicle, trailer, boat, or outboard motor unless the tax for the privilege of using the highways or waters of this state has been paid or the vehicle, trailer, boat, or outboard motor is registered under the provisions of subsection 5 of this section.

[5.] 4. The owner of any motor vehicle, trailer, boat, or outboard motor which is to be used exclusively for rental or lease purposes may pay the tax due thereon required in section 144.020 at the time of registration or in lieu thereof may pay a [use] **sales** tax as provided in sections 144.010, 144.020, 144.070 and 144.440. A [use] **sales** tax shall be charged and paid on the amount charged for each rental or lease agreement while the motor vehicle, trailer, boat, or outboard motor is domiciled in the state. If the owner elects to pay upon each rental or lease, he shall make an affidavit to that effect in such form as the director of revenue shall require and shall remit the tax due at such times as the director of revenue shall require.

[6.] 5. In the event that any leasing company which rents or leases motor vehicles, trailers, boats, or outboard motors elects to collect a [use] **sales** tax[,], all of its lease receipts would be subject to the [use] **sales** tax[,], regardless of whether or not the leasing company previously paid a sales tax when the vehicle, trailer, boat, or outboard motor was originally purchased.

[7.] 6. The provisions of this section, and the tax imposed by this section, shall not apply to manufactured homes.

144.450. In order to avoid double taxation under the provisions of sections 144.010 to 144.510, any person who purchases a motor vehicle, trailer, manufactured home, boat, or outboard motor in any other state and seeks to register or obtain a certificate of title for it in this state shall be credited with the amount of any sales tax or use tax shown to have been previously paid by him on the purchase price of such motor vehicle, trailer, boat, or outboard motor in such other state. The tax imposed by **subdivision (9) of subsection 1 of** section 144.440 shall not apply:

(1) [To motor vehicles, trailers, boats, or outboard motors on account of which the sales tax provided by sections 144.010 to 144.510 shall have been paid;

(2)] To motor vehicles, trailers, boats, or outboard motors brought into this state by a person moving any such vehicle, trailer, boat, or outboard motor into Missouri from another state who shall have registered and in good faith regularly operated any such motor vehicle, trailer, boat, or outboard motor in such other state at least ninety days prior to the time it is registered in this state;

[(3)] (2) To motor vehicles, trailers, boats, or outboard motors acquired by registered dealers for resale;

[(4)] (3) To motor vehicles, trailers, boats, or outboard motors purchased, owned or used by any religious, charitable or eleemosynary institution for use in the conduct of regular religious, charitable or eleemosynary functions and activities;

[(5)] (4) To motor vehicles owned and used by religious organizations in transferring pupils to and from schools supported by such organization;

[(6)] (5) Where the motor vehicle, trailer, boat, or outboard motor has been acquired by the applicant for a certificate of title therefor by gift or under a will or by inheritance, and the tax hereby imposed has been paid by the donor or decedent;

[(7)] (6) To any motor vehicle, trailer, boat, or outboard motor owned or used by the state of Missouri or any other political subdivision thereof, or by an educational institution supported by public funds; or

[(8)] (7) To farm tractors.

144.455. The tax imposed by **subdivision (9) of subsection 1 of section [144.440] 144.020 on the titling of** motor vehicles and trailers is levied for the purpose of providing revenue to be used by this state to defray in whole or in part the cost of constructing, widening, reconstructing, maintaining, resurfacing and repairing the public highways, roads and streets of this state, and the cost and expenses incurred in the administration and enforcement of **subdivision (9) of subsection 1 of section 144.020 and** sections 144.440 to 144.455, and for no other purpose whatsoever, and all revenue collected or received by the director of revenue from the tax imposed by **subdivision (9) of subsection 1 of section [144.440] 144.020** on motor vehicles and trailers shall be promptly deposited [in the state treasury to the credit of the state highway department fund] **as dictated by article IV, section 30(b) of the Constitution of Missouri.**

144.525. Notwithstanding any other provision of law, the amount of any state and local sales [or use] taxes due on the purchase of a motor vehicle, trailer, boat or outboard motor required to be registered under the provisions of sections 301.001 to 301.660 and sections 306.010 to 306.900 shall be computed on the rate of such taxes in effect on the date the purchaser submits application for a certificate of ownership to the director of revenue; except that, in the case of a sale at retail, of an outboard motor by a retail business which is not required to be registered under the provisions of section 301.251, the amount of state and local [sales and use] taxes due shall be computed on the rate of such taxes in effect as of the calendar date of the retail sale.

144.610. 1. A tax is imposed for the privilege of storing, using or consuming within this state any article of tangible personal property, **excluding motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors required to be titled under the laws of the state of Missouri and subject to tax under subdivision (9) of subsection 1 of section 144.020**, purchased on or after the effective date of sections 144.600 to 144.745 in an amount equivalent to the percentage imposed on the sales price in the sales tax law in section 144.020. This tax does not apply with respect to the storage, use or consumption of any article of tangible personal property purchased, produced or manufactured outside this state until the transportation of the article has finally come to rest within this state or until the article has become commingled with the general mass of property of this state.

2. Every person storing, using or consuming in this state tangible personal property **subject to the tax in subsection 1** is liable for the tax imposed by this law, and the liability shall not be extinguished until the tax is paid to this state, but a receipt from a vendor authorized by the director of revenue under the rules and

regulations that he prescribes to collect the tax, given to the purchaser in accordance with the provisions of section 144.650, relieves the purchaser from further liability for the tax to which receipt refers.

3. Because this section no longer imposes a Missouri use tax on the storage, use, or consumption of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors required to be titled under the laws of the state of Missouri, in that the state sales tax is now imposed on the titling of such property, the local sales tax, rather than the local use tax, applies.

144.613. Notwithstanding the provisions of section 144.655, at the time the owner of any new or used boat or boat motor which was acquired after December 31, 1979, in a transaction subject to [use] tax under [the Missouri use tax law] **this chapter** makes application to the director of revenue for the registration of the boat or boat motor, he shall present to the director of revenue evidence satisfactory to the director of revenue showing the purchase price, exclusive of any charge incident to the extension of credit, paid by or charged to the applicant in the acquisition of the boat or boat motor, or that no sales or use tax was incurred in its acquisition, and, if [sales or use] tax was incurred in its acquisition, that the same has been paid, or the applicant shall pay or cause to be paid to the director of revenue the [use] tax provided by [the Missouri use tax law] **this chapter** in addition to the registration fees now or hereafter required according to law, and the director of revenue shall not issue a registration for any new or used boat or boat motor subject to [use] tax [as provided in the Missouri use tax law] **in this chapter** until the tax levied for the use of the same under [sections 144.600 to 144.748] **this chapter** has been paid.

144.615. There are specifically exempted from the taxes levied in sections 144.600 to 144.745:

(1) Property, the storage, use or consumption of which this state is prohibited from taxing pursuant to the constitution or laws of the United States or of this state;

(2) Property, the gross receipts from the sale of which are required to be included in the measure of the tax imposed pursuant to the Missouri sales tax law;

(3) Tangible personal property, the sale or other transfer of which, if made in this state, would be exempt from or not subject to the Missouri sales tax pursuant to the provisions of subsection 2 of section 144.030;

(4) Motor vehicles, trailers, boats, and outboard motors subject to the tax imposed by section [144.440] **144.020;**

(5) Tangible personal property which has been subjected to a tax by any other state in this respect to its sales or use; provided, if such tax is less than the tax imposed by sections 144.600 to 144.745, such property, if otherwise taxable, shall be subject to a tax equal to the difference between such tax and the tax imposed by sections 144.600 to 144.745;

(6) Tangible personal property held by processors, retailers, importers, manufacturers, wholesalers, or jobbers solely for resale in the regular course of business;

(7) Personal and household effects and farm machinery used while an individual was a bona fide resident of another state and who thereafter became a resident of this state, or tangible personal property brought into the state by a nonresident for his own storage, use or consumption while temporarily within the state.”; and

Further amend said bill, Page 31, Section 307.400, Line 81, by inserting after all of said section the following:

“Section 1. Notwithstanding the provisions of section 1.140 to the contrary, the provisions of

sections 32.087 and 144.757, as amended by this act, shall be nonseverable, and if any provision is for any reason held to be invalid, such decision shall invalidate all of the remaining provisions of section 32.087 and 144.757, as amended by this act.

Section B. Because of the need to replace local revenues which became unexpectedly unavailable for local governments to provide for local law enforcement, fire protection, emergency personnel, and other vital services and due to the detrimental impact that lost local revenues has had on the domestic economy by placing Missouri dealers of motor vehicles, outboard motors, boats and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats and trailers, section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and section A of this act shall be in full force and effect upon its passage and approval.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

The period of suspension of the driver's license and driving privilege of any person under the provisions of subdivision (8) of subsection 1 of section 302.302 or who has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 shall be thirty days, followed by a sixty-day period of restricted driving privilege as defined in section 302.010. Upon completion of such period of restricted driving privilege, upon compliance with other requirements of law and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. If a person, otherwise subject to the provisions of this subsection, files proof of installation with the department of revenue that any vehicle operated by such person is equipped with a functioning, certified ignition interlock device, [then the] **there shall be no** period of suspension [shall be fifteen days, followed by a seventy-five day]. **However, in lieu of a suspension the person shall instead complete a ninety-day** period of restricted driving privilege. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted driving privilege shall be terminated. Upon completion of such [seventy-five day] **ninety-day** period of restricted driving privilege, upon compliance with other requirements of law, and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such [seventy-five day] **ninety-day** period indicate that the ignition interlock device has registered a **confirmed** blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional [seventy-five day] **thirty-day** period of restricted driving privilege [without any such violations].

6. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, or, if applicable, if the person fails to maintain proof that any vehicle operated is equipped with a functioning, certified ignition interlock device installed pursuant to subsection 5 of this section, the person's driving privilege and license shall be resuspended.

7. The director shall revoke the license and driving privilege of any person when the person's driving record shows such person has accumulated twelve points in twelve months or eighteen points in twenty-four months or twenty-four points in thirty-six months. The revocation period of any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303 and is otherwise eligible, shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, except as provided in subsection 2 of section 302.541, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, the person's license and driving privilege shall be rerevoked. Any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 shall, upon receipt of the notice of termination of the revocation from the director, pass the complete driver examination and apply for a new license before again operating a motor vehicle upon the highways of this state.

8. If, prior to conviction for an offense that would require suspension or revocation of a person's license under the provisions of this section, the person's total points accumulated are reduced, pursuant to the

provisions of section 302.306, below the number of points required for suspension or revocation pursuant to the provisions of this section, then the person's license shall not be suspended or revoked until the necessary points are again obtained and accumulated.

9. If any person shall neglect or refuse to surrender the person's license, as provided herein, the director shall direct the state highway patrol or any peace or police officer to secure possession thereof and return it to the director.

10. Upon the issuance of a reinstatement or termination notice after a suspension or revocation of any person's license and driving privilege under the provisions of sections 302.010 to 302.540, the accumulated point value shall be reduced to four points, except that the points of any person serving as a member of the Armed Forces of the United States outside the limits of the United States during a period of suspension or revocation shall be reduced to zero upon the date of the reinstatement or termination of notice. It shall be the responsibility of such member of the Armed Forces to submit copies of official orders to the director of revenue to substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary notwithstanding, the effective date of the four points remaining on the record upon reinstatement or termination shall be the date of the reinstatement or termination notice.

11. No credit toward reduction of points shall be given during periods of suspension or revocation or any period of driving under a limited driving privilege granted by a court or the director of revenue.

12. Any person or nonresident whose license or privilege to operate a motor vehicle in this state has been suspended or revoked under this or any other law shall, before having the license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty dollars which shall be in addition to all other fees provided by law.

13. Notwithstanding any other provision of law to the contrary, if after two years from the effective date of any suspension or revocation issued under this chapter, the person or nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to operate a motor vehicle in this state.

14. No person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of subsection 1 of section 302.302 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision [(22)] **(24)** of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023 or of a

person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee in an amount to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 and section 577.001 or a program determined to be comparable by the department of mental health. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rate established pursuant to the provisions of section 32.065, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053.

16. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

17. Any person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a [violation under subdivision (9) of subsection 1 of section 302.302] **conviction for an intoxication-related traffic offense as defined under section 577.023, and who has a prior alcohol-related enforcement contact as defined under section 302.525**, shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement of the license. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months. If the person fails to maintain such proof with the director, the license shall be resuspended or revoked and the person shall be guilty of a class A misdemeanor.

[302.304. 1. The director shall notify by ordinary mail any operator of the point value charged against the operator's record when the record shows four or more points have been accumulated in a twelve-month period.

2. In an action to suspend or revoke a license or driving privilege under this section points shall be accumulated on the date of conviction. No case file of any conviction for a driving violation for which points may be assessed pursuant to section 302.302 may be closed until such time as a copy of the record of such conviction is forwarded to the department of revenue.

3. The director shall suspend the license and driving privileges of any person whose driving record shows the driver has accumulated eight points in eighteen months.

4. The license and driving privilege of any person whose license and driving privilege have been suspended under the provisions of sections 302.010 to 302.540 except those persons whose license and driving privilege have been suspended under the provisions of subdivision (8) of subsection 1 of section 302.302 or has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 and who has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible, shall be reinstated as follows:

(1) In the case of an initial suspension, thirty days after the effective date of the suspension;

(2) In the case of a second suspension, sixty days after the effective date of the suspension;

(3) In the case of the third and subsequent suspensions, ninety days after the effective date of the suspension.

Unless proof of financial responsibility is filed with the department of revenue, a suspension shall continue in effect for two years from its effective date.

5. The period of suspension of the driver's license and driving privilege of any person under the provisions of subdivision (8) of subsection 1 of section 302.302 or who has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 shall be thirty days, followed by a sixty-day period of restricted driving privilege as defined in section 302.010. Upon completion of such period of restricted driving privilege, upon compliance with other requirements of law and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated.

6. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, the person's driving privilege and license shall be resuspended.

7. The director shall revoke the license and driving privilege of any person when the person's driving record shows such person has accumulated twelve points in twelve months or eighteen points in twenty-four months or twenty-four points in thirty-six months. The revocation period of any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303 and is otherwise eligible, shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, except as provided in subsection 2 of section 302.541, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, the person's license and driving privilege shall be rerevoked. Any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 shall, upon receipt of the notice of termination of the revocation from the director, pass the complete driver

examination and apply for a new license before again operating a motor vehicle upon the highways of this state.

8. If, prior to conviction for an offense that would require suspension or revocation of a person's license under the provisions of this section, the person's total points accumulated are reduced, pursuant to the provisions of section 302.306, below the number of points required for suspension or revocation pursuant to the provisions of this section, then the person's license shall not be suspended or revoked until the necessary points are again obtained and accumulated.

9. If any person shall neglect or refuse to surrender the person's license, as provided herein, the director shall direct the state highway patrol or any peace or police officer to secure possession thereof and return it to the director.

10. Upon the issuance of a reinstatement or termination notice after a suspension or revocation of any person's license and driving privilege under the provisions of sections 302.010 to 302.540, the accumulated point value shall be reduced to four points, except that the points of any person serving as a member of the Armed Forces of the United States outside the limits of the United States during a period of suspension or revocation shall be reduced to zero upon the date of the reinstatement or termination of notice. It shall be the responsibility of such member of the Armed Forces to submit copies of official orders to the director of revenue to substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary notwithstanding, the effective date of the four points remaining on the record upon reinstatement or termination shall be the date of the reinstatement or termination notice.

11. No credit toward reduction of points shall be given during periods of suspension or revocation or any period of driving under a limited driving privilege granted by a court or the director of revenue.

12. Any person or nonresident whose license or privilege to operate a motor vehicle in this state has been suspended or revoked under this or any other law shall, before having the license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty dollars which shall be in addition to all other fees provided by law.

13. Notwithstanding any other provision of law to the contrary, if after two years from the effective date of any suspension or revocation issued under this chapter, the person or nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to operate a motor vehicle in this state.

14. No person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of subsection 1 of section 302.302 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (22) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517. The motion shall

name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023 or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee in an amount to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 and section 577.001 or a program determined to be comparable by the department of mental health. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rate established pursuant to the provisions of section 32.065, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053.

16. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the person fails to maintain such proof with the director, the license shall be resuspended or revoked and the person shall be guilty of a class A misdemeanor.]"; and

“[302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts, the director of revenue, or a commissioner operating under section 478.007 shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person’s reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

- (a) A business, occupation, or employment;
- (b) Seeking medical treatment for such operator;
- (c) Attending school or other institution of higher education;
- (d) Attending alcohol or drug treatment programs;
- (e) Seeking the required services of a certified ignition interlock device provider; or

(f) Any other circumstance the court or director finds would create an undue hardship on the operator;

the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator’s principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant’s driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303 for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303 for that vehicle.

(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of this subsection on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302, or a license denial under

paragraph (a) or (b) of subdivision (8) of this subsection, until the applicant has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege.

(5) The court order or the director's grant of the limited or restricted driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. Failure of the driver to maintain proof of financial responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(6) Except as provided in subdivision (8) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, or having left the scene of an accident as provided in section 577.060;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041 or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041 or a similar implied consent law of any other state; or

(g) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or due to a revocation pursuant to subsection 2 of section 302.525 if such person

has not completed such revocation.

(7) No person who possesses a commercial driver's license shall receive a limited driving privilege issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, cancelled, denied, or disqualified. Nothing in this section shall prohibit the issuance of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

(8) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of subsection 1 of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least three years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding three years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. The court or the director shall review the results of a criminal history check prior to granting any limited privilege under this subdivision. If the court or the director finds that the petitioner has been convicted, pled guilty to, or been found guilty of, or has a pending charge for any offense related to alcohol, controlled substances, or drugs, or has any other alcohol-related enforcement contact as defined in section 302.525 during the preceding three years, the court or the director shall not grant a limited driving privilege to the applicant.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of subsection 1 of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least two years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding two years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. The court or the director shall review the results of a criminal history check prior to granting any limited privilege under this subdivision. If the court or director finds that the petitioner has been convicted, pled guilty to, or been found guilty of, or has a pending charge for any offense related to alcohol, controlled substances, or drugs, or has any other alcohol-related enforcement contact as defined in section 302.525 during the preceding two years, the court or the director shall not grant a limited driving privilege to the applicant. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision.

(9) A DWI docket or court established under section 478.007 may grant a limited driving

privilege to a participant in or graduate of the program who would otherwise be ineligible for such privilege under another provision of law. The DWI docket or court shall not grant a limited driving privilege to a participant during his or her initial forty-five days of participation.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. Any person who petitions a court or makes application with the director for a limited driving privilege pursuant to paragraph (a) or (b) of subdivision (8) of subsection 3 of this section shall make application with the Missouri state highway patrol as provided in section 43.540 and shall submit two sets of fingerprints collected pursuant to standards as determined by the highway patrol. One set of fingerprints shall be used by the highway patrol to search the criminal history repository and the second set shall be forwarded to the Federal Bureau of Investigation for searching the federal criminal history files. At the time of application, the applicant shall supply to the highway patrol the court name and case number for the court where he or she has filed his or her petition for limited driving privileges. The applicant shall pay the fee for the state criminal history record information pursuant to section 43.530 and pay the appropriate fee determined by the Federal Bureau of Investigation for the federal criminal history record. The Missouri highway patrol, upon receipt of the results of the criminal history check, shall forward the results to the circuit court designated by the applicant and to the department. Notwithstanding the provisions of section 610.120, all records related to any criminal history check shall be accessible and available to the director and the court.

6. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.]

302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts, the director of revenue, or a commissioner operating under section 478.007 shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges, **except as provided under subdivision (8) of this subsection.** Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

- (a) A business, occupation, or employment;
- (b) Seeking medical treatment for such operator;
- (c) Attending school or other institution of higher education;
- (d) Attending alcohol or drug treatment programs;
- (e) Seeking the required services of a certified ignition interlock device provider; or
- (f) Any other circumstance the court or director finds would create an undue hardship on the operator[;],

the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303 for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303 for that vehicle.

(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of this subsection on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302, or a license denial under paragraph (a) or (b) of subdivision (8) of this subsection, or a license revocation under paragraph (h) of subdivision (6) of this subsection, until the applicant has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege. The ignition interlock device required for obtaining a limited driving privilege under paragraph (a) or (b) of subdivision (8) of this subsection shall have photo identification technology and global positioning system features.

(5) The court order or the director's grant of the limited or restricted driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. The court order or the director's grant of the limited or restricted driving privilege shall also indicate whether a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle with the limited driving privilege. A copy of any court order shall be sent by the clerk of the

court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. Failure of the driver to maintain proof of financial responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(6) Except as provided in subdivision (8) of this subsection, no person is eligible to receive a limited driving privilege [who] **whose license** at the time of application [for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license] has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of **subsection 1 of** section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, or having left the scene of an accident as provided in section 577.060;

(e) Due to a revocation for [the first time for] failure to submit to a chemical test pursuant to section 577.041 or due to a refusal to submit to a chemical test in any other state, [if] **unless** such person has [not] completed the first ninety days of such revocation[;

(f) Violation more than once of the provisions of section 577.041 or a similar implied consent law of any other state] **and files proof of installation with the department of revenue that any vehicle operated by such person is equipped with a functioning, certified ignition interlock device, provided the person is not otherwise ineligible for a limited driving privilege;**

[(g)] (f) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or

[(h)] (g) Due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed the first forty-five days of such revocation, provided the person is not otherwise ineligible for a limited driving privilege.

(7) No person who possesses a commercial driver's license shall receive a limited driving privilege issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, cancelled, denied, or disqualified. Nothing in this section shall prohibit the issuance

of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

(8) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of **subsection 1 of section 302.060**, to apply for a limited driving privilege pursuant to this subsection [if such person has served at least forty-five days of such disqualification or revocation]. Such person shall present evidence satisfactory to the court or the director that such [person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding forty-five days and that the] person's habits and conduct show that the person no longer poses a threat to the public safety of this state. **A circuit court shall grant a limited driving privilege to any individual who otherwise is eligible to receive a limited driving privilege, has filed proof of installation of a certified ignition interlock device, and has had no alcohol-related enforcement contacts since the alcohol-related enforcement contact that resulted in the person's license denial.**

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of **subsection 1 of section 302.060**, to apply for a limited driving privilege pursuant to this subsection [if such person has served at least forty-five days of such disqualification or revocation]. Such person shall present evidence satisfactory to the court or the director that such [person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding forty-five days and that the] person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision. **A circuit court shall grant a limited driving privilege to any individual who otherwise is eligible to receive a limited driving privilege, has filed proof of installation of a certified ignition interlock device, and has had no alcohol-related enforcement contacts since the alcohol-related enforcement contact that resulted in the person's license denial.**

(9) A DWI docket or court established under section 478.007 may grant a limited driving privilege to a participant in or graduate of the program who would otherwise be ineligible for such privilege under another provision of law. The DWI docket or court shall not grant a limited driving privilege to a participant during his or her initial forty-five days of participation.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.”; and

Further amend said bill, Page 3, Section 302.341, Line 46, by inserting after all of said section and line, the following:

“302.525. 1. The license suspension or revocation shall become effective fifteen days after the subject person has received the notice of suspension or revocation as provided in section 302.520, or is deemed to have received the notice of suspension or revocation by mail as provided in section 302.515. If a request for a hearing is received by or postmarked to the department within that fifteen-day period, the effective date of the suspension or revocation shall be stayed until a final order is issued following the hearing; provided, that any delay in the hearing which is caused or requested by the subject person or counsel representing that person without good cause shown shall not result in a stay of the suspension or revocation during the period of delay.

2. The period of license suspension or revocation under this section shall be as follows:

(1) If the person’s driving record shows no prior alcohol-related enforcement contacts during the immediately preceding five years, the period of suspension shall be thirty days after the effective date of suspension, followed by a sixty-day period of restricted driving privilege as defined in section 302.010 and issued by the director of revenue. The restricted driving privilege shall not be issued until he or she has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible. The restricted driving privilege shall indicate whether a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle. A copy of the restricted driving privilege shall be given to the person and such person shall carry a copy of the restricted driving privilege while operating a motor vehicle. In no case shall restricted driving privileges be issued pursuant to this section or section 302.535 until the person has completed the first thirty days of a suspension under this section. If a person otherwise subject to the provisions of this subdivision files proof of installation with the department of revenue that any vehicle [operated] **that he or she operates** is equipped with a functioning, certified ignition interlock device, [then the] **there shall be no** period of suspension [shall be fifteen days, followed by a seventy-five day]. **However, in lieu of a suspension the person shall instead complete a ninety-day** period of restricted driving privilege. Upon completion of such [seventy-five day] **ninety-day** period of restricted driving privilege, [upon] compliance with other requirements of law, and [upon] filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such [seventy-five day] **ninety-day** period indicate that the ignition interlock device has registered a **confirmed** blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional [seventy-five day] **thirty-day** period of restricted driving privilege [without any such violations]. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted

driving privilege shall be terminated;

(2) The period of revocation shall be one year if the person's driving record shows one or more prior alcohol-related enforcement contacts during the immediately preceding five years;

(3) In no case shall restricted driving privileges be issued under this section to any person whose driving record shows one or more prior alcohol-related enforcement contacts until the person has completed the first thirty days of a suspension under this section and has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of the restricted driving privilege. If the person fails to maintain such proof the restricted driving privilege shall be terminated.

3. For purposes of this section, "alcohol-related enforcement contacts" shall include any suspension or revocation under sections 302.500 to 302.540, any suspension or revocation entered in this or any other state for a refusal to submit to chemical testing under an implied consent law, and any conviction in this or any other state for a violation which involves driving while intoxicated, driving while under the influence of drugs or alcohol, or driving a vehicle while having an unlawful alcohol concentration.

4. Where a license is suspended or revoked under this section and the person is also convicted on charges arising out of the same occurrence for a violation of section 577.010 or 577.012 or for a violation of any county or municipal ordinance prohibiting driving while intoxicated or alcohol-related traffic offense, both the suspension or revocation under this section and any other suspension or revocation arising from such convictions shall be imposed, but the period of suspension or revocation under sections 302.500 to 302.540 shall be credited against any other suspension or revocation arising from such convictions, and the total period of suspension or revocation shall not exceed the longer of the two suspension or revocation periods.

5. Any person who has had a license to operate a motor vehicle revoked under this section or suspended under this section with one or more prior alcohol-related enforcement contacts showing on their driver record shall be required to file proof with the director of revenue that any motor vehicle operated by that person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months. If the person fails to maintain such proof with the director, the license shall be resuspended or revoked, as applicable.

[302.525. 1. The license suspension or revocation shall become effective fifteen days after the subject person has received the notice of suspension or revocation as provided in section 302.520, or is deemed to have received the notice of suspension or revocation by mail as provided in section 302.515. If a request for a hearing is received by or postmarked to the department within that fifteen-day period, the effective date of the suspension or revocation shall be stayed until a final order is issued following the hearing; provided, that any delay in the hearing which is caused or requested by the subject person or counsel representing that person without good cause shown shall not result in a stay of the suspension or revocation during the period of delay.

2. The period of license suspension or revocation under this section shall be as follows:

The restricted driving privilege shall not be issued until he or she has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible. In no case shall restricted driving privileges be issued pursuant to this section or section 302.535 until the person has completed the first thirty days of a suspension under this section;

(2) The period of revocation shall be one year if the person's driving record shows one or more prior alcohol-related enforcement contacts during the immediately preceding five years;

(3) In no case shall restricted driving privileges be issued under this section to any person whose driving record shows one or more prior alcohol-related enforcement contacts until the person has completed the first thirty days of a suspension under this section and has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of the restricted driving privilege. If the person fails to maintain such proof the restricted driving privilege shall be terminated.

3. For purposes of this section, "alcohol-related enforcement contacts" shall include any suspension or revocation under sections 302.500 to 302.540, any suspension or revocation entered in this or any other state for a refusal to submit to chemical testing under an implied consent law, and any conviction in this or any other state for a violation which involves driving while intoxicated, driving while under the influence of drugs or alcohol, or driving a vehicle while having an unlawful alcohol concentration.

4. 5. Any person who has had a license to operate a motor vehicle revoked under this section or suspended under this section with one or more prior alcohol-related enforcement contacts showing on their driver record shall be required to file proof with the director of revenue that any motor vehicle operated by that person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the person fails to maintain such proof with the director, the license shall be resuspended or revoked, as applicable.]; and

Further amend said bill, Page 31, Section 307.400, Line 81, by inserting after all of said section and line, the following:

"476.385. 1. The judges of the supreme court may appoint a committee consisting of at least seven associate circuit judges, who shall meet en banc and establish and maintain a schedule of fines to be paid

for violations of sections 210.104, 577.070, and 577.073, and chapters 252, 301, 302, 304, 306, 307 and 390, with such fines increasing in proportion to the severity of the violation. The associate circuit judges of each county may meet en banc and adopt the schedule of fines and participation in the centralized bureau pursuant to this section. Notice of such adoption and participation shall be given in the manner provided by supreme court rule. Upon order of the supreme court, the associate circuit judges of each county may meet en banc and establish and maintain a schedule of fines to be paid for violations of municipal ordinances for cities, towns and villages electing to have violations of its municipal ordinances heard by associate circuit judges, pursuant to section 479.040; and for traffic court divisions established pursuant to section 479.500. The schedule of fines adopted for violations of municipal ordinances may be modified from time to time as the associate circuit judges of each county en banc deem advisable. No fine established pursuant to this subsection may exceed the maximum amount specified by statute or ordinance for such violation.

2. In no event shall any schedule of fines adopted pursuant to this section include offenses involving the following:

- (1) Any violation resulting in personal injury or property damage to another person;
- (2) Operating a motor vehicle while intoxicated or under the influence of intoxicants or drugs;
- (3) Operating a vehicle with a counterfeited, altered, suspended or revoked license;
- (4) Fleeing or attempting to elude an officer.

3. There shall be a centralized bureau to be established by supreme court rule in order to accept pleas of not guilty or guilty and payments of fines and court costs for violations of the laws and ordinances described in subsection 1 of this section, made pursuant to a schedule of fines established pursuant to this section. The centralized bureau shall collect, with any plea of guilty and payment of a fine, all court costs which would have been collected by the court of the jurisdiction from which the violation originated.

4. If a person elects not to contest the alleged violation, the person shall send payment in the amount of the fine and any court costs established for the violation to the centralized bureau. Such payment shall be payable to the central violations bureau, shall be made by mail or in any other manner established by the centralized bureau, and shall constitute a plea of guilty, waiver of trial and a conviction for purposes of section 302.302, and for purposes of imposing any collateral consequence of a criminal conviction provided by law. By paying the fine and costs, the person also consents to attendance **either online or in person** at any driver-improvement program or motorcycle-rider training course ordered by the court and consents to verification of such attendance as directed by the bureau. Notwithstanding any provision of law to the contrary, the prosecutor shall not be required to sign any information, ticket or indictment if disposition is made pursuant to this subsection. In the event that any payment is made pursuant to this section by credit card or similar method, the centralized bureau may charge an additional fee in order to reflect any transaction cost, surcharge or fee imposed on the recipient of the credit card payment by the credit card company.

5. If a person elects to plead not guilty, such person shall send the plea of not guilty to the centralized bureau. The bureau shall send such plea and request for trial to the prosecutor having original jurisdiction over the offense. Any trial shall be conducted at the location designated by the court. The clerk of the court in which the case is to be heard shall notify in writing such person of the date certain for the disposition of such charges. The prosecutor shall not be required to sign any information, ticket or indictment until the

commencement of any proceeding by the prosecutor with respect to the notice of violation.

6. In courts adopting a schedule of fines pursuant to this section, any person receiving a notice of violation pursuant to this section shall also receive written notification of the following:

(1) The fine and court costs established pursuant to this section for the violation or information regarding how the person may obtain the amount of the fine and court costs for the violation;

(2) That the person must respond to the notice of violation by paying the prescribed fine and court costs, or pleading not guilty and appearing at trial, and that other legal penalties prescribed by law may attach for failure to appear and dispose of the violation. The supreme court may modify the suggested forms for uniform complaint and summons for use in courts adopting the procedures provided by this section, in order to accommodate such required written notifications.

7. Any moneys received in payment of fines and court costs pursuant to this section shall not be considered to be state funds, but shall be held in trust by the centralized bureau for benefit of those persons or entities entitled to receive such funds pursuant to this subsection. All amounts paid to the centralized bureau shall be maintained by the centralized bureau, invested in the manner required of the state treasurer for state funds by sections 30.240, 30.250, 30.260 and 30.270, and disbursed as provided by the constitution and laws of this state. Any interest earned on such fund shall be payable to the director of the department of revenue for deposit into a revolving fund to be established pursuant to this subsection. The state treasurer shall be the custodian of the revolving fund, and shall make disbursements, as allowed by lawful appropriations, only to the judicial branch of state government for goods and services related to the administration of the judicial system.

8. Any person who receives a notice of violation subject to this section who fails to dispose of such violation as provided by this section shall be guilty of failure to appear provided by section 544.665; and may be subject to suspension of driving privileges in the manner provided by section 302.341. The centralized bureau shall notify the appropriate prosecutor of any person who fails to either pay the prescribed fine and court costs, or plead not guilty and request a trial within the time allotted by this section, for purposes of application of section 544.665. The centralized bureau shall also notify the department of revenue of any failure to appear subject to section 302.341, and the department shall thereupon suspend the license of the driver in the manner provided by section 302.341, as if notified by the court.

9. In addition to the remedies provided by subsection 8 of this section, the centralized bureau and the courts may use the remedies provided by sections 488.010 to 488.020 for the collection of court costs payable to courts, in order to collect fines and court costs for violations subject to this section.”; and

“577.041. 1. If a person under arrest, or who has been stopped pursuant to subdivision (2) or (3) of subsection 1 of section 577.020, refuses upon the request of the officer to submit to any test allowed pursuant to section 577.020, then evidence of the refusal shall be admissible in a proceeding pursuant to section 565.024, 565.060, or 565.082, or section 577.010 or 577.012. The request of the officer shall include the reasons of the officer for requesting the person to submit to a test and also shall inform the person that evidence of refusal to take the test may be used against such person and that the person’s license shall be immediately revoked upon refusal to take the test. If a person when requested to submit to any test allowed pursuant to section 577.020 requests to speak to an attorney, the person shall be granted twenty minutes in which to attempt to contact an attorney. If upon the completion of the twenty-minute period the person continues to refuse to submit to any test, it shall be deemed a refusal. In this event, the officer shall, on behalf of the director of revenue, serve the notice of license revocation personally upon the person and shall

take possession of any license to operate a motor vehicle issued by this state which is held by that person. The officer shall issue a temporary permit, on behalf of the director of revenue, which is valid for fifteen days and shall also give the person a notice of such person's right to file a petition for review to contest the license revocation.

2. The officer shall make a certified report under penalties of perjury for making a false statement to a public official. The report shall be forwarded to the director of revenue and shall include the following:

(1) That the officer has:

(a) Reasonable grounds to believe that the arrested person was driving a motor vehicle while in an intoxicated or drugged condition; or

(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or

(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer has reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater;

(2) That the person refused to submit to a chemical test;

(3) Whether the officer secured the license to operate a motor vehicle of the person;

(4) Whether the officer issued a fifteen-day temporary permit;

(5) Copies of the notice of revocation, the fifteen-day temporary permit and the notice of the right to file a petition for review, which notices and permit may be combined in one document; and

(6) Any license to operate a motor vehicle which the officer has taken into possession. 3. Upon receipt of the officer's report, the director shall revoke the license of the person refusing to take the test for a period of one year; or if the person is a nonresident, such person's operating permit or privilege shall be revoked for one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, an order shall be issued denying the person the issuance of a license or permit for a period of one year.

4. If a person's license has been revoked because of the person's refusal to submit to a chemical test, such person may petition for a hearing before a circuit division or associate division of the court in the county in which the arrest or stop occurred. The person may request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state and the director shall maintain possession of the person's license to operate a motor vehicle until termination of any revocation pursuant to this section. Upon the person's request the clerk of the court shall notify the prosecuting attorney of the county and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing the court shall determine only:

(1) Whether or not the person was arrested or stopped;

(2) Whether or not the officer had:

(a) Reasonable grounds to believe that the person was driving a motor vehicle while in an intoxicated or drugged condition; or

(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or

(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer had reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater; and

(3) Whether or not the person refused to submit to the test.

5. If the court determines any issue not to be in the affirmative, the court shall order the director to reinstate the license or permit to drive.

6. Requests for review as provided in this section shall go to the head of the docket of the court wherein filed.

7. No person who has had a license to operate a motor vehicle suspended or revoked pursuant to the provisions of this section shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 577.001, or a program determined to be comparable by the department of mental health or the court. Assignment recommendations, based upon the needs assessment as described in subdivision [(23)] (24) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023, or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. 8. The fees for the substance abuse traffic offender program, or a portion thereof to be determined by the division of alcohol and drug abuse of the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 and section 577.001. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

Such ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. **If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months.** If the person fails to maintain such proof with the director as required by this section, the license shall be rerevoked and the person shall be guilty of a class A misdemeanor.

11. The revocation period of any person whose license and driving privilege has been revoked under this section and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303 and is otherwise eligible, shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, the revocation shall remain in effect for a period of two years from its effective date. HOUSE AMENDMENT NO. 6

Amend House Committee Substitute for Senate Bill No. 51, Page 1, Section A, Line 11, by inserting after all of said section and line the following:

“301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days. As used in this subsection, the term “trade-in motor vehicle or trailer” shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, applicant shall pay a transfer fee of two dollars and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, applicant shall not be entitled to a refund.

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying

commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

4. The director of the department of revenue shall have authority to produce or allow others to produce a weather resistant, nontearing temporary permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty days from the date of purchase. The temporary permit authorized under this section may be purchased by the purchaser of a motor vehicle or trailer from the central office of the department of revenue or from an authorized agent of the department of revenue upon proof of purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof of financial responsibility, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer for which the buyer has registered and is awaiting receipt of registration plates. The director of the department of revenue or a producer authorized by the director of the department of revenue may make temporary permits available to registered dealers in this state, authorized agents of the department of revenue or the department of revenue. The price paid by a motor vehicle dealer, an authorized agent of the department of revenue or the department of revenue for a temporary permit shall not exceed five dollars for each permit. The director of the department of revenue shall direct motor vehicle dealers and authorized agents to obtain temporary permits from an authorized producer. Amounts received by the director of the department of revenue for temporary permits shall constitute state revenue; however, amounts received by an authorized producer other than the director of the department of revenue shall not constitute state revenue and any amounts received by motor vehicle dealers or authorized agents for temporary permits purchased from a producer other than the director of the department of revenue shall not constitute state revenue. In no event shall revenues from the general revenue fund or any other state fund be utilized to compensate motor vehicle dealers or other producers for their role in producing temporary permits as authorized under this section. Amounts that do not constitute state revenue under this section shall also not constitute fees for registration or certificates of title to be collected by the director of the department of revenue under section 301.190. No motor vehicle dealer, authorized agent or the department of revenue shall charge more than five dollars for each permit issued. The permit shall be valid for a period of thirty days from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor vehicle or trailer by a motor vehicle dealer for which the purchaser obtains a permit as set out above. No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility. Each temporary permit issued shall be securely fastened to the back or rear of the motor vehicle in a manner and place on the motor vehicle consistent with registration plates so that all parts and qualities of the temporary permit thereof shall be plainly and clearly visible, reasonably clean and are not impaired in any way.

5. The permit shall be issued on a form prescribed by the director of the department of revenue and issued only for the applicant's temporary operation of the motor vehicle or trailer purchased to enable the applicant to temporarily operate the motor vehicle while proper title and registration plates are being obtained, or while awaiting receipt of registration plates, and shall be displayed on no other motor vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable and shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer. The director of the department of revenue shall determine the size, material, design, numbering configuration, construction, and color of the permit. The director of the department of revenue, at his or her discretion, shall have the authority to reissue, and thereby extend the use of, a temporary permit previously and legally issued for a motor vehicle or trailer while proper title and registration are being obtained.

6. Every motor vehicle dealer that issues temporary permits shall keep, for inspection by proper officers, an accurate record of each permit issued by recording the permit number, the motor vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and manufacturer's vehicle identification number, and the permit's date of issuance and expiration date. Upon the issuance of a temporary permit by either the central office of the department of revenue, a motor vehicle dealer or an authorized agent of the department of revenue, the director of the department of revenue shall make the information associated with the issued temporary permit immediately available to the law enforcement community of the state of Missouri.

7. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of motor vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

8. The provisions of subsections 4, 5, and 6 of this section shall expire July 1, 2019.

9. An additional temporary license plate produced in a manner and of materials determined by the director to be the most cost-effective means of production with a configuration that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the interior of the vehicle's rear window such that the driver's view out of the rear window is not obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate shall be equal to the fee charged for a temporary permit issued under subsection 4 of this section. Replacement temporary plates authorized in this subsection may be issued as needed upon the payment of a fee equal to the fee charged for a temporary permit under subsection 4 of this section. The newly produced third plate may only be used on the vehicle with the matching plate, and the additional plate shall be clearly recognizable as a third plate and only used for the purpose specified in this subsection.

10. Notwithstanding the provisions of section 301.127, the director may issue a temporary permit to an individual who possesses a salvage motor vehicle which requires an inspection under subsection 9 of section 301.190. The operation of a salvage motor vehicle for which the permit has been issued shall be limited to the most direct route from the residence, maintenance, or storage facility of the individual in possession of such motor vehicle to the nearest authorized inspection facility and return to the originating location. Notwithstanding any other requirements for the issuance of a temporary permit under this section, an individual obtaining a temporary permit for the purpose of operating a motor vehicle to and from an examination facility as prescribed in this subsection shall also purchase the required motor vehicle examination form which is required to be completed for an examination under subsection 9 of section 301.190 and provide satisfactory evidence that such vehicle has passed a motor vehicle safety inspection for such vehicle as required in section 307.350.

11. The director of the department of revenue may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with

and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

[11.] **12.** The repeal and reenactment of this section shall become effective on the date the department of revenue or a producer authorized by the director of the department of revenue begins producing temporary permits described in subsection 4 of such section, or on July 1, 2013, whichever occurs first. If the director of revenue or a producer authorized by the director of the department of revenue begins producing temporary permits prior to July 1, 2013, the director of the department of revenue shall notify the revisor of statutes of such fact.

[301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days. As used in this subsection, the term “trade-in motor vehicle or trailer” shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, applicant shall pay a transfer fee of two dollars and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, applicant shall not be entitled to a refund.

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

4. Upon the sale of a motor vehicle or trailer by a dealer, a buyer who has made application for

registration, by mail or otherwise, may operate the same for a period of thirty days after taking possession thereof, if during such period the motor vehicle or trailer shall have attached thereto, in the manner required by section 301.130, number plates issued to the dealer. Upon application and presentation of proof of financial responsibility as required under subsection 5 of this section and satisfactory evidence that the buyer has applied for registration, a dealer may furnish such number plates to the buyer for such temporary use. In such event, the dealer shall require the buyer to deposit the sum of ten dollars and fifty cents to be returned to the buyer upon return of the number plates as a guarantee that said buyer will return to the dealer such number plates within thirty days. The director shall issue a temporary permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty days of the date of purchase.

5. The temporary permit shall be made available by the director of revenue and may be purchased from the department of revenue upon proof of purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof of financial responsibility, or from a dealer upon purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer. The director shall make temporary permits available to registered dealers in this state or authorized agents of the department of revenue in sets of ten permits. The fee for the temporary permit shall be seven dollars and fifty cents for each permit or plate issued. No dealer or authorized agent shall charge more than seven dollars and fifty cents for each permit issued. The permit shall be valid for a period of thirty days from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor vehicle or trailer by a dealer for which the purchaser obtains a permit as set out above. No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility.

6. The permit shall be issued on a form prescribed by the director and issued only for the applicant's use in the operation of the motor vehicle or trailer purchased to enable the applicant to legally operate the vehicle while proper title and registration plate are being obtained, and shall be displayed on no other vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable and shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer. The director shall determine the size and numbering configuration, construction, and color of the permit.

7. The dealer or authorized agent shall insert the date of issuance and expiration date, year, make, and manufacturer's number of vehicle on the permit when issued to the buyer. The dealer shall also insert such dealer's number on the permit. Every dealer that issues a temporary permit shall keep, for inspection of proper officers, a correct record of each permit issued by recording the permit or plate number, buyer's name and address, year, make, manufacturer's vehicle identification number on which the permit is to be used, and the date of issuance.

8. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

9. An additional temporary license plate produced in a manner and of materials determined by

the director to be the most cost-effective means of production with a configuration that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the interior of the vehicle's rear window such that the driver's view out of the rear window is not obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate shall be equal to the fee charged for a temporary permit issued under subsection 5 of this section. Replacement temporary plates authorized in this subsection may be issued as needed upon the payment of a fee equal to the fee charged for a temporary permit under subsection 5 of this section. The newly produced third plate may only be used on the vehicle with the matching plate, and the additional plate shall be clearly recognizable as a third plate and only used for the purpose specified in this subsection.

10. The director may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.]; and

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Bill No. 73, Page 2, Section 304.152, Line 10, by inserting after all of said line the following;

“478.1100. 1. Sections 478.1100 to 478.1120 shall be known and may be cited as the “Veterans Treatment Intervention Act”.

2. For purposes of sections 478.1100 to 478.1120, the following terms shall mean:

(1) “Servicemember”, any person serving as a member of the United States Armed Forces on active duty or state active duty and all members of the Missouri National Guard and United States Reserve Forces;

(2) “Veteran”, any person defined as a veteran by the United States Department of Veterans Affairs or its successor agency.

478.1105. The presiding judge of any judicial circuit or a combination of circuit courts, upon agreement of the presiding judges of such circuit courts, in this state may establish a “Military Veterans and Servicemembers Court Program” under which veterans and servicemembers who suffer from a military-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem may be sentenced in a manner that appropriately addresses the severity of the mental illness, traumatic brain injury, substance abuse disorder, or psychological problem through services tailored to the individual needs of the participant. Entry into any military veterans and servicemembers court program shall be based upon the sentencing court’s assessment of the defendant’s criminal history, military service, substance abuse treatment needs, mental health treatment needs, amenability to the services of the program, the recommendation of the prosecuting attorney and the victim, if any, and the defendant’s agreement to enter the program.

478.1110. 1. Any person who is charged with a felony, other than a felony listed in subsection 2 of this section, identified as a veteran or servicemember who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem is eligible for admission into a veterans’ treatment intervention program approved by the presiding judge of the circuit upon motion of either party or the court’s own motion, except:

(1) If a defendant was previously offered admission to a veterans’ treatment intervention program at any time before trial and the defendant rejected such offer on the record, the court may deny the

defendant's admission to such a program;

(2) If a defendant previously entered a court-ordered veterans' treatment program, the court may deny the defendant's admission into the veterans' treatment program.

In order to maintain compliance with federal law, nothing in sections 478.1100 to 478.1120 shall apply to any offense committed by a holder of a commercial driver's license or any person operating a commercial motor vehicle when the offense was committed, if the provisions of sections 478.1100 to 478.1120 as applied to such offenses results in this state's failure to comply with applicable federal laws and regulations.

2. Any person charged with the following felonies, including attempt of such felonies, shall not be eligible for admission into a veterans' treatment intervention program under sections 478.1100 to 478.1120:

- (1) Murder or manslaughter under chapter 565;

- (11) Child pornography under chapter 573;
- (12) Treason; and

(13) Any offense committed in another jurisdiction which would be a felony offense listed in this subsection if committed in this state.

3. (1) While enrolled in an intervention program authorized by this section, the participant shall be subject to a coordinated strategy developed by a veterans' treatment intervention team. The coordinated strategy shall be modeled after the therapeutic jurisprudence principles and key components listed in subdivision (2) of this subsection, with treatment specific to the needs of veterans and servicemembers. The coordinated strategy may include a protocol of sanctions that may be imposed upon the participant for noncompliance with program rules. The protocol of sanctions may include, but not be limited to, placement in a treatment program offered by a licensed service provider or in a jail-based treatment program. The coordinated strategy shall be provided in writing to the participant before the participant agrees to enter into a veterans' treatment intervention program or other intervention program. Any person whose charges are dismissed after successful completion of the veterans' treatment intervention program, if otherwise eligible, may have his or her arrest record of the dismissed charges expunged under chapter 610.

(2) The treatment program shall include:

- (a) Integrate alcohol and other drug treatment services with justice system case processing;**
- (b) Use a nonadversarial approach in which prosecution and defense counsel promote public safety while protecting participants' due process rights;**
- (c) Eligible participants are identified early and promptly placed in the treatment program;**
- (d) The treatment program provides access to a continuum of alcohol, drug, and other related treatment and rehabilitation services;**

- (f) A coordinated strategy governs treatment program responses to participants' compliance;**
- (g) Ongoing judicial interaction with each treatment program participant is essential;**
- (h) Monitoring and evaluation measure the achievement of program goals and gauge treatment program effectiveness;**
- (i) Continuing interdisciplinary education promotes effective treatment program planning, implementation, and operations;**
- (j) Forging partnerships among treatment programs, public agencies, and community-based organizations generates local support and enhances treatment program effectiveness.**

4. At the end of the intervention period, the court shall consider the recommendation of the treatment program and the recommendation of the prosecuting attorney as to disposition of the pending charges. The court shall determine, by written finding, whether the defendant has successfully completed the intervention program. If the court finds that the defendant has not successfully completed the intervention program, the court may order the person to continue in education and treatment, which may include treatment programs offered by licensed service providers or jail-based treatment programs, or order that the charges revert to normal channels for prosecution. The court shall dismiss the charges upon a finding that the defendant has successfully completed the intervention program.

478.1115. 1. Any veteran or servicemember who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, and who is charged with a misdemeanor is eligible for admission into a veterans' treatment intervention program approved by the presiding judge of the circuit for a period based on the program's requirements and the treatment plan for the offender, upon motion of either party or the court's own motion. However, the court may deny the defendant admission into a veterans' treatment intervention program if the defendant has previously entered a court-ordered veterans' treatment program.

2. While enrolled in an intervention program authorized by this section, the participant shall be subject to a coordinated strategy developed by a veterans' treatment intervention team. The coordinated strategy shall be modeled after the therapeutic jurisprudence principles and key components in subdivision (2) of subsection 3 of section 478.1110, with treatment specific to the needs of veterans and servicemembers. The coordinated strategy may include a protocol of sanctions that may be imposed upon the participant for noncompliance with program rules. The protocol of sanctions may include, but not be limited to, placement in a treatment program offered by a licensed

service provider or in a jail-based treatment program. The coordinated strategy shall be provided in writing to the participant before the participant agrees to enter into a veterans' treatment intervention program. Any person whose charges are dismissed after successful completion of the veterans' treatment intervention program, if otherwise eligible, may have his or her arrest record of the dismissed charges expunged under chapter 610.

3. At the end of the intervention period, the court shall consider the recommendation of the treatment program and the recommendation of the prosecuting attorney as to disposition of the pending charges. The court shall determine, by written finding, whether the defendant successfully completed the intervention program. Notwithstanding the coordinated strategy developed by a team under subdivision (2) of subsection 2 of section 478.1110 or by the veterans' treatment intervention team, if the court finds that the defendant has not successfully completed the intervention program, the court may order the person to continue in education and treatment or return the charges to the criminal docket for prosecution. The court shall dismiss the charges upon finding that the defendant has successfully completed the intervention program.

4. Any public or private entity providing a substance abuse education and treatment program under this section shall contract with the county or appropriate governmental entity. Except for services provided by the United States Department of Veterans Affairs, the terms of the contract shall include, but not be limited to, the following requirements:

In addition, the entity shall supply the presiding judge's office with a quarterly report summarizing the number of offenders supervised by the private entity, payment of the required contribution under supervision or rehabilitation, and the number of offenders for whom supervision or rehabilitation will be terminated. All records of the entity shall be open to inspection upon the request of the county, the court, the state auditor, and the office of administration, or agents thereof.

478.1120. For a person on probation who is a veteran or servicemember who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, the court may, in addition to any other conditions imposed, impose a condition

requiring the probationer to participate in a treatment program capable of treating the probationer's mental illness, traumatic brain injury, substance abuse disorder, or psychological problem. The court shall give preference to treatment programs for which the probationer is eligible through the United States Department of Veterans Affairs. The department of corrections is not required to spend state funds to implement this subsection.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

SENATE AMENDMENT NO. 2

Amend Senate Committee Substitute for House Committee Substitute for House Bill No. 611, Page 7, Section 288.030, Line 166, by inserting immediately after said line the following:

“288.040. 1. A claimant who is unemployed and has been determined to be an insured worker shall be eligible for benefits for any week only if the deputy finds that:

(1) The claimant has registered for work at and thereafter has continued to report at an employment office in accordance with such regulations as the division may prescribe;

(2) The claimant is able to work and is available for work. No person shall be deemed available for work unless such person has been and is actively and earnestly seeking work. Upon the filing of an initial or renewed claim, and prior to the filing of each weekly claim thereafter, the deputy shall notify each claimant of the number of work search contacts required to constitute an active search for work. No person shall be considered not available for work, pursuant to this subdivision, solely because he or she is a substitute teacher or is on jury duty. A claimant shall not be determined to be ineligible pursuant to this subdivision because of not actively and earnestly seeking work if:

(a) The claimant is participating in training approved pursuant to Section 236 of the Trade Act of 1974, as amended, (19 U.S.C.A. Sec. 2296, as amended);

(b) The claimant is temporarily unemployed through no fault of his or her own and has a definite recall date within eight weeks of his or her first day of unemployment; however, upon application of the employer responsible for the claimant’s unemployment, such eight-week period may be extended not to exceed a total of sixteen weeks at the discretion of the director;

(3) The claimant has reported [in person] to an office of the division as directed by the deputy, but at least once every four weeks, except that a claimant shall be exempted from the reporting requirement of this subdivision if:

(a) The claimant is claiming benefits in accordance with division regulations dealing with partial or temporary total unemployment; or

(b) The claimant is temporarily unemployed through no fault of his or her own and has a definite recall date within eight weeks of his or her first day of unemployment; or

(c) [The claimant resides in a county with an unemployment rate, as published by the division, of ten percent or more and in which the county seat is more than forty miles from the nearest division office;

(d)] The director of the division of employment security has determined that the claimant belongs to a group or class of workers whose opportunities for reemployment will not be enhanced by reporting [in person], or is prevented from reporting due to emergency conditions that limit access by the general public

to an office that serves the area where the claimant resides, but only during the time such circumstances exist.

Ineligibility pursuant to this subdivision shall begin on the first day of the week which the claimant was scheduled to claim and shall end on the last day of the week preceding the week during which the claimant does report [in person] to the division's office;

(4) Prior to the first week of a period of total or partial unemployment for which the claimant claims benefits he or she has been totally or partially unemployed for a waiting period of one week. No more than one waiting week will be required in any benefit year. During calendar year 2008 and each calendar year thereafter, the one-week waiting period shall become compensable once his or her remaining balance on the claim is equal to or less than the compensable amount for the waiting period. No week shall be counted as a week of total or partial unemployment for the purposes of this subsection unless it occurs within the benefit year which includes the week with respect to which the claimant claims benefits;

(5) The claimant has made a claim for benefits within fourteen days from the last day of the week being claimed. The fourteen-day period may, for good cause, be extended to twenty-eight days;

(6) The claimant has reported to an employment office to participate in a reemployment assessment and reemployment services as directed by the deputy or designated staff of an employment office, unless the deputy determines that good cause exists for the claimant's failure to participate in such reemployment assessment and reemployment services. For purposes of this section, "reemployment services" may include, but not be limited to, the following:

- (a) Providing an orientation to employment office services;
- (b) Providing job search assistance; and
- (c) Providing labor market statistics or analysis;

Ineligibility under this subdivision shall begin on the first day of the week which the claimant was scheduled to report for the reemployment assessment or reemployment services and shall end on the last day of the week preceding the week during which the claimant does report in person to the employment office for such reemployment assessment or reemployment services;

(7) The claimant is participating in reemployment services, such as job search assistance services, as directed by the deputy if the claimant has been determined to be likely to exhaust regular benefits and to need reemployment services pursuant to a profiling system established by the division, unless the deputy determines that:

- (a) The individual has completed such reemployment services; or
- (b) There is justifiable cause for the claimant's failure to participate in such reemployment services.

2. A claimant shall be ineligible for waiting week credit or benefits for any week for which the deputy finds he or she is or has been suspended by his or her most recent employer for misconduct connected with his or her work. Suspensions of four weeks or more shall be treated as discharges.

3. (1) Benefits based on "service in employment", [defined] **described** in subsections 7 and 8 of section 288.034, shall be payable in the same amount, on the same terms and subject to the same conditions as compensation payable on the basis of other service subject to this law; except that:

- (a) With respect to service performed in an instructional, research, or principal administrative capacity

for an educational institution, benefits shall not be paid based on such services for any week of unemployment commencing during the period between two successive academic years or terms, or during a similar period between two regular but not successive terms, or during a period of paid sabbatical leave provided for in the individual's contract, to any individual if such individual performs such services in the first of such academic years (or terms) and if there is a contract or a reasonable assurance that such individual will perform services in any such capacity for any educational institution in the second of such academic years or terms;

(b) With respect to services performed in any capacity (other than instructional, research, or principal administrative capacity) for an educational institution, benefits shall not be paid on the basis of such services to any individual for any week which commences during a period between two successive academic years or terms if such individual performs such services in the first of such academic years or terms and there is a contract or a reasonable assurance that such individual will perform such services in the second of such academic years or terms;

(c) With respect to services described in paragraphs (a) and (b) of this subdivision, benefits shall not be paid on the basis of such services to any individual for any week which commences during an established and customary vacation period or holiday recess if such individual performed such services in the period immediately before such vacation period or holiday recess, and there is reasonable assurance that such individual will perform such services immediately following such vacation period or holiday recess;

(d) With respect to services described in paragraphs (a) and (b) of this subdivision, benefits payable on the basis of services in any such capacity shall be denied as specified in paragraphs (a), (b), and (c) of this subdivision to any individual who performed such services at an educational institution while in the employ of an educational service agency, and for this purpose the term "educational service agency" means a governmental agency or governmental entity which is established and operated exclusively for the purpose of providing such services to one or more educational institutions.

(2) If compensation is denied for any week pursuant to paragraph (b) or (d) of subdivision (1) of this subsection to any individual performing services at an educational institution in any capacity (other than instructional, research or principal administrative capacity), and such individual was not offered an opportunity to perform such services for the second of such academic years or terms, such individual shall be entitled to a retroactive payment of the compensation for each week for which the individual filed a timely claim for compensation and for which compensation was denied solely by reason of paragraph (b) or (d) of subdivision (1) of this subsection.

4. (1) A claimant shall be ineligible for waiting week credit, benefits or shared work benefits for any week for which he or she is receiving or has received remuneration exceeding his or her weekly benefit amount or shared work benefit amount in the form of:

(a) Compensation for temporary partial disability pursuant to the workers' compensation law of any state or pursuant to a similar law of the United States;

(b) A governmental or other pension, retirement or retired pay, annuity, or other similar periodic payment which is based on the previous work of such claimant to the extent that such payment is provided from funds provided by a base period or chargeable employer pursuant to a plan maintained or contributed to by such employer; but, except for such payments made pursuant to the Social Security Act or the Railroad Retirement Act of 1974 (or the corresponding provisions of prior law), the provisions of this paragraph shall not apply if the services performed for such employer by the claimant after the beginning of the base period

(or remuneration for such services) do not affect eligibility for or increase the amount of such pension, retirement or retired pay, annuity or similar payment.

(2) If the remuneration referred to in this subsection is less than the benefits which would otherwise be due, the claimant shall be entitled to receive for such week, if otherwise eligible, benefits reduced by the amount of such remuneration, and, if such benefit is not a multiple of one dollar, such amount shall be lowered to the next multiple of one dollar.

(3) Notwithstanding the provisions of subdivisions (1) and (2) of this subsection, if a claimant has contributed in any way to the Social Security Act or the Railroad Retirement Act of 1974, or the corresponding provisions of prior law, no part of the payments received pursuant to such federal law shall be deductible from the amount of benefits received pursuant to this chapter.

5. A claimant shall be ineligible for waiting week credit or benefits for any week for which or a part of which he or she has received or is seeking unemployment benefits pursuant to an unemployment insurance law of another state or the United States; provided, that if it be finally determined that the claimant is not entitled to such unemployment benefits, such ineligibility shall not apply.

6. (1) A claimant shall be ineligible for waiting week credit or benefits for any week for which the deputy finds that such claimant's total or partial unemployment is due to a stoppage of work which exists because of a labor dispute in the factory, establishment or other premises in which such claimant is or was last employed. In the event the claimant secures other employment from which he or she is separated during the existence of the labor dispute, the claimant must have obtained bona fide employment as a permanent employee for at least the major part of each of two weeks in such subsequent employment to terminate his or her ineligibility. If, in any case, separate branches of work which are commonly conducted as separate businesses at separate premises are conducted in separate departments of the same premises, each such department shall for the purposes of this subsection be deemed to be a separate factory, establishment or other premises. This subsection shall not apply if it is shown to the satisfaction of the deputy that:

(a) The claimant is not participating in or financing or directly interested in the labor dispute which caused the stoppage of work; and

(b) The claimant does not belong to a grade or class of workers of which, immediately preceding the commencement of the stoppage, there were members employed at the premises at which the stoppage occurs, any of whom are participating in or financing or directly interested in the dispute.

(2) "Stoppage of work" as used in this subsection means a substantial diminution of the activities, production or services at the establishment, plant, factory or premises of the employing unit. This definition shall not apply to a strike where the employees in the bargaining unit who initiated the strike are participating in the strike. Such employees shall not be eligible for waiting week credit or benefits during the period when the strike is in effect, regardless of diminution, unless the employer has been found guilty of an unfair labor practice by the National Labor Relations Board or a federal court of law for an act or actions preceding or during the strike.

7. On or after January 1, 1978, benefits shall not be paid to any individual on the basis of any services, substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, for any week which commences during the period between two successive sport seasons (or similar periods) if such individual performed such services in the first of such seasons (or similar periods) and there is a reasonable assurance that such individual will perform such services in the later of such

seasons (or similar periods).

8. Benefits shall not be payable on the basis of services performed by an alien, unless such alien is an individual who was lawfully admitted for permanent residence at the time such services were performed, was lawfully present for purposes of performing such services, or was permanently residing in the United States under color of law at the time such services were performed (including an alien who was lawfully present in the United States as a result of the application of the provisions of Section 212(d)(5) of the Immigration and Nationality Act).

(1) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

(2) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of such individual's alien status shall be made except upon a preponderance of the evidence.

9. A claimant shall be ineligible for waiting week credit or benefits for any week such claimant has an outstanding penalty which was assessed based upon an overpayment of benefits, as provided for in subsection 9 of section 288.380.

10. The directors of the division of employment security and the division of workforce development shall submit to the governor, the speaker of the house of representatives, and the president pro tem of the senate no later than October 15, 2006, a report outlining their recommendations for how to improve work search verification and claimant reemployment activities. The recommendations shall include, but not limited to how to best utilize "greathires.org", and how to reduce the average duration of unemployment insurance claims. Each calendar year thereafter, the directors shall submit a report containing their recommendations on these issues by December thirty-first of each year.

11. For purposes of this section, a claimant may satisfy reporting requirements provided under this section by reporting by internet communication or any other means deemed acceptable by the division of employment security."; and

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Committee Substitute for House Bill No. 142, Page 1, Section A, Line 4, by inserting immediately after said line the following:

“137.100. The following subjects are exempt from taxation for state, county or local purposes:

- (1) Lands and other property belonging to this state;
- (2) Lands and other property belonging to any city, county or other political subdivision in this state, including market houses, town halls and other public structures, with their furniture and equipments, and on public squares and lots kept open for health, use or ornament;

- (5) All property, real and personal, actually and regularly used exclusively for religious worship, for schools and colleges, or for purposes purely charitable and not held for private or corporate profit, except that the exemption herein granted does not include real property not actually used or occupied for the purpose of the organization but held or used as investment even though the income or rentals received therefrom is used wholly for religious, educational or charitable purposes;

- (7) Motor vehicles leased for a period of at least one year to this state or to any city, county, or political subdivision or to any religious, educational, or charitable organization which has obtained an exemption from the payment of federal income taxes, provided the motor vehicles are used exclusively for religious, educational, or charitable purposes;
- (8) Real or personal property leased or otherwise transferred by an interstate compact agency created

pursuant to sections 70.370 to 70.430 or sections 238.010 to 238.100 to another for which or whom such property is not exempt when immediately after the lease or transfer, the interstate compact agency enters into a leaseback or other agreement that directly or indirectly gives such interstate compact agency a right to use, control, and possess the property; provided, however, that in the event of a conveyance of such property, the interstate compact agency must retain an option to purchase the property at a future date or, within the limitations period for reverters, the property must revert back to the interstate compact agency. Property will no longer be exempt under this subdivision in the event of a conveyance as of the date, if any, when:

(a) The right of the interstate compact agency to use, control, and possess the property is terminated;

(b) The interstate compact agency no longer has an option to purchase or otherwise acquire the property; and

(c) There are no provisions for reverter of the property within the limitation period for reverters;

(9) All property, real and personal, belonging to veterans' organizations. (10) Solar energy systems not held for resale.”; and

Further amend said bill, page 13, section 393.760, line 26 of said page, by inserting after all of said line the following:

“393.1030. 1. The commission shall, in consultation with the department, prescribe by rule a portfolio requirement for all electric utilities to generate or purchase electricity generated from renewable energy resources. Such portfolio requirement shall provide that electricity from renewable energy resources shall constitute the following portions of each electric utility’s sales:

- (1) No less than two percent for calendar years 2011 through 2013;
- (2) No less than five percent for calendar years 2014 through 2017;
- (3) No less than ten percent for calendar years 2018 through 2020; and
- (4) No less than fifteen percent in each calendar year beginning in 2021.

At least two percent of each portfolio requirement shall be derived from solar energy. The portfolio requirements shall apply to all power sold to Missouri consumers whether such power is self-generated or purchased from another source in or outside of this state. A utility may comply with the standard in whole or in part by purchasing RECs. Each kilowatt-hour of eligible energy generated in Missouri shall count as 1.25 kilowatt-hours for purposes of compliance.

2. The commission, in consultation with the department and within one year of November 4, 2008, shall select a program for tracking and verifying the trading of renewable energy credits. An unused credit may exist for up to three years from the date of its creation. A credit may be used only once to comply with sections 393.1020 to 393.1030 and may not also be used to satisfy any similar nonfederal requirement. An electric utility may not use a credit derived from a green pricing program. Certificates from net-metered sources shall initially be owned by the customer-generator. The commission, except where the department is specified, shall make whatever rules are necessary to enforce the renewable energy standard. Such rules

shall include:

(1) A maximum average retail rate increase of one percent determined by estimating and comparing the electric utility's cost of compliance with least-cost renewable generation and the cost of continuing to generate or purchase electricity from entirely nonrenewable sources, taking into proper account future environmental regulatory risk including the risk of greenhouse gas regulation. **Notwithstanding the foregoing, until June 30, 2020, if the maximum average retail rate increase would be less than or equal to one percent if an electric utility's investment in solar-related projects initiated, owned or operated by the electric utility is ignored for purposes of calculating the increase, then additional solar rebates shall be paid and included in rates in an amount up to the amount that would produce a retail rate increase equal to the difference between a one percent retail rate increase and the retail rate increase calculated when ignoring an electric utility's investment in solar-related projects initiated, owned, or operated by the electric utility. Notwithstanding any provision to the contrary in this section, even if the payment of additional solar rebates will produce a maximum average retail rate increase of greater than one percent when an electric utility's investment in solar-related projects initiated, owned or operated by the electric utility are included in the calculation, the additional solar rebate costs shall be included in the prudently incurred costs to be recovered as contemplated by subdivision (4) of this subsection;**

(2) Penalties of at least twice the average market value of renewable energy credits for the compliance period for failure to meet the targets of subsection 1 **of this section**. An electric utility will be excused if it proves to the commission that failure was due to events beyond its reasonable control that could not have been reasonably mitigated, or that the maximum average retail rate increase has been reached. Penalties shall not be recovered from customers. Amounts forfeited under this section shall be remitted to the department to purchase renewable energy credits needed for compliance. Any excess forfeited revenues shall be used by the department's energy center solely for renewable energy and energy efficiency projects;

(3) Provisions for an annual report to be filed by each electric utility in a format sufficient to document its progress in meeting the targets;

(4) Provision for recovery outside the context of a regular rate case of prudently incurred costs and the pass-through of benefits to customers of any savings achieved by an electrical corporation in meeting the requirements of this section.

3. **As provided for in this section, except for those electrical corporations that qualify for an exemption under section 393.1050, each electric utility shall make available to its retail customers a [standard] solar rebate [offer of at least two dollars per installed watt] for new or expanded solar electric systems sited on customers' premises, up to a maximum of twenty-five kilowatts per system, measured in direct current that [become operational after 2009] were confirmed by the electric utility to have become operational in compliance with the provisions of section 386.890. The solar rebates shall be two dollars per watt for systems becoming operational on or before June 30, 2014; one dollar and fifty cents per watt for systems becoming operational between July 1, 2014, and June 30, 2015; one dollar per watt for systems becoming operational between July 1, 2015, and June 30, 2016; fifty cents per watt for systems becoming operational between July 1, 2016, and June 30, 2017; fifty cents per watt for systems becoming operational between July 1, 2017, and June 30, 2019; twenty-five cents per watt for systems becoming operational between July 1, 2019, and June 30, 2020; and zero cents per watt for systems becoming operational after June 30, 2020. An electric utility may, through its tariffs,**

require applications for rebates to be submitted up to one hundred eighty-two days prior to the June 30 operational date. Nothing in this section shall prevent an electrical corporation from offering rebates after July 1, 2020, through an approved tariff. If the electric utility determines the maximum average retail rate increase provided for in subdivision (1) of subsection 2 of this section will be reached in any calendar year, the electric utility shall be entitled to cease paying rebates to the extent necessary to avoid exceeding the maximum average retail rate increase if the electrical corporation files with the commission to suspend its rebate tariff for the remainder of that calendar year at least sixty days prior to the change taking effect. The filing with the commission to suspend the electrical corporation's rebate tariff shall include the calculation reflecting that the maximum average retail rate increase will be reached and supporting documentation reflecting that the maximum average retail rate increase will be reached. The commission shall rule on the suspension filing within sixty days of the date it is filed. If the commission determines that the maximum average retail rate increase will be reached the commission shall approve the tariff suspension. The electric utility shall continue to process and pay applicable solar rebates until a final commission ruling; however, if the continued payment causes the electric utility to pay rebates that cause it to exceed the maximum average retail rate increase, the expenditures shall be considered prudently incurred costs as contemplated by subdivision (4) of subsection 2 of this section and shall be recoverable as such by the electric utility. As a condition of receiving a rebate, customers shall transfer to the electric utility all right, title, and interest in and to the renewable energy credits associated with the new or expanded solar electric system that qualified the customer for the solar rebate for a period of ten years from the date the electric utility confirmed that the solar electric system was installed and operational.

4. The department shall, in consultation with the commission, establish by rule a certification process for electricity generated from renewable resources and used to fulfill the requirements of subsection 1 of this section. Certification criteria for renewable energy generation shall be determined by factors that include fuel type, technology, and the environmental impacts of the generating facility. Renewable energy facilities shall not cause undue adverse air, water, or land use impacts, including impacts associated with the gathering of generation feedstocks. If any amount of fossil fuel is used with renewable energy resources, only the portion of electrical output attributable to renewable energy resources shall be used to fulfill the portfolio requirements.

5. In carrying out the provisions of this section, the commission and the department shall include methane generated from the anaerobic digestion of farm animal waste and thermal depolymerization or pyrolysis for converting waste material to energy as renewable energy resources for purposes of this section.

6. The commission shall have the authority to promulgate rules for the implementation of this section, but only to the extent such rules are consistent with, and do not delay the implementation of, the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.”; and

Further amend the title and enacting clause accordingly.

HOUSE AMENDMENT NO. 2

Amend Senate Committee Substitute for Senate Bill No. 224, Page 4, Section 84.510, Line 66, by inserting after all of said section and line the following:

"568.040. 1. A person commits the crime of nonsupport if such person knowingly fails to provide adequate support for his or her spouse; a parent commits the crime of nonsupport if such parent knowingly fails to provide adequate support which such parent is legally obligated to provide for his or her child or stepchild who is not otherwise emancipated by operation of law.

2. For purposes of this section:

(1) **“Arrearage”:**

(a) **The amount of money created by a failure to provide support to a child under an administrative or judicial support order; or**

(b) **Support to an estranged or former spouse if the judgment or order requiring payment of spousal support also requires payment of child support and such estranged or former spouse is the custodial parent; or**

(c) **Both paragraphs (a) and (b).**

The arrearage shall reflect any retroactive support ordered under a modification, and any judgments entered by a court of competent jurisdiction or any authorized agency and any satisfactions of judgment filed by the custodial parent;

(2) **“Child”** means any biological or adoptive child, or any child whose paternity has been established under chapter 454, or chapter 210, or any child whose relationship to the defendant has been determined, by a court of law in a proceeding for dissolution or legal separation, to be that of child to parent;

[(2)] (3) **“Good cause”** means any substantial reason why the defendant is unable to provide adequate support. Good cause does not exist if the defendant purposely maintains his inability to support;

[(3)] (4) **“Support”** means food, clothing, lodging, and medical or surgical attention;

[(4)] (5) **It shall not constitute a failure to provide medical and surgical attention, if nonmedical remedial treatment recognized and permitted under the laws of this state is provided.**

3. **Inability to provide support for good cause shall be an affirmative defense under this section. A person who raises such affirmative defense has the burden of proving the defense by a preponderance of the evidence.**

4. **The defendant shall have the burden of injecting the issues raised by subdivision (4) of subsection 2 of this section.**

5. **Criminal nonsupport is a class A misdemeanor, unless the total arrearage is in excess of an aggregate of twelve monthly payments due under any order of support issued by any court of competent jurisdiction or any authorized administrative agency, in which case it is a class D felony.**

6. (1) **If at any time a defendant convicted of criminal nonsupport or pleads guilty to a charge of criminal nonsupport is placed on probation or parole, there may be ordered as a condition of probation or parole that the defendant commence payment of current support as well as satisfy the arrearages. Arrearages may be satisfied first by making such lump sum payment as the defendant is capable of paying, if any, as may be shown after examination of defendant’s financial resources or assets, both real, personal, and mixed, and second by making periodic payments. Periodic payments toward satisfaction of arrears when added to current payments due [may] shall be in such aggregate sums as is not greater than fifty percent of the defendant’s adjusted gross income after deduction of payroll taxes, medical insurance that also covers a dependent spouse or children, and any other court- or administrative-ordered support, only.**

(2) **If the defendant fails to pay the [current] support and arrearages [as ordered] under the terms of his or her probation, the court may revoke probation or parole and then impose an appropriate sentence within the range for the class of offense that the defendant was convicted of as provided by law, unless the defendant proves good cause for the failure to pay as required under subsection 3 of this section.**

(3) After a period of not less than eight years, an individual who has pled guilty to or has been convicted of a first felony offense for criminal nonsupport under this section and who has successfully completed probation after a plea of guilt or was sentenced may petition the court for expungement of all official records all recordations of his or her arrest, plea, trial, or conviction. If the court determines after hearing that such person has not been convicted of any subsequent offense; does not have any other felony pleas of guilt, findings of guilt or convictions; is current on all child support obligations; has paid off all arrearages; and has no other criminal charges or administrative child support actions pending at the time of the hearing on the application for expungement with respect to all children subject to orders of payment of child support or that the defendant has successfully completed a criminal nonsupport courts program under section 478.1000, the court shall enter an order of expungement. Upon granting the order of expungement, the records and files maintained in any court proceeding in an associate or circuit division of the circuit court under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction, and as if such event had never taken place. No person for whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section. A person shall only be entitled to one expungement under this section. Nothing in this section shall prevent the director of the department of social services from maintaining such records as to ensure that an individual receives only one expungement under this section for the purpose of informing the proper authorities of the contents of any record maintained under this section.

7. During any period that a nonviolent defendant is incarcerated for criminal nonsupport, if the defendant is ready, willing, and able to be gainfully employed during said period of incarceration, the defendant, if he or she meets the criteria established by the department of corrections, may be placed on work release to allow the defendant to satisfy defendant's obligation to pay support. Arrearages shall be satisfied as outlined in the collection agreement.

8. Beginning August 28, 2009, every nonviolent first- and second-time offender then incarcerated for criminal nonsupport, who has not been previously placed on probation or parole for conviction of criminal nonsupport, may be considered for parole, under the conditions set forth in subsection 6 of this section, or work release, under the conditions set forth in subsection 7 of this section.

The division shall consolidate the reported information into a statewide report by county and make the report available to the general public.

10. Persons accused of committing the offense of nonsupport of the child shall be prosecuted:

(1) In any county in which the child resided during the period of time for which the defendant is charged; or

(2) In any county in which the defendant resided during the period of time for which the defendant is

9. The board of trustees shall keep a record of all its proceedings which shall be open to public inspection. It shall prepare annually and furnish to the board of education and to each member of the retirement system who so requests a report showing the fiscal transactions of the retirement system for the preceding fiscal year, the amount of accumulated cash and securities of the system, and the last balance sheet showing the financial condition of the system by means of an actuarial valuation of the assets and liabilities of the retirement system.

10. The board of trustees shall have, in its own name, power to sue and to be sued, to enter into contracts, to own property, real and personal, and to convey the same; but the members of such board of trustees shall not be personally liable for obligations or liabilities of the board of trustees or of the retirement system.

11. The board of trustees shall arrange for necessary legal advice for the operation of the retirement system.

12. Such person shall be qualified as an actuary by membership as a Fellow of the Society of Actuaries or by similar objective standards.

14. At least once in each five-year period the actuary shall make an investigation into the actuarial experience of the members, retirants and beneficiaries of the retirement system and, taking into account the results of such investigation, the board of trustees shall adopt for the retirement system such actuarial assumptions as the board of trustees deems necessary for the financial soundness of the retirement system.

15. On the basis of such actuarial assumptions as the board of trustees adopts, the actuary shall make annual valuations of the assets and liabilities of the funds of the retirement system.

For calendar year 2014 and each subsequent year, the rate of contribution payable by the employers for each year shall be determined by the actuary for the retirement system in the manner provided in subsection 4 of section 169.350 and shall be certified by the board of trustees to the employers at least six months prior to the date such rate is to be effective.**

17. In the event of a lapse of a school district's corporate organization as described in subsections 1 and 4 of section 162.081, no retirement system, nor any of the assets of any retirement system, shall be transferred to or merged with another retirement system without prior approval of such transfer or merge by the board of trustees of the retirement system.

169.301. 1. Any active member who has completed five or more years of actual (not purchased) creditable service shall be entitled to a vested retirement benefit equal to the annual service retirement allowance provided in sections 169.270 to 169.400 payable after attaining the minimum normal retirement age and calculated in accordance with the law in effect on the last date such person was a regular employee; provided, that such member does not withdraw such person's accumulated contributions pursuant to section 169.328 prior to attaining the minimum normal retirement age.

2. Any member who elected on October 13, 1961, or within thirty days thereafter, to continue to contribute and to receive benefits under sections 169.270 to 169.400 may continue to be a member of the retirement system under the terms and conditions of the plan in effect immediately prior to October 13, 1961, or may, upon written request to the board of trustees, transfer to the present plan, provided that the member pays into the system any additional contributions with interest the member would have credited to the member's account if such person had been a member of the current plan since its inception or, if the person's contributions and interest are in excess of what the person would have paid, such person will receive a refund of such excess. The board of trustees shall adopt appropriate rules and regulations governing the operation of the plan in effect immediately prior to October 13, 1961.

3. Should a retirant again become an active member, such person's retirement allowance payments shall cease during such membership and shall be recalculated upon subsequent retirement to include any creditable service earned during the person's latest period of active membership in accordance with subsection 2 of section 169.324.

4. In the event of the complete termination of the retirement system established by section 169.280 or the complete discontinuance of contributions to such retirement system, the rights of all members to benefits accrued to the date of such termination or discontinuance, to the extent then funded, shall be fully vested and nonforfeitable.

5. If a member leaves employment with an employer to perform qualified military service, as defined in Section 414(u) of the Internal Revenue Code of 1986, as amended, and dies while in such service, the member's survivors shall be entitled to any additional benefits (other than benefit accruals relating to the period of qualified military service) that would have been provided had the member resumed employment with the employer and then terminated on account of death in accordance with the requirements of Sections [407(a)(37)] **401(a)(37)** and 414(u) of the Internal Revenue Code of 1986, as amended. In such event, the member's period of qualified military [services] **service** shall be counted as creditable service for purposes of vesting but not for purposes of determining the amount of the member's retirement allowance.

169.324. 1. The annual service retirement allowance payable pursuant to section 169.320 [in equal monthly installments for life shall be the retirant's number of years of creditable service multiplied by one and three-fourths percent of the person's average final compensation, subject to a maximum of sixty percent of the person's average final compensation. For any member who retires as an active member on or after June 30, 1999, the annual service retirement allowance payable pursuant to section 169.320 in equal monthly installments for life shall be the retirant's number of years of creditable service multiplied by two percent of the person's average final compensation, subject to a maximum of sixty percent of the person's

average final compensation. Any member whose number of years of creditable service is greater than thirty-four and one-quarter on August 28, 1993, shall receive an annual service retirement allowance payable pursuant to section 169.320 in equal monthly installments for life equal to the retirant's number of years of creditable service as of August 28, 1993, multiplied by one and three-fourths percent of the person's average final compensation but shall not receive a greater annual service retirement allowance based on additional years of creditable service after August 28, 1993. Provided, however, that,] **shall be the retirant's number of years of creditable service multiplied by a percentage of the retirant's average final compensation, determined as follows:**

(1) A retirant whose last employment as a regular employee ended prior to June 30, 1999, shall receive an annual service retirement allowance payable pursuant to section 169.320 in equal monthly installments for life equal to the retirant's number of years of creditable service multiplied by one and three-fourths percent of the person's average final compensation, subject to a maximum of sixty percent of the person's average final compensation;

(2) A retirant whose number of years of creditable service is greater than thirty-four and one-quarter on August 28, 1993, shall receive an annual service retirement allowance payable pursuant to section 169.320 in equal monthly installments for life equal to the retirant's number of years of creditable service as of August 28, 1993, multiplied by one and three-fourths percent of the person's average final compensation but shall not receive a greater annual service retirement allowance based on additional years of creditable service after August 28, 1993;

(3) A retirant who was an active member of the retirement system at any time on or after June 30, 1999, and who either retires before January 1, 2014, or is a member of the retirement system on December 31, 2013, and remains a member continuously to retirement shall receive an annual service retirement allowance payable pursuant to section 169.320 in equal monthly installments for life equal to the retirant's number of years of creditable service multiplied by two percent of the person's average final compensation, subject to a maximum of sixty percent of the person's final compensation;

(4) A retirant who becomes a member of the retirement system on or after January 1, 2014, including any retirant who was a member of the retirement system before January 1, 2014, but ceased to be a member for any reason other than retirement, shall receive an annual service retirement allowance payable pursuant to section 169.320 in equal monthly installments for life equal to the retirant's number of years of creditable service multiplied by one and three-fourths percent of the person's average final compensation, subject to a maximum of sixty percent of the person's average final compensation;

(5) Notwithstanding the provisions of subdivisions (1) to (4) of this subsection, effective January 1, 1996, any [retiree] **retirant** who retired on, before or after January 1, 1996, with at least twenty years of creditable service shall receive at least three hundred dollars each month as a retirement allowance, or the actuarial equivalent thereof if the [retiree] **retirant** elected any of the options available under section 169.326. [Provided, further, any retiree] **Any retirant** who retired with at least ten years of creditable service shall receive at least one hundred fifty dollars each month as a retirement allowance, plus fifteen dollars for each additional full year of creditable service greater than ten years but less than twenty years (or the actuarial equivalent thereof if the [retiree] **retirant** elected any of the options available under section 169.326). Any beneficiary of a deceased [retiree] **retirant** who retired with at least ten years of creditable

service and elected one of the options available under section 169.326 shall also be entitled to the actuarial equivalent of the minimum benefit provided by this subsection, determined from the option chosen.

2. Except as otherwise provided in sections 169.331, 169.580 and 169.585, payment of a retirant's retirement allowance will be suspended for any month for which such person receives remuneration from the person's employer or from any other employer in the retirement system established by section 169.280 for the performance of services except any such person other than a person receiving a disability retirement allowance under section 169.322 may serve as a nonregular substitute, part-time or temporary employee for not more than six hundred hours in any school year without becoming a member and without having the person's retirement allowance discontinued, provided that through such substitute, part-time, or temporary employment, the person may earn no more than fifty percent of the annual salary or wages the person was last paid by the employer before the person retired and commenced receiving a retirement allowance, adjusted for inflation. If a person exceeds such hours limit or such compensation limit, payment of the person's retirement allowance shall be suspended for the month in which such limit was exceeded and each subsequent month in the school year for which the person receives remuneration from any employer in the retirement system. If a retirant is reemployed by any employer in any capacity, whether pursuant to this section, or section 169.331, 169.580, or 169.585, or as a regular employee, the amount of such person's retirement allowance attributable to service prior to the person's first retirement date shall not be changed by the reemployment. If the person again becomes an active member and earns additional creditable service, upon the person's second retirement the person's retirement allowance shall be the sum of:

(1) The retirement allowance the person was receiving at the time the person's retirement allowance was suspended, pursuant to the payment option elected as of the first retirement date, plus the amount of any increase in such retirement allowance the person would have received pursuant to subsection 3 of this section had payments not been suspended during the person's reemployment; and

(2) An additional retirement allowance computed using the benefit formula in effect on the person's second retirement date, the person's creditable service following reemployment, and the person's average final annual compensation as of the second retirement date. The sum calculated pursuant to this subsection shall not exceed the greater of sixty percent of the person's average final compensation as of the second retirement date or the amount determined pursuant to subdivision (1) of this subsection. Compensation earned prior to the person's first retirement date shall be considered in determining the person's average final compensation as of the second retirement date if such compensation would otherwise be included in determining the person's average final compensation.

3. The board of trustees shall determine annually whether the investment return on funds of the system can provide for an increase in benefits for retirants eligible for such increase. A retirant shall and will be eligible for an increase awarded pursuant to this section as of the second January following the date the retirant commenced receiving retirement benefits. Any such increase shall also apply to any monthly joint and survivor retirement allowance payable to such retirant's beneficiaries, regardless of age. The board shall make such determination as follows:

(1) After determination by the actuary of the investment return for the preceding year as of December thirty-first (the "valuation year"), the actuary shall recommend to the board of trustees what portion of the investment return is available to provide such benefits increase, if any, and shall recommend the amount of such benefits increase, if any, to be implemented as of the first day of the thirteenth month following the end of the valuation year, and [the] first payable on or about the first day of the fourteenth month following

the end of the valuation year. The actuary shall make such recommendations so as not to affect the financial soundness of the retirement system, recognizing the following safeguards:

(a) The retirement system's funded ratio as of January first of the year preceding the year of a proposed increase shall be at least one hundred percent after adjusting for the effect of the proposed increase. The funded ratio is the ratio of assets to the pension benefit obligation;

(b) The actuarially required contribution rate, after adjusting for the effect of the proposed increase, may not exceed the [statutory] **then applicable employer and member contribution rate as determined under subsection 4 of section 169.350;**

(c) The actuary shall certify to the board of trustees that the proposed increase will not impair the actuarial soundness of the retirement system;

(d) A benefit increase, under this section, once awarded, cannot be reduced in succeeding years;

(2) The board of trustees shall review the actuary's recommendation and report and shall, in their discretion, determine if any increase is prudent and, if so, shall determine the amount of increase to be awarded.

4. This section does not guarantee an annual increase to any retirant.

5. If an inactive member becomes an active member after June 30, 2001, and after a break in service, unless the person earns at least four additional years of creditable service without another break in service, upon retirement the person's retirement allowance shall be calculated separately for each separate period of service ending in a break in service. The retirement allowance shall be the sum of the separate retirement allowances computed for each such period of service using the benefit formula in effect, the person's average final compensation as of the last day of such period of service and the creditable service the person earned during such period of service; provided, however, if the person earns at least four additional years of creditable service without another break in service, all of the person's creditable service prior to and including such service shall be aggregated and, upon retirement, the retirement allowance shall be computed using the benefit formula in effect and the person's average final compensation as of the last day of such period of four or more years and all of the creditable service the person earned prior to and during such period.

6. Notwithstanding anything contained in this section to the contrary, the amount of the annual service retirement allowance payable to any retirant pursuant to the provisions of sections 169.270 to 169.400, including any adjustments made pursuant to subsection 3 of this section, shall at all times comply with the provisions and limitations of Section 415 of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, the terms of which are specifically incorporated herein by reference.

7. All retirement systems established by the laws of the state of Missouri shall develop a procurement action plan for utilization of minority and women money managers, brokers and investment counselors. Such retirement systems shall report their progress annually to the joint committee on public employee retirement and the governor's minority advocacy commission.

169.350. 1. All of the assets of the retirement system (other than tangible real or personal property owned by the retirement system for use in carrying out its duties, such as office supplies and furniture) shall be credited, according to the purpose for which they are held, in either the employees' contribution fund or the general reserve fund.

(1) The employees' contribution fund shall be the fund in which shall be accumulated the contributions of the members. The employer shall, except as provided in subdivision (5) of this subsection, cause to be deducted from the compensation of each member on each and every payroll, for each and every payroll period, the pro rata portion of five and nine-tenths percent of his annualized compensation. Effective January 1, 1999, **through December 31, 2013**, the employer shall deduct an additional one and six-tenths percent of the member's annualized compensation. **For 2014 and for each subsequent year, the employer shall deduct from each member's annualized compensation the rate of contribution determined for such year by the actuary for the retirement system in the manner provided in subsection 4 of this section.**

(2) The employer shall pay all such deductions and any amount it may elect to pay pursuant to subdivision (5) of this subsection to the retirement system at once. The retirement system shall credit such deductions and such amounts to the individual account of each member from whose compensation the deduction was made or with respect to whose compensation the amount was paid pursuant to subdivision (5) of this subsection. In determining the deduction for a member in any payroll period, the board of trustees may consider the rate of compensation payable to such member on the first day of the payroll period as continuing throughout such period.

(3) The deductions provided for herein are declared to be a part of the compensation of the member and the making of such deductions shall constitute payments by the member out of the person's compensation and such deductions shall be made notwithstanding that the amount actually paid to the member after such deductions is less than the minimum compensation provided by law for any member. Every member shall be deemed to consent to the deductions made and provided for herein, and shall receipt for the person's full compensation, and the making of the deduction and the payment of compensation less the deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for services rendered during the period covered by the payment except as to benefits provided by sections 169.270 to 169.400.

(4) The accumulated contributions with interest of a member withdrawn by the person or paid to the person's estate or designated beneficiary in the event of the person's death before retirement shall be paid from the employees' contribution fund. Upon retirement of a member the member's accumulated contributions with interest shall be transferred from the employees' contribution fund to the general reserve fund.

(5) The employer may elect to pay on behalf of all members all or part of the amount that the members would otherwise be required to contribute to the employees' contribution fund pursuant to subdivision (1) of this subsection. Such amounts paid by the employer shall be in lieu of members' contributions and shall be treated for all purposes of sections 169.270 to 169.400 as contributions made by members. Notwithstanding any other provision of this chapter to the contrary, no member shall be entitled to receive such amounts directly. The election shall be made by a duly adopted resolution of the employer's board and shall remain in effect for at least one year from the effective date thereof. The election may be thereafter terminated only by an affirmative act of the employer's board notwithstanding any limitation in the term thereof in the adopting resolution. Any such termination resolution shall be adopted at least sixty days prior to the effective date thereof, and the effective date thereof shall coincide with a fiscal year-end of the employer. In the absence of such a termination resolution, the election shall remain in effect from fiscal year to fiscal year.

2. The general reserve fund shall be the fund in which shall be accumulated all reserves for the payment of all benefit expenses and other demands whatsoever upon the retirement system except those items heretofore allocated to the employees' contribution fund.

(1) All contributions by the employer, except those the employer elects to make on behalf of the members pursuant to subdivision (5) of subsection 1 of this section, shall be credited to the general reserve fund.

(2) Should a retirant be restored to active service and again become a member of the retirement system, the excess, if any, of the person's accumulated contributions over benefits received by the retirant shall be transferred from the general reserve fund to the employees' contribution fund and credited to the person's account.

3. Gifts, devises, bequests and legacies may be accepted by the board of trustees and deposited in the general reserve fund to be held, invested and used at its discretion for the benefit of the retirement system except where specific direction for the use of a gift is made by a donor.

4. Beginning in 2013, the actuary for the retirement system shall annually calculate the rate of employer contributions and member contributions for 2014 and for each subsequent calendar year, expressed as a level percentage of the annualized compensation of the members, subject to the following:

(1) The rate of contribution for any calendar year shall be determined based on an actuarial valuation of the retirement system as of the first day of the prior calendar year. Such actuarial valuation shall be performed using the actuarial cost method and actuarial assumptions adopted by the board of trustees and in accordance with accepted actuarial standards of practice in effect at the time the valuation is performed, as promulgated by the actuarial standards board or its successor;

(2) The target combined employer and member contribution rate shall be the amount actuarially required to cover the normal cost and amortize any unfunded accrued actuarial liability over a period that shall not exceed thirty years from the date of the valuation;

(3) The target combined rate as so determined shall be allocated equally between the employer contribution rate and the member contribution rate, provided, however, that the level rate of contributions to be paid by the employers and the level rate of contributions to be deducted from the compensation of members for any calendar year shall each be limited as follows:

(a) The contribution rate shall not be less than seven and one-half percent;

(b) The contribution rate shall not exceed nine percent; and

(c) Changes in the contribution rate from year to year shall be in increments of one-half percent such that the contribution rate for any year shall not be greater than or less than the rate in effect for the prior year by more than one-half percent;

(4) The board of trustees shall certify to the employers the contribution rate for the following calendar year no later than six months prior to the date such rate is to be effective.”; and

centralized filing of such cases, nor the assignment of such cases to particular associate circuit or circuit judges pursuant to local circuit court rule or action by the presiding judge of the circuit. Such cases shall be heard and determined by associate circuit judges unless a circuit judge is transferred or assigned to hear such case or cases or unless the plaintiff pursuant to subsection 2 of section 478.250 has designated the case as one to be heard under the practice and procedure applicable before circuit judges and the case is heard by a circuit judge. If the case is heard before an associate circuit judge who has not been specially assigned to hear the case on the record, to the extent practice and procedure are not provided in this chapter the practice and procedure provided in chapter 517 shall apply. If the case is heard initially before an associate circuit judge who has been specially assigned to hear the case on a record or before a circuit judge, the case shall be heard and determined under the same practice and procedure as would apply if the case was being heard upon an application for trial de novo **unless the case involves an action between a landlord and a tenant**, and in such instances, notwithstanding the specific references to chapter 517 in this chapter, the practice and procedure provided in the Missouri Rules of Civil Procedure and the extant provisions of The Civil Code of Missouri shall apply instead of those contained in chapter 517.

535.020. 1. Whenever any rent has become due and payable, and payment has been demanded by the landlord or the landlord's agent from the lessee or person occupying the premises, and payment thereof has not been made, the landlord or agent may file a statement, verified by affidavit, with any associate circuit judge in the county in which the property is situated, setting forth the terms on which such property was rented, and the amount of rent actually due to such landlord; that the rent has been demanded from the tenant, lessee or person occupying the premises, and that payment has not been made, and substantially describing the property rented or leased. Giving the notice provided in section 441.060 is not required prior to filing a statement or obtaining the relief provided in this chapter. In such case, the clerk of the court shall immediately issue a summons directed to such tenant or lessee and to all persons occupying the premises, by name, requiring them to appear before the judge upon a day to be therein named, and show cause why possession of the property should not be restored to the plaintiff. The landlord or agent may, in such an action for unpaid rent, join a claim for any other unpaid sums, other than property damages, regardless of how denominated or defined in the lease, to be paid by or on behalf of a tenant to a landlord for any purpose set forth in the lease; provided that such other sums shall not be considered rent for purposes of this chapter, and judgment for the landlord for recovery of such other sums shall not by itself entitle the landlord to an order for recovery of possession of the premises. The provisions of this section providing for the filing of a statement before an associate circuit judge shall not preclude adoption of a local circuit court rule providing for the centralized filing of such cases, nor the assignment of such cases to particular circuit or associate circuit judges pursuant to local circuit court rule or action by the presiding judge of the circuit. The case shall be heard and determined under the practice and procedure provided in the Missouri rules of civil procedure, except where otherwise provided by this chapter.

2. If a judgment has been entered in favor of the plaintiff under subsection 1 of this section for recovery of the premises, the sheriff of the county in which the premises is located, within ten days of such judgment, may inspect the premises for the sole purpose of determining safety prior to the removal of any contents as required by the court.

535.030. 1. Such summons shall be served as in other civil cases at least four days before the court date in the summons. The summons shall include a court date which shall not be more than twenty-one business days from the date the summons is issued unless at the time of filing the affidavit the plaintiff or plaintiff's attorney consents in writing to a later date.

2. In addition to attempted personal service, the plaintiff may request, and thereupon the clerk of the court shall make an order directing that the officer, or other person empowered to execute the summons, shall also serve the same by securely affixing a copy of such summons and the complaint in a conspicuous place on the dwelling of the premises in question at least ten days before the court date in such summons, and by also mailing a copy of the summons and complaint to the defendant at the defendant's last known address by ordinary mail at least ten days before the court date. If the officer, or other person empowered to execute the summons, shall return that the defendant is not found, or that the defendant has absconded or vacated his or her usual place of abode in this state, and if proof be made by affidavit of the posting and of the mailing of a copy of the summons and complaint, the judge shall at the request of the plaintiff proceed to hear the case as if there had been personal service, and judgment shall be rendered and proceedings had as in other cases, except that no money judgment shall be granted the plaintiff where the defendant is in default and service is by the posting and mailing procedure set forth in this section.

3. If the plaintiff does not request service of the original summons by posting and mailing as provided in subsection 2 of this section, and if the officer, or other person empowered to execute the summons, makes return that the defendant is not found, or that the defendant has absconded or vacated the defendant's usual place of abode in this state, the plaintiff may request the issuance of an alias summons and service of the same by posting and mailing in the time and manner provided in subsection 2 of this section. In addition, the plaintiff or an agent of the plaintiff who is at least eighteen years of age may serve the summons by posting and mailing a copy of the summons in the time and manner provided in subsection 2 of this section. Upon proof by affidavit of the posting and of the mailing of a copy of the summons or alias summons and the complaint, the judge shall proceed to hear the case as if there had been personal service, and judgment shall be rendered and proceedings had as in other cases, except that no money judgment shall be granted the plaintiff where the defendant is in default and service is by the posting and mailing procedure provided in subsection 2 of this section.

4. On the date judgment is rendered as provided in this section where the defendant is in default, the clerk of the court shall mail to the defendant at the defendant's last known address by ordinary mail a notice informing the defendant of the judgment and the date it was entered, and stating that the defendant has ten days from the date of the judgment to file a motion to set aside the judgment [or to file an application for a trial de novo] in the circuit court, as the case may be, and that unless the judgment is set aside [or an application for a trial de novo is filed] within ten days, the judgment will become final and the defendant will be subject to eviction from the premises without further notice.

535.110. Applications for [trials de novo and] appeals shall be allowed and conducted in the manner provided in chapter 512; but no application for [a trial de novo or] **an** appeal shall stay execution unless the defendant give bond, with security sufficient to secure the payment of all damages, costs and rent then due, and with condition to stay waste and to pay all subsequently accruing rent, if any, into court within [ten] **three** days after it becomes due, pending determination of the [trial de novo or] appeal.

535.160. If the defendant, on the date any money judgment is given in any action pursuant to this chapter, either tenders to the landlord, or brings into the court where the suit is pending, all the rent then in arrears, and all the costs, further proceedings in the action shall cease and be stayed. If on any date after the date of any original trial [but before any trial de novo] the defendant shall satisfy such money judgment and pay all costs, any execution for possession of the subject premises shall cease and be stayed; except that the landlord shall not thereby be precluded from making application for appeal from such money judgment. If for any reason no money judgment is entered against the defendant and judgment for the plaintiff is limited

only to possession of the subject premises, no stay of execution shall be had, except as provided by the provisions of section 535.110 or the rules of civil procedure or by agreement of the parties.

535.170. After the execution of any judgment for possession pursuant to this chapter, the lessee and the lessee's assignees, and all other persons deriving title under the lease from such lessee, shall be barred from reentry of such premises and from all relief, and except for error in the record or proceedings, the landlord shall from that day hold the demised premises discharged from the lease. Nothing in this section shall preclude an aggrieved party from perfecting an appeal [or securing a trial de novo] as to any judgment rendered, and may as a result of such appeal [or trial de novo] recover any damage incurred, including damages incurred from an unlawful dispossession.

535.190. If a tenant appears before a judge in an action for nonpayment of rent, the court shall inquire, on the record, about the tenant's current residence and current place of employment.

535.200. 1. In the twenty-second judicial circuit, upon adoption of an ordinance by the city of St. Louis providing for expenditure of city funds for such purpose, a majority of the circuit judges, en banc, may establish a landlord-tenant court, which shall be a division of the circuit court, and may authorize the appointment of not more than two landlord-tenant court commissioners. The landlord-tenant court commissioners shall be appointed by a landlord-tenant court judicial commission consisting of the presiding judge of the circuit, who shall be the chair, one circuit judge elected by the circuit judges, one associate circuit judge elected by the associate circuit judges of the circuit, and two members appointed by the mayor of the city of St. Louis, each of whom shall represent one of the two political parties casting the highest number of votes at the next preceding gubernatorial election. Landlord-tenant commissioners may not, by ex parte means, hear cases and issue orders.

3. Landlord-tenant commissioners shall be licensed to practice law in this state and shall serve at the pleasure of a majority of the circuit and associate circuit judges, en banc, and shall be residents of the city of St. Louis, and shall receive as annual compensation an amount equal to one-third of the annual compensation of an associate circuit judge. Landlord-tenant commissioners shall not accept or handle cases in their practice of law which are inconsistent with their duties as a landlord-tenant commissioner and shall not be a judge or prosecutor for any other court. Landlord-tenant commissioners shall not be considered state employees and shall not be members of the state employees' or judicial retirement system or be eligible to receive any other employment benefit accorded state employees or judges.

4. A majority of the judges of the circuit, en banc, shall establish operating procedures for the landlord-tenant court. Proceedings in the landlord-tenant court shall be conducted as in cases tried before an associate circuit judge. The hearing shall be before a landlord-tenant commissioner without jury, and the commissioner shall assume an affirmative duty to determine the merits of the evidence presented and the defenses of the defendant and may question parties and witnesses. Clerks and computer personnel shall be assigned as needed for the efficient operation of the court.

5. The parties to a cause of action before a commissioner of the landlord-tenant court are entitled to file

with the court a motion for a hearing in associate circuit court within ten days after the mailing, or within ten days after service.

6. Operating procedures shall be provided for electronic recording of proceedings at city expense. Any person aggrieved by a judgment in a case decided under this section shall have a right to [a trial de novo in circuit court, or] an appeal to the appropriate appellate court, in the same manner as would a person aggrieved by a decision of an associate circuit judge under section 535.110. The procedures for perfecting the right of [a trial de novo or] **an** appeal shall be the same as that provided pursuant to sections 512.180 to 512.320.

The procedures and operations of the landlord-tenant court judicial commission shall be established by circuit court rule.

2. Landlord-tenant commissioners may be authorized to hear in the first instance disputes involving landlords and their tenants. 10. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies of six months' or less duration, or any other supplemental policy as determined by the director of the department of insurance, financial institutions and professional registration.”; and

Tax credits allowed under this section may be assigned, transferred, sold, or otherwise conveyed.

5. An alternative fuel vehicle refueling property, for which an eligible applicant receives tax credits under this section, which ceases to sell alternative fuel shall cause the forfeiture of such eligible applicant's tax credits provided under this section for the taxable year in which the alternative fuel vehicle refueling property ceased to sell alternative fuel and for future taxable years with no recapture of tax credits obtained by an eligible applicant with respect to such applicant's tax years which ended before the sale of alternative fuel ceased.

The director of revenue shall establish the procedure by which the tax credits in this section may be claimed, and shall establish a procedure by which the cumulative amount of tax credits is apportioned equally among all eligible applicants claiming the credit. To the maximum extent possible, the director of revenue shall establish the procedure described in this subsection in such a manner as to ensure that eligible applicants can claim all the tax credits possible up to the cumulative amount of tax credits available for the taxable year. No eligible applicant claiming a tax credit under this section shall be liable for any interest or penalty for filing a tax return after the date fixed for filing such return as a result of the apportionment procedure under this subsection.

7. Any eligible applicant desiring to claim a tax credit under this section shall submit the appropriate application for such credit with the department. The application for a tax credit under this section shall include any information required by the department. The department shall review the applications and certify to the department of revenue each eligible applicant that qualifies for the tax credit.

8. The department and the department of revenue may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

9. Pursuant to section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after August 28, [2008] **2013**, unless reauthorized by an act of the general assembly; and

The director shall annually, on or before January thirty-first of each year, collect or cause to be collected from owners or operators of the motor vehicles specified in subsection 1 of this section the annual decal fee. Applications for such decals shall be supplied by the department of revenue. In the case of a motor vehicle which is not in operation by January thirty-first of any year, a decal may be purchased for a fractional period of such year, and the amount of the decal fee shall be reduced by one-twelfth for each

complete month which shall have elapsed since the beginning of such year.

4. Upon the payment of the fee required by subsection 1 of this section, the director shall issue a decal, which shall be valid for the current calendar year and shall be attached to the lower right-hand corner of the front windshield on the motor vehicle for which it was issued.

5. “302.291. 1. The director, having good cause to believe that an operator is incompetent or unqualified to retain his or her license, after giving ten days’ notice in writing by certified mail directed to such person’s present known address, may require the person to submit to an examination as prescribed by the director. Upon conclusion of the examination, the director may allow the person to retain his or her license, may suspend, deny or revoke the person’s license, or may issue the person a license subject to restrictions as provided in section 302.301. If an examination indicates a condition that potentially impairs safe driving, the director, in addition to action with respect to the license, may require the person to submit to further periodic examinations. The refusal or neglect of the person to submit to an examination within thirty days after the date of such notice shall be grounds for suspension, denial or revocation of the person’s license by the director, an associate circuit or circuit court. Notice of any suspension, denial, revocation or other restriction shall be provided by certified mail. As used in this section, the term “denial” means the act of not licensing a person who is currently suspended, revoked or otherwise not licensed to operate a motor vehicle. Denial may also include the act of withdrawing a previously issued license.

2. The examination provided for in subsection 1 of this section may include, but is not limited to, a written test and tests of driving skills, vision, highway sign recognition and, if appropriate, a physical and/or mental examination as provided in section 302.173.

3. The director shall have good cause to believe that an operator is incompetent or unqualified to retain such person’s license on the basis of, but not limited to, a report by:

(1) Any certified peace officer;

(2) Any physician, physical therapist or occupational therapist licensed pursuant to chapter 334; any chiropractic physician licensed pursuant to chapter 331; any registered nurse licensed pursuant to chapter 335; any psychologist, social worker or professional counselor licensed pursuant to chapter 337; any optometrist licensed pursuant to chapter 336; **any emergency medical technician licensed pursuant to chapter 190**; or

(3) Any member of the operator’s family within three degrees of consanguinity, or the operator’s spouse, who has reached the age of eighteen, except that no person may report the same family member pursuant to this section more than one time during a twelve-month period. The report must state that the person reasonably and in good faith believes the driver cannot safely operate a motor vehicle and must be based upon personal observation or physical evidence which shall be described in the report, or the report shall be based upon an investigation by a law enforcement officer. The report shall be a written declaration in the form prescribed by the department of revenue and shall contain the name, address, telephone number, and signature of the person making the report.

4. Any physician, physical therapist or occupational therapist licensed pursuant to chapter 334, any chiropractor licensed pursuant to chapter 331, any registered nurse licensed pursuant to chapter 335, any psychologist, social worker or professional counselor licensed pursuant to chapter 337, or any optometrist licensed pursuant to chapter 336, **or any emergency medical technician licensed pursuant to chapter 190** may report to the department any patient diagnosed or assessed as having a disorder or condition that may prevent such person from safely operating a motor vehicle. Such report shall state the diagnosis or

assessment and whether the condition is permanent or temporary. The existence of a physician-patient relationship shall not prevent the making of a report by such medical professionals.

5. Any person who makes a report in good faith pursuant to this section shall be immune from any civil liability that otherwise might result from making the report. Notwithstanding the provisions of chapter 610 to the contrary, all reports made and all medical records reviewed and maintained by the department of revenue pursuant to this section shall be kept confidential except upon order of a court of competent jurisdiction or in a review of the director's action pursuant to section 302.311.

6. The department of revenue shall keep records and statistics of reports made and actions taken against driver's licenses pursuant to this section.

7. The department of revenue shall, in consultation with the medical advisory board established by section 302.292, develop a standardized form and provide guidelines for the reporting of cases and for the examination of drivers pursuant to this section. The guidelines shall be published and adopted as required for rules and regulations pursuant to chapter 536. The department of revenue shall also adopt rules and regulations as necessary to carry out the other provisions of this section. The director of revenue shall provide health care professionals and law enforcement officers with information about the procedures authorized in this section. The guidelines and regulations implementing this section shall be in compliance with the federal Americans with Disabilities Act of 1990.

8. Any person who knowingly violates a confidentiality provision of this section or who knowingly permits or encourages the unauthorized use of a report or reporting person's name in violation of this section shall be guilty of a class A misdemeanor and shall be liable for damages which proximately result.

9. Any person who intentionally files a false report pursuant to this section shall be guilty of a class A misdemeanor and shall be liable for damages which proximately result.

10. All appeals of license revocations, suspensions, denials and restrictions shall be made as required pursuant to section 302.311 within thirty days after the receipt of the notice of revocation, suspension, denial or restriction.

11. Any individual whose condition is temporary in nature as reported pursuant to the provisions of subsection 4 of this section shall have the right to petition the director of the department of revenue for total or partial reinstatement of his or her license. Such request shall be made on a form prescribed by the department of revenue and accompanied by a statement from a health care provider with the same or similar license as the health care provider who made the initial report resulting in the limitation or loss of the driver's license. Such petition shall be decided by the director of the department of revenue within thirty days of receipt of the petition. Such decision by the director is appealable pursuant to subsection 10 of this section.”; and

If any disability beneficiary who has not attained sixty years of age refuses to submit to a medical examination, his or her disability pension may be discontinued **by the board of trustees of the police retirement system** until his or her withdrawal of such refusal, and if his or her refusal continues for one year, all rights in and to such pension may be revoked by the board of trustees.

4. If the medical [director] **board** certifies to the board of trustees that a disability beneficiary is able to perform the duties of a police officer, [and if the board of trustees concurs with the medical director's determination,] then such beneficiary's disability pension shall cease.

5. If upon cessation of a disability pension under subsection 4 of this section, the former disability beneficiary is restored to active service, he or she shall again become a member, and he or she shall contribute thereafter at the same rate as other members. Upon his or her subsequent retirement, he or she shall be credited with all of his or her active service time as a member including the service time prior to receiving disability retirement, but not including any time during which the former disability beneficiary received a disability pension under this section.

6. If upon cessation of a disability pension under subsection 4 of this section, the former disability beneficiary is not restored to active service, such former disability beneficiary shall be entitled to the retirement benefit to which such former disability beneficiary would have been entitled if such former disability beneficiary had terminated service for any reason other than dishonesty or being convicted of a felony at the time of such cessation of such former disability beneficiary's disability pension. For purposes

of such retirement benefits, such former disability beneficiary shall be credited with all of the former disability beneficiary's active service time as a member, but not including any time during which the former disability beneficiary received a disability beneficiary pension under this section.”; and

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Bill No. 24, Page 27, Section 137.095, Line 20, by inserting after all of said line the following:

“143.115. 1. As used in this section, the following terms mean:

(1) “Deduction”, an amount subtracted from the taxpayer’s Missouri adjusted gross income to

determine Missouri taxable income for the tax year in which such deduction is claimed;

(2) “Made in America”, manufactured or produced within the United States of America or, if premanufactured, having a fair market value at least seventy percent of which results from domestic labor and materials;

(3) “Storm shelter”, an above-ground safe room or an in-ground shelter in this state in the taxpayer’s primary residence or on the taxpayer’s real property that protects from injury or death caused by dangerous and extreme windstorms, that is in compliance with the requirements established in the Federal Emergency Management Agency’s Publication 320 or its successor publication in effect at the time the storm shelter was completed, and that is made in America;

(4) “Taxpayer”, any individual who is a resident of this state and who is subject to the income tax imposed in this chapter.

2. In addition to all deductions listed in this chapter, for all taxable years beginning on or after January 1, 2014, a taxpayer shall be allowed a deduction for the costs incurred in constructing or installing a storm shelter. The deduction amount shall be equal to the lesser of the full amount of the costs incurred in constructing the storm shelter or two thousand five hundred dollars. No taxpayer shall claim a tax deduction more than once under this section, and no deduction shall be issued for more than one storm shelter constructed or installed by such taxpayer for the taxpayer’s primary residence.

3. The aggregate amount of tax deductions which may be issued under this section in any one fiscal year shall not exceed two million dollars. If the amount of tax deductions claimed under this section exceeds two million dollars, the director of the department of revenue shall establish a procedure by which, from the beginning of the fiscal year until some point in time later in the fiscal year to be determined by the director, the cumulative amount of tax deductions are equally apportioned among all taxpayers allowed a tax deduction under this section. The director may establish more than one period of time and reapportion more than once during each fiscal year. To the maximum extent possible, the director shall establish the procedure described in this subsection in such a manner as to ensure that taxpayers can claim all the tax deductions possible up to the cumulative amount of tax deductions available for the fiscal year.

4. The department of revenue shall establish the procedure by which the deduction provided in this section may be claimed, and may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

5. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December thirty-first six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 2

Amend House Committee Substitute for Senate Bill No. 24, Page 26, Section 92.387, Line 2, by inserting after all of said section and line, the following:

“96.155. 1. The board of trustees of a hospital established under this chapter, with the concurrence of the council of the city of the third class, may, by resolution, abolish the property tax authorized by section 96.150 to fund the operations of a hospital in accordance with sections 96.150 to 96.228 and impose a sales tax on all retail sales made within the city which are subject to sales tax under chapter 144 and all sales of metered water services, electricity, electrical current and natural, artificial or propane gas, wood, coal, or home heating oil for domestic use only as provided under section 144.032. The tax authorized in this section shall be not more than one percent, and shall be imposed solely for the purpose of funding the operations of a hospital under sections 96.150 to 96.228. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes.

2. No such resolution adopted under this section shall become effective unless the board of trustees of such a hospital submits to the voters residing within the city of the third class at a state general, primary, or special election a proposal to authorize the board of trustees to impose a tax under this section. If two-thirds of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the local sales tax. If less than two-thirds of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by two-thirds of the qualified voters voting on the question. The question shall be submitted in the following form:

Shall the board of trustees of _____ (hospital, nursing home, or convalescent home, etc.) and the city council of _____ (name of city) abolish the property tax established to support such facility and replace the property tax with a city sales tax of _____ (insert rate of percent) for the purpose of equipping, operating, and maintaining such facility?

YES NO

3. All revenue collected under this section by the director of the department of revenue on behalf of the hospital operated under sections 96.150 to 96.228, except for one percent for the cost of collection which shall be deposited in the state’s general revenue fund, shall be deposited in a special

trust fund, which is hereby created and shall be known as the “City of the Third Class City Hospital Sales Tax Fund”, and shall be used solely for the designated purposes. Moneys in the fund shall not be deemed to be state funds, and shall not be commingled with any funds of the state. The director may make refunds from the amounts in the fund and credited to the board of trustees of the city hospital for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such board of trustees. Any funds in the special fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The board of trustees of a hospital operated under sections 96.150 to 96.228 that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city of the third class. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

5. Whenever the board of trustees of a hospital operated under sections 96.150 to 96.228 that has adopted the sales tax authorized in this section receives a petition, signed by a number of registered voters of the city of the third class equal to at least ten percent of the number of registered voters of the city voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the board of trustees shall submit to the voters of the city of the third class a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, the repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

6. If the tax is repealed or terminated by any means, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes, and the board of trustees shall notify the director of the department of revenue of the action at least ninety days before the effective date of the repeal and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city of the third class, the director shall remit the balance in the account to the district and close the account of that city hospital. The director shall notify each board of trustees of each instance of any amount refunded or any check redeemed from receipts due the hospital operated under sections 96.150 to 96.228.

7. All applicable provisions contained in sections 144.010 to 144.525, governing the state sales tax, sections 32.085 to 32.087, governing local sales taxes, and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified by this section.”; and

Further amend said bill, Page 45, Section 144.030, Line 288, by inserting after all of said section and line, the following:

“144.032. The provisions of section 144.030 to the contrary notwithstanding, any city imposing a sales tax under the provisions of sections 94.500 to 94.570 **or sections 96.150 to 96.228**, or any county imposing a sales tax under the provisions of sections 66.600 to 66.635, or any county imposing a sales tax under the provisions of sections 67.500 to 67.729 **or section 205.205, or any hospital district imposing a sales tax under the provisions of section 206.165**, or any hospital district imposing a sales tax under the provisions of section 205.205 may by ordinance impose a sales tax upon all sales of metered water services, electricity, electrical current and natural, artificial or propane gas, wood, coal, or home heating oil for domestic use only. Such tax shall be administered by the department of revenue and assessed by the retailer in the same manner as any other city, county, or hospital district sales tax. Domestic use shall be determined in the same manner as the determination of domestic use for exemption of such sales from the state sales tax under the provisions of section 144.030.”; and

Further amend said bill, Page 62, Section 192.310, Line 7, by inserting after all of said section and line, the following:

“205.205. 1. The governing body of any [hospital district] **county which has established a county hospital** under sections 205.160 to 205.379 [in any county of the third classification without a township form of government and with more than ten thousand six hundred but fewer than ten thousand seven hundred inhabitants or any county of the third classification without a township form of government and with more than eleven thousand seven hundred fifty but fewer than eleven thousand eight hundred fifty inhabitants] may, by resolution, abolish the property tax authorized [in such district] **by section 205.200 to fund a county hospital** under this chapter and impose a sales tax on all retail sales made within the district which are subject to sales tax under chapter 144 and all sales of metered water services, electricity, electrical current and natural, artificial or propane gas, wood, coal, or home heating oil for domestic use only as provided under section 144.032. The tax authorized in this section shall be not more than one percent, and shall be imposed solely for the purpose of funding the **county** hospital [district]. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes.

2. “99.845. 1. (2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation

of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. (3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision

collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent

“Further amend said bill, Page 26, Section 92.387, Line 2, by inserting after all of said section and line, the following:

“99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the “Special Allocation Fund” of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable, **except that if a political subdivision increases its rate of property taxation after the adoption of the redevelopment project said additional taxation revenues shall not be considered to be payment in lieu of taxes subject to capture under this section.** The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, or any sales tax imposed by a county with a charter form of government and with more than six hundred

thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

8. For purposes of this section, "new state revenues" means:

In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have

made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. at least two licensed individuals when transporting a patient, except as provided in section 190.094.

3. No license shall be required for an ambulance service, or for the attendant of an ambulance, which:

5. Sections 190.001 to 190.245 shall not preclude the adoption of any law, ordinance or regulation not in conflict with such sections by any city not within a county, or at least as strict as such sections by any county, municipality or political subdivision except that no such regulations or ordinances shall be adopted by a political subdivision in a county with a population of over nine hundred thousand inhabitants except by the county's governing body.

8. 10. Except as provided in subsections 5 and 6, nothing in section 67.300, or subsection 2 of section 190.109, shall be construed to authorize any municipality or county which is located within an ambulance district or a fire protection district that is authorized to provide ambulance service to promulgate laws, ordinances or regulations related to the provision of ambulance services. This provision shall not apply to any municipality or county which operates an ambulance service established prior to August 28, 1998.

11. Nothing in section 67.300 or subsection 2 of section 190.109 shall be construed to authorize any municipality or county which is located within an ambulance district or a fire protection district that is

authorized to provide ambulance service to operate an ambulance service without a franchise in an ambulance district or a fire protection district that is authorized to provide ambulance service which has enacted an ordinance making it unlawful to do so. This provision shall not apply to any municipality or county which operates an ambulance service established prior to August 28, 1998.

12. No provider of ambulance service within the state of Missouri which is licensed by the department to provide such service shall discriminate regarding treatment or transportation of emergency patients on the basis of race, sex, age, color, religion, sexual preference, national origin, ancestry, handicap, medical condition or ability to pay.

HOUSE AMENDMENT NO. 10

Amend House Committee Substitute for Senate Bill No. 24, Page 29, Section 143.145, Line 78, by inserting after all of said section and line the following:

“143.451. 1. Missouri taxable income of a corporation shall include all income derived from sources within this state.

2. A corporation described in subdivision (1) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income from sources within this state, including that from the transaction of business in this state and that from the transaction of business partly done in this state and partly done in another state or states. However:

(1) Where income results from a transaction partially in this state and partially in another state or states, and income and deductions of the portion in the state cannot be segregated, then such portions of income and deductions shall be allocated in this state and the other state or states as will distribute to this state a portion based upon the portion of the transaction in this state and the portion in such other state or states.

(2) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner, **or the manner set forth in subdivision (3) of this subsection:**

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state.

(b) The amount of sales which are transactions wholly in this state shall be added to one-half of the amount of sales which are transactions partly within this state and partly without this state, and the amount thus obtained shall be divided by the total sales or in cases where sales do not express the volume of business, the amount of business transacted wholly in this state shall be added to one-half of the amount of business transacted partly in this state and partly outside this state and the amount thus obtained shall be divided by the total amount of business transacted, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction.

[(3)] **(c)** For the purposes of this [section] **subdivision**, a transaction involving the sale of tangible property is:

[(a)] **a.** “Wholly in this state” if both the seller’s shipping point and the purchaser’s destination point are in this state;

[(b)] **b.** “Partly within this state and partly without this state” if the seller’s shipping point is in this state and the purchaser’s destination point is outside this state, or the seller’s shipping point is outside this state and the purchaser’s destination point is in this state;

[(c)] **c.** Not “wholly in this state” or not “partly within this state and partly without this state” only if both the seller’s shipping point and the purchaser’s destination point are outside this state[;].

(d) For purposes of this subdivision:

a. The purchaser’s destination point shall be determined without regard to the FOB point or other conditions of the sale[.] ; and

b. The seller’s shipping point is determined without regard to the location of the seller’s principle office or place of business.

(3) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state;

(b) The amount of sales which are transactions in this state shall be divided by the total sales, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction;

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. “In this state” if the purchaser’s destination point is in this state;

b. Not “in this state” if the purchaser’s destination point is outside this state;

(d) For purposes of this subdivision, the purchaser’s destination point shall be determined without regard to the FOB point or other conditions of the sale and shall not be in this state if the purchaser received the tangible personal property from the seller in this state for delivery to the purchaser’s location outside this state.

(4) For purposes of this subsection, the following words shall, unless the context otherwise requires, have the following meaning:

(a) “Administration services” include, but are not limited to, clerical, fund or shareholder accounting, participant record keeping, transfer agency, bookkeeping, data processing, custodial, internal auditing, legal and tax services performed for an investment company;

(b) “Affiliate”, the meaning as set forth in 15 U.S.C. Section 80a-2(a)(3)(C), as may be amended from time to time;

(c) “Distribution services” include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares. In the case of an open end company, such service of underwriting or selling shares must be performed pursuant to a contract entered into pursuant to 15 U.S.C. Section 80a-15(b), as from time to time amended;

(d) “Investment company”, any person registered under the federal Investment Company Act of 1940, as amended from time to time, (the act) or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to Section 80a-3(c)(1) of the act;

(e) “Investment funds service corporation” includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage

of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;

(g) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, gross income is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each

investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this

state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

2. In addition to the games of skill [referred to in subdivision (14) of] **defined in** subsection 1 of this section, the commission may approve other games of skill upon receiving a petition requesting approval of a gambling game from any applicant or licensee. The commission may set the matter for hearing by serving the applicant or licensee with written notice of the time and place of the hearing not less than five days prior to the date of the hearing and posting a public notice at each commission office. The commission shall require the applicant or licensee to pay the cost of placing a notice in a newspaper of general circulation in the applicant’s or licensee’s home dock city or county. The burden of proof that the gambling game is a game of skill is at all times on the petitioner. The petitioner shall have the affirmative responsibility of establishing his or her case by a preponderance of evidence including:

(1) Is it in the best interest of gaming to allow the game; and

(2) Is the gambling game a game of chance or a game of skill?

All testimony shall be given under oath or affirmation. Any citizen of this state shall have the opportunity to testify on the merits of the petition. The commission may subpoena witnesses to offer expert testimony. Upon conclusion of the hearing, the commission shall evaluate the record of the hearing and issue written findings of fact that shall be based exclusively on the evidence and on matters officially noticed. The commission shall then render a written decision on the merits which shall contain findings of fact, conclusions of law and a final commission order. The final commission order shall be within thirty days of the hearing. Copies of the final commission order shall be served on the petitioner by certified or overnight express mail, postage prepaid, or by personal delivery.

313.812. 1. The commission may issue licenses pursuant to subsection 1 of section 313.807 when it is satisfied that the applicant has complied with all rules and regulations, including an update of all information provided to the commission in the licensee’s initial application. The commission shall decide the number, location and type of excursion gambling boat in a city or county under subsection 10 of this section. The license shall set forth the name of the licensee, the type of license granted, the place where the excursion gambling boat will operate and dock, including the docking of an excursion gambling boat which is continuously docked, and other information the commission deems appropriate. The commission shall have the ultimate responsibility of deciding the number, location, and type of excursion gambling boats

licensed in a city or county; however, any city or county which has complied with the provisions of subsection 10 of this section shall submit to the commission a plan outlining the following:

- (1) The recommended number of licensed excursion gambling boats operating in such city or county;
- (2) The recommended licensee or licensees operating in such city or county;
- (3) The community's economic development or impact and affirmative action plan concerning minorities' and women's ownership, contracting and employment for the waterfront development;
- (4) The city or county proposed sharing of revenue with any other municipality;
- (5) Any other information such city or county deems necessary; and
- (6) Any other information the commission may determine is necessary.

The commission shall provide for due dates for receiving such plan from the city or county.

2. A license to operate an excursion gambling boat shall only be granted to an applicant upon the express conditions that:

(1) The applicant shall not, by a lease, contract, understanding, or arrangement of any kind, grant, assign, or turn over to a person the operation of an excursion gambling boat licensed under this section or of the system of wagering described in section 313.817. This section does not prohibit a management contract with a person licensed by the commission; and

(2) The applicant shall not in any manner permit a person other than the licensee and the management licensee to have a share, percentage, or proportion of the money received for admissions to the excursion gambling boat.

3. The commission shall require, as a condition of granting a license, that an applicant operate an excursion gambling boat which, as nearly as practicable, resembles or is a part of Missouri's or the home dock city's or county's riverboat history.

4. The commission shall encourage through its rules and regulations the use of Missouri resources, goods and services in the operation of any excursion gambling boat.

5. The excursion gambling boat shall provide for nongaming areas, food service and a Missouri theme gift shop. The amount of space used for gaming shall be determined in accordance with all rules and regulations of the commission and the United States Coast Guard safety regulations.

6. A license to operate gambling games or to operate an excursion gambling boat shall not be granted unless the applicant has, through clear and convincing evidence, demonstrated financial responsibility sufficient to meet adequately the requirements of the proposed enterprise. 7. Each applicant shall establish by clear and convincing evidence its fitness to be licensed. Without limitation, the commission may deny a license based solely on the fact that there is evidence that any of the following apply:

(1) The applicant has been suspended from operating an excursion gambling boat or a game of chance or gambling operation in another jurisdiction by a board or commission of that jurisdiction;

(2) The applicant is not the true owner of the enterprise proposed;

(3) The applicant is not the sole owner, and other persons have ownership in the enterprise, which fact has not been disclosed;

(4) The applicant is a corporation that is not publicly traded and ten percent or more of the stock of the corporation is subject to a contract or option to purchase at any time during the period for which the license is to be issued unless the contract or option was disclosed to the commission and the commission approved the sale or transfer during the period of the license;

(5) The applicant has knowingly made a false statement of a material fact to the commission; or

(6) The applicant has failed to meet a valid, bona fide monetary obligation in connection with an excursion gambling boat.

8. A license shall not be granted if the applicant has not established [his] **the applicant's** good repute and moral character or if the applicant has pled guilty to, or has been convicted of, a felony. No licensee shall employ or contract with any person who has pled guilty to, or has been convicted of, a felony to perform any duties directly connected with the licensee's privileges under a license granted pursuant to this section, except that employees performing nongaming related occupations as determined by the commission shall be exempt from the requirements of this subsection.

9. **Except as provided in section 313.817**, a licensee shall not lend to any person money or any other thing of value for the purpose of permitting that person to wager on any gambling game authorized by law. This does not prohibit credit card or debit card transactions or cashing of checks. Any check cashed, **other than a credit instrument**, must be deposited within twenty-four hours. **Except for any credit instrument**, the commission may require licensees to verify a sufficient account balance exists before cashing any check. Any licensee who violates the provisions of this subsection shall be subject to an administrative penalty of five thousand dollars for each violation. Such administrative penalties shall be assessed and collected by the commission.

10. Gambling excursions including the operation of gambling games on an excursion gambling boat which is not continuously docked shall be allowed only on the Mississippi River and the Missouri River. No license to conduct gambling games on an excursion gambling boat in a city or county shall be issued unless and until the qualified voters of the city or county approve such activities pursuant to this subsection. The question shall be submitted to the qualified voters of the city or county at a general, primary or special election upon the motion of the governing body of the city or county or upon the petition of fifteen percent of the qualified voters of the city or county determined on the basis of the number of votes cast for governor in the city or county at the last election held prior to the filing of the petition. The question shall be submitted in substantially the following form:

Shall the City (County) of allow the licensing of excursion gambling boats or floating facilities as now or hereafter provided by Missouri gaming law in the city (county)?

☐ YES

☐ NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the commission may license excursion gambling boats in that city or county and such boats may operate on the Mississippi River and the Missouri River. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the commission shall not license such excursion gambling boats in such city or county unless and until the question is again submitted to and approved by a majority of the qualified voters of the city or county at a later election. Excursion gambling boats may only dock in a city or unincorporated area of a county which approves licensing of such excursion gambling boats pursuant to this subsection, but gambling operations may be conducted at any point on the

Mississippi River or the Missouri River during an excursion. Those cities and counties which have approved by election pursuant to this subsection, except those cities or counties which have subsequently rejected by election, the licensing of any type of excursion gambling boats in the city or county prior to April 6, 1994, are exempt from any local election requirement of this section as such previous election shall have the same effect as if held after May 20, 1994.

11. If a docking fee is charged by a city or a county, a licensee operating an excursion gambling boat shall pay the docking fee prior to the start of the excursion season.

12. Any licensee shall not be delinquent in the payment of property taxes or other taxes or fees or in the payment of any other contractual obligation or debt due or owed to the state or a political subdivision of the state.

13. An excursion gambling boat licensed by the state shall meet all of the requirements of chapter 306 and is subject to an inspection of its sanitary facilities to protect the environment and water quality by the commission or its designee before a license to operate an excursion gambling boat is issued by the commission. Licensed excursion gambling boats shall also be subject to such inspections during the period of the license as may be deemed necessary by the commission. The cost of such inspections shall be paid by the licensee.

14. A holder of any license shall be subject to imposition of penalties, suspension or revocation of such license, or if the person is an applicant for licensure, the denial of the application, for any act or failure to act by himself or his agents or employees, that is injurious to the public health, safety, morals, good order and general welfare of the people of the state of Missouri, or that would discredit or tend to discredit the Missouri gaming industry or the state of Missouri unless the licensee proves by clear and convincing evidence that it is not guilty of such action. The commission shall take appropriate action against any licensee who violates the law or the rules and regulations of the commission. Without limiting other provisions of this subsection, the following acts or omissions may be grounds for such discipline:

(1) Failing to comply with or make provision for compliance with sections 313.800 to 313.850, the rules and regulations of the commission or any federal, state or local law or regulation;

(2) Failing to comply with any rule, order or ruling of the commission or its agents pertaining to gaming;

(3) Receiving goods or services from a person or business entity who does not hold a supplier's license but who is required to hold such license by the provisions of sections 313.800 to 313.850 or the rules and regulations of the commission;

(4) Being suspended or ruled ineligible or having a license revoked or suspended in any state of gaming jurisdiction;

(5) Associating with, either socially or in business affairs, or employing persons of notorious or unsavory reputation or who have extensive police records, or who have failed to cooperate with any officially constituted investigatory or administrative body and would adversely affect public confidence and trust in gaming;

(6) Employing in any gambling games' operation or any excursion gambling boat operation, any person known to have been found guilty of cheating or using any improper device in connection with any gambling game;

(7) Use of fraud, deception, misrepresentation or bribery in securing any permit or license issued

pursuant to sections 313.800 to 313.850;

(8) Obtaining or attempting to obtain any fee, charge, or other compensation by fraud, deception, or misrepresentation;

(9) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties regulated by sections 313.800 to 313.850.

313.817. 1. Except as permitted in this section, the licensee licensed to operate gambling games shall permit no form of wagering on gambling games.

2. The licensee may receive wagers only from a person present on a licensed excursion gambling boat.

3. Wagering shall not be conducted with money or other negotiable currency. The licensee shall exchange the money **or credit instrument** of each wagerer for electronic or physical tokens, chips, or other forms of credit to be wagered on the gambling games. The licensee shall exchange the tokens, chips, or other forms of wagering credit for money at the request of the wagerer.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron-tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

6. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

7. It shall be unlawful for a person to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be guilty of a class B misdemeanor for the first offense and a class A misdemeanor for second and subsequent offenses.

8. Credit instruments executed on or after August 28, 2013, are valid contracts creating debt that is enforceable by legal process. A licensee may accept credit instruments from a qualified person in exchange for chips, tokens, or electronic tokens that can be wagered on gambling games at the licensee's excursion gambling boat. For the purposes of this subsection, "qualified person" means a

person who has completed a credit application provided by the licensee and who is determined by the licensee, after performing a credit check and applying usual standards to establish creditworthiness, to qualify for a line of credit of at least five thousand dollars. Once the licensee makes the determination that a person is a qualified person, additional credit checks are not required. Approval to accept a credit instrument from a qualified person shall be made by the holder of an occupational license. A licensee may accept multiple credit instruments from the same person to consolidate or redeem a previous credit instrument. A lost or destroyed credit instrument shall remain valid and enforceable if the party seeking enforcement can prove its existence and terms. Any person who violates this subsection is subject only to the penalties provided in section 313.812. The commission shall have no authority to determine the validity or enforceability of a credit instrument or the enforceability of the debt that the credit instrument represents. Failure to comply with any regulation promulgated by the commission shall not impact the validity or enforceability of the credit instrument or the debt that the credit instrument represents.

313.830. 1. A person is guilty of a class D felony for any of the following:

(1) Operating a gambling excursion where wagering is used or to be used without a license issued by the commission;

(3) Aiding a person who is under the age of twenty-one in entering an excursion gambling boat or in making or attempting to make a wager while on an excursion gambling boat. 3. A person wagering or accepting a wager at any location outside the excursion gambling boat is in violation of section 572.040.

4. A person commits a class D felony and, in addition, shall be barred for life from excursion gambling boats under the jurisdiction of the commission, if the person:

(1) Offers, promises, or gives anything of value or benefit to a person who is connected with an excursion gambling boat operator including, but not limited to, an officer or employee of a licensee or holder of an occupational license pursuant to an agreement or arrangement or with the intent that the promise or thing of value or benefit will influence the actions of the person to whom the offer, promise, or gift was made in order to affect or attempt to affect the outcome of a gambling game, or to influence official action of a member of the commission;

(2) Solicits or knowingly accepts or receives a promise of anything of value or benefit while the person is connected with an excursion gambling boat including, but not limited to, an officer or employee of a licensee, or holder of an occupational license, pursuant to an understanding or arrangement or with the intent

(3) Uses a device to assist in any of the following:

(a) In projecting the outcome of the game;

(b) In keeping track of the cards played;

(7) Alters or misrepresents the outcome of a gambling game on which wagers have been made after the outcome is made sure but before it is revealed to the players;

(8) Places a bet after acquiring knowledge, not available to all players, of the outcome of the gambling game which is the subject of the bet or to aid a person in acquiring the knowledge for the purpose of placing a bet contingent on that outcome;

(9) Claims, collects, or takes, or attempts to claim, collect, or take, money or anything of value in or from the gambling games, with intent to defraud, without having made a wager contingent on winning a gambling game, or claims, collects, or takes an amount of money or thing of value of greater value than the amount won;

(15) Knowingly makes a false statement of any material fact to the commission, its agents or employees.

5. The possession of one or more of the devices described in subdivision (3), (5), (13) or (14) of subsection 4 of this section permits a rebuttable inference that the possessor intended to use the devices for cheating.

6. Except for wagers on gambling games or exchanges for money **or a credit instrument** as provided in section 313.817, or as payment for food or beverages on the excursion gambling boat, a licensee who exchanges tokens, chips, or other forms of credit to be used on gambling games for anything of value commits a class B misdemeanor.

7. If the commission determines that reasonable grounds to believe that a violation of sections 313.800 to 313.850 has occurred or is occurring which is a criminal offense, the commission shall refer such matter to both the state attorney general and the prosecuting attorney or circuit attorney having jurisdiction. The state attorney general and the prosecuting attorney or circuit attorney with such jurisdiction shall have concurrent jurisdiction to commence actions for violations of sections 313.800 to 313.850 where such violations have occurred.

by inserting after all of said section the following:

“32.070. 1. This act shall be known and may be cited as the “Streamlined Sales and Use Tax Agreement Act”.

2. The director of the department of revenue shall enter into the streamlined sales and use tax agreement with one or more states to simplify and modernize sales and use tax administration in order to substantially reduce the burden of tax compliance for all sellers and for all types of commerce. In furtherance of the streamlined sales and use tax agreement, the director of the department of revenue may act jointly with other states that are members of the streamlined sales and use tax agreement to establish standards for certification of a certified service provider and certified automated system and establish performance standards for multistate sellers.

3. In the first year after any federal legislation requiring vendors to collect sales and use tax uniformly on sales in all states has been adopted and in which the amount of state sales and use tax revenue collected under such federal legislation exceeds the amount of such revenues collected in the immediately preceding year by at least two hundred million dollars, the highest rate of the tax imposed on the Missouri taxable income of residents under chapter 143 shall be decreased from six percent to five and one half percent. The director of the department of revenue shall notify the revisor of statutes when such federal legislation is adopted and becomes effective in all states.

4. The director of the department of revenue may take other action reasonably required to implement the provisions set forth in the streamlined sales and use tax administration act, including, but not limited to, the promulgation of rules and the joint procurement, with other member states, of goods and services in furtherance of the streamlined sales and use tax agreement.

5. For the purposes of representing the state as a member of the agreement and, if necessary,

amending the agreement, the state shall be represented by three delegates, one of whom shall be appointed by the governor, one shall be a member of the general assembly appointed by mutual agreement of the president pro tem of the senate and the speaker of the house of representatives, with the director of the department of revenue or the director's designee as the third delegate. The delegates shall recommend to the committees responsible for reviewing tax issues in the senate and the house of representatives each year any amendment of state statutes required to be substantially in compliance with the agreement. Such delegates shall make a written report by the fifteenth day of January each year regarding the status of the agreement.

6. The department of revenue shall promulgate rules necessary to implement the provisions of the streamlined sales and use tax agreement.

32.086. Notwithstanding any other provision of law, for all local sales and use taxes collected by the department and remitted to a political jurisdiction or taxing district, the department shall remit one percent of the amount collected to the general revenue fund to offset the cost of collection, unless a greater amount is specified in the local sales and use tax law. The department shall not commingle the remaining amounts collected with general revenues and shall remit the remaining amounts collected to the political jurisdiction or taxing district less any credits for erroneous payments, overpayments, and dishonored checks.

32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. The ordinance or order shall reflect the effective date thereof.

3. Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

4. [The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

5.] The ordinance or order imposing a local sales tax under the local sales tax law shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the sum of the combined rate of the state sales tax or state highway use tax and all local sales taxes imposed under the provisions of the local sales tax law.

[6.] **5.** On and after the effective date of any local sales tax imposed under the provisions of the local

sales tax law, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes authorized under the authority of the local sales tax law. All local sales taxes imposed under the local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

[7.] **6.** All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

[10.] **9.** All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under the provisions of the state sales tax law are hereby allowed and made applicable to any local sales tax collected under the provisions of the local sales tax law.

(1)] **11.** For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales[, except the sale of motor vehicles, trailers, boats, and outboard motors, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the residence of the purchaser and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

[13.] **12.** Local sales taxes imposed pursuant to the local sales tax law on the purchase and sale of motor vehicles, trailers, boats, and outboard motors shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

[14.] **13.** The director of revenue and any of [his] **the director's** deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering [himself] **the director** and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

[15.] **14.** The director of revenue shall annually report on [his] **the director's** management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. [He] **The director** shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by [him] **the director** for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

[16.] **15.** Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by [him] **such person** under the local sales tax law or in the event a determination has been made against [him] **such person** for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

[17.] **16.** Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

[18.] **17.** If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall

become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.

18. If the boundaries of a city in which a sales tax or use tax has been imposed shall thereafter be changed or altered, the city clerk shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance adding or detaching territory from the city within ten days of adoption of the ordinance. The ordinance shall reflect the effective date of the ordinance and shall be accompanied by a map of the city clearly showing the territory added or detached from the city boundaries. Upon receipt of the ordinance and map, the tax imposed under the local sales tax law or local use tax law shall be effective in the added territory or abolished in the detached territory on the first day of a calendar quarter after one hundred twenty days' notice to sellers.

19. Any change to any local sales tax or local use tax boundary or rate shall be effective on the first day of a calendar quarter after one hundred twenty days' notice to sellers.”; and

Further amend said bill, Page 3, Section 64.196, Line 5, by inserting after all of said section the following:

“66.620. 1. All county sales taxes collected by the director of revenue under sections 66.600 to 66.630 on behalf of any county[, less one percent for cost of collection which shall be deposited in the state’s general revenue fund after payment of premiums for surety bonds as provided in section 32.087,] shall be deposited in a special trust fund, which is hereby created, to be known as the “County Sales Tax Trust Fund”. [The moneys in the county sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a county sales tax, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax; such funds shall be deposited with the county treasurer of the county and all expenditures of funds arising from the county sales tax trust fund shall be by an appropriation act to be enacted by the legislative council of the county, and to the cities, towns and villages located wholly or partly within the county which levied the tax in the manner as set forth in sections 66.600 to 66.630.

2. In any county not adopting an additional sales tax and alternate distribution system as provided in section 67.581, for the purposes of distributing the county sales tax, the county shall be divided into two groups, “Group A” and “Group B”. Group A shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which had a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax ordinance, except that beginning January 1, 1980, group A shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which had a city sales tax approved by the voters of such city under the provisions of sections 94.500 to 94.550 on the day prior to the effective date of the county sales tax. For the purposes of determining the location of consummation of sales for distribution of funds to cities, towns and villages in group A, the boundaries of any such city, town or

village shall be the boundary of that city, town or village as it existed on March 19, 1984. Group B shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which did not have a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax ordinance, and shall also include all unincorporated areas of the county which levied the tax; except that, beginning January 1, 1980, group B shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which did not have a city sales tax approved by the voters of such city under the provisions of sections 94.500 to 94.550 on the day prior to the effective date of the county sales tax and shall also include all unincorporated areas of the county which levied the tax.

3. Until January 1, 1994, the director of revenue shall distribute to the cities, towns and villages in group A the taxes based on the location in which the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087. Except for distribution governed by section 66.630, after deducting the distribution to the cities, towns and villages in group A, the director of revenue shall distribute the remaining funds in the county sales tax trust fund to the cities, towns and villages and the county in group B as follows: To the county which levied the tax, a percentage of the distributable revenue equal to the percentage ratio that the population of the unincorporated areas of the county bears to the total population of group B; and to each city, town or village in group B located wholly within the taxing county, a percentage of the distributable revenue equal to the percentage ratio that the population of such city, town or village bears to the total population of group B; and to each city, town or village located partly within the taxing county, a percentage of the distributable revenue equal to the percentage ratio that the population of that part of the city, town or village located within the taxing county bears to the total population of group B.

4. From and after January 1, 1994, the director of revenue shall distribute to the cities, towns and villages in group A a portion of the taxes based on the location in which the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087 in accordance with the formula described in this subsection. After deducting the distribution to the cities, towns and villages in group A, the director of revenue shall distribute funds in the county sales tax trust fund to the cities, towns and villages and the county in group B as follows: To the county which levied the tax, ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated since April 1, 1993, multiplied by the total of all sales tax revenues countywide, and a percentage of the remaining distributable revenue equal to the percentage ratio that the population of unincorporated areas of the county bears to the total population of group B; and to each city, town or village in group B located wholly within the taxing county, a percentage of the remaining distributable revenue equal to the percentage ratio that the population of such city, town or village bears to the total population of group B; and to each city, town or village located partly within the taxing county, a percentage of the remaining distributable revenue equal to the percentage ratio that the population of that part of the city, town or village located within the taxing county bears to the total population of group B.

5. (1) For purposes of administering the distribution formula of subsection 4 of this section, the revenues arising each year from sales occurring within each group A city, town or village shall be distributed as follows: Until such revenues reach the adjusted county average, as hereinafter defined, there shall be distributed to the city, town or village all of such revenues reduced by the percentage which is equal to ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993; and once revenues exceed the adjusted county average, total revenues shall be shared in accordance with the redistribution formula as defined in this subsection.

(2) For purposes of this subsection, the “adjusted county average” is the per capita countywide average of all sales tax distributions during the prior calendar year reduced by the percentage which is equal to ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993; the “redistribution formula” is as follows: During 1994, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of 8.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. During 1995, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of seventeen multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. From January 1, 1996, until January 1, 2000, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of 25.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. From and after January 1, 2000, the distribution formula covering the period from January 1, 1996, until January 1, 2000, shall continue to apply, except that the percentage computed for sales arising within the municipalities shall be not less than 7.5 percent for municipalities within which sales tax revenues exceed the adjusted county average, nor less than 12.5 percent for municipalities within which sales tax revenues exceed the adjusted county average by at least twenty-five percent.

(3) For purposes of applying the redistribution formula to a municipality which is partly within the county levying the tax, the distribution shall be calculated alternately for the municipality as a whole, except that the factor for annexed portion of the county shall not be applied to the portion of the municipality which is not within the county levying the tax, and for the portion of the municipality within the county levying the tax. Whichever calculation results in the larger distribution to the municipality shall be used.

(4) Notwithstanding any other provision of this section, the fifty percent of additional sales taxes as described in section 99.845 arising from economic activities within the area of a redevelopment project established after July 12, 1990, pursuant to sections 99.800 to 99.865, while tax increment financing remains in effect shall be deducted from all calculations of countywide sales taxes, shall be distributed directly to the municipality involved, and shall be disregarded in calculating the amounts distributed or distributable to the municipality. Further, any agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of incremental sales tax revenues to the special allocation fund of a tax increment financing project while tax

increment financing remains in effect shall continue to be in full force and effect and the sales taxes so appropriated shall be deducted from all calculations of countywide sales taxes, shall be distributed directly to the municipality involved, and shall be disregarded in calculating the amounts distributed or distributable to the municipality. In addition, and notwithstanding any other provision of this chapter to the contrary, economic development funds shall be distributed in full to the municipality in which the sales producing them were deemed consummated. Additionally, economic development funds shall be deducted from all calculations of countywide sales taxes and shall be disregarded in calculating the amounts distributed or distributable to the municipality. As used in this subdivision, the term "economic development funds" means the amount of sales tax revenue generated in any fiscal year by projects authorized pursuant to chapter 99 or chapter 100 in connection with which such sales tax revenue was pledged as security for, or was guaranteed by a developer to be sufficient to pay, outstanding obligations under any agreement authorized by chapter 100, entered into or adopted prior to September 1, 1993, between a municipality and another public body. The cumulative amount of economic development funds allowed under this provision shall not exceed the total amount necessary to amortize the obligations involved.

6. If the qualified voters of any city, town or village vote to change or alter its boundaries by annexing any unincorporated territory included in group B or if the qualified voters of one or more city, town or village in group A and the qualified voters of one or more city, town or village in group B vote to consolidate, the area annexed or the area consolidated which had been a part of group B shall remain a part of group B after annexation or consolidation. After the effective date of the annexation or consolidation, the annexing or consolidated city, town or village shall receive a percentage of the group B distributable revenue equal to the percentage ratio that the population of the annexed or consolidated area bears to the total population of group B and such annexed area shall not be classified as unincorporated area for determination of the percentage allocable to the county. If the qualified voters of any two or more cities, towns or villages in group A each vote to consolidate such cities, towns or villages, then such consolidated cities, towns or villages shall remain a part of group A. For the purpose of sections 66.600 to 66.630, population shall be as determined by the last federal decennial census or the latest census that determines the total population of the county and all political subdivisions therein. For the purpose of calculating the adjustment based on the percentage of unincorporated county population which is annexed after April 1, 1993, the accumulated percentage immediately before each census shall be used as the new percentage base after such census. After any annexation, incorporation or other municipal boundary change affecting the unincorporated area of the county, the chief elected official of the county shall certify the new population of the unincorporated area of the county and the percentage of the population which has been annexed or incorporated since April 1, 1993, to the director of revenue. After the adoption of the county sales tax ordinance, any city, town or village in group A may by adoption of an ordinance by its governing body cease to be a part of group A and become a part of group B. Within ten days after the adoption of the ordinance transferring the city, town or village from one group to the other, the clerk of the transferring city, town or village shall forward to the director of revenue, by registered mail, a certified copy of the ordinance. Distribution to such city as a part of its former group shall cease and as a part of its new group shall begin on the first day of January of the year following notification to the director of revenue, provided such notification is received by the director of revenue on or before the first day of July of the year in which the transferring ordinance is adopted. If such notification is received by the director of revenue after the first day of July of the year in which the transferring ordinance is adopted, then distribution to such city as a part of its former group shall cease and as a part of its new group shall begin the first day of July of the year following such notification to the director of revenue. Once a group A city, town or village becomes a part

of group B, such city may not transfer back to group A.

7. If any city, town or village shall hereafter change or alter its boundaries, the city clerk of the municipality shall forward to the director of revenue, by registered mail, a certified copy of the ordinance adding or detaching territory from the municipality. The ordinance shall reflect the effective date thereof, and shall be accompanied by a map of the municipality clearly showing the territory added thereto or detached therefrom. Upon receipt of the ordinance and map, the tax imposed by sections 66.600 to 66.630 shall be redistributed and allocated in accordance with the provisions of this section on the effective date of the change of the municipal boundary so that the proper percentage of group B distributable revenue is allocated to the municipality in proportion to any annexed territory. If any area of the unincorporated county elects to incorporate subsequent to the effective date of the county sales tax as set forth in sections 66.600 to 66.630, the newly incorporated municipality shall remain a part of group B. The city clerk of such newly incorporated municipality shall forward to the director of revenue, by registered mail, a certified copy of the incorporation election returns and a map of the municipality clearly showing the boundaries thereof. The certified copy of the incorporation election returns shall reflect the effective date of the incorporation. Upon receipt of the incorporation election returns and map, the tax imposed by sections 66.600 to 66.630 shall be distributed and allocated in accordance with the provisions of this section on the effective date of the incorporation.

8. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

9. Except as modified in sections 66.600 to 66.630, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under sections 66.600 to 66.630.”; and

Further amend said bill, Page 4, Section 67.281, Line 17, by inserting after all of said section the following:

[The moneys in the county antidrug sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a sales tax under sections 67.391 to 67.395, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax. Such funds shall

be deposited with the county treasurer of each such county, and all expenditures of funds arising from the county antidrug sales tax trust fund shall be by an appropriation act to be enacted by the governing body of each such county.

2. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. 67.525. 1. All county sales taxes collected by the director of revenue under sections 67.500 to 67.545 on behalf of any county[, less one percent for cost of collection, which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087,] shall be deposited with the state treasurer in a county sales tax trust fund, which fund shall be separate and apart from the county sales tax trust fund established by section 66.620. [The moneys in such county sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a county sales tax, and the records shall be open to the inspection of officers of the county and to the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month by distributing to the county treasurer, or such other officer as may be designated by the county ordinance or order, of each county imposing the tax authorized by sections 67.500 to 67.545, the sum due the county as certified by the director of revenue.

2. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. 67.571. 1. The governing body of any county of the first classification with a population of more than eighty-two thousand inhabitants and less than ninety thousand inhabitants may, in addition to any tourism sales tax imposed pursuant to sections 67.671 to 67.685, by a majority vote, impose a sales tax for the funding of museums and festivals. For purposes of this section, the term “funding of museums and festivals” shall mean:

(1) Funding of museums operating in the county, which are registered with the United States Internal Revenue Service as a 501(C)(3) corporation and which are considered by the board to be tourism attractions; and

(2) Funding of organizations that are registered as 501(C)(3) corporations which promote cultural heritage tourism including festivals and the arts.

2. Any question submitted to the voters of such county to establish a sales tax pursuant to this section shall be submitted in substantially the following form:

Shall the county of (insert the name of the county) impose a sales tax of (insert rate of percent) percent to be used to fund (museums, cultural heritage, festivals) in certain areas of the county?

☐ YES

☐ NO

3. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, and the tax takes effect pursuant to this section, the museums and festivals board appointed pursuant to subsection 5 of this section shall determine in what manner the tax revenue moneys will be expended, and disbursements of these moneys shall be made strictly in accordance with directions of the board which are consistent with the provisions of sections 67.571 to 67.577. Expenditures of these tax moneys may be made for the employment of personnel selected by the board to assist in carrying out the duties of the board, and the board is expressly authorized to employ such personnel. Expenditures of these tax moneys may be made directly to corporations pursuant to subsection 1 of this section. No such tax revenue moneys shall be disbursed to or on behalf of any corporation, organization or entity that is not duly registered with the Internal Revenue Service as a 501(C)(3) organization.

4. Any sales tax imposed pursuant to this section shall be imposed at a rate not to exceed two-tenths of one percent on receipts from the sale of certain tangible personal property or taxable services within the county pursuant to sections 67.571 to 67.577.

5. The governing body of any county which imposes a sales tax pursuant to this section may establish a museums and festivals board for the purpose of expending funds collected from any sales tax submitted and approved by the county’s voters pursuant to this section. The board shall be comprised of six members who are appointed by the governing body of the county from a list of candidates supplied by the chair of each of the two major political parties of the county. The board shall be comprised of three members from each of the two political parties. Members shall serve for three-year terms, but of the members first appointed, one shall be appointed for a term of one year, two shall be appointed for a term of two years, and two shall be appointed for a term of three years. Each member shall be a resident of the county from which he or she is appointed. The members of the board shall not receive compensation for service on the board, but shall be reimbursed from the tax revenue money for any reasonable and necessary expenses incurred in service on the board.

6. In the area of each county in which a sales tax has been imposed in the manner provided by sections 67.571 to 67.577, every retailer within such area shall add the tax imposed by the provisions of sections

67.571 to 67.577 to his sale price, and this tax shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

7. In counties imposing a tax under the provisions of sections 67.571 to 67.577, in order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a levy of the tax, and in order to avoid fractions of pennies, the governing body may authorize the use of a bracket system similar to that authorized by the provisions of section 144.285, and notwithstanding the provisions of that section, this new bracket system shall be used where this tax is imposed and shall apply to all taxable transactions.

8. Except as modified in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section.

67.576. 1. The following provisions shall govern the collection of the tax imposed by the provisions of sections 67.571 to 67.577:

(1) All applicable provisions contained in sections 144.010 to 144.510 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by the provisions of sections 67.571 to 67.577;

(2) All exemptions granted to agencies of government, organizations, and persons under the provisions of sections 144.010 to 144.510 are hereby made applicable to the imposition and collection of the tax imposed by sections 67.571 to 67.577.

2. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.510 for the administration and collection of the state sales tax shall satisfy the requirements of sections 67.571 to 67.577, and no additional permit or exemption certificate or retail certificate shall be required; except that, the director of revenue may prescribe a form of exemption certificate for an exemption from the tax imposed by sections 67.571 to 67.577.

3. All discounts allowed the retailer pursuant to the provisions of the state sales tax law for the collection of and for payment of taxes pursuant to that act are hereby allowed and made applicable to any taxes collected pursuant to the provisions of sections 67.571 to 67.577.

4. The penalties provided in section 32.057 and sections 144.010 to 144.510 for a violation of those acts are hereby made applicable to violations of the provisions of sections 67.571 to 67.577.

5. [For the purposes of the sales tax imposed by an order pursuant to sections 67.571 to 67.577, all retail sales shall be deemed to be consummated at the place of business of the retailer] **Except as provided in sections 67.571 to 67.577, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under sections 67.571 to 67.577.**

67.578. 1. The governing authority of any county of the third classification without a township form of government and with more than sixteen thousand four hundred but less than sixteen thousand five hundred inhabitants may impose a sales tax in an amount not to exceed one-fifth of one percent on all retail sales made in the county which are subject to taxation pursuant to sections 144.010 to 144.525, to be used solely for the funding of museums. For purposes of this section, the term "museums" means museums operating in the county, which are registered with the United States Internal Revenue Service as a 501(c)(3) corporation and which are considered by the board to be a tourism attraction. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no sales tax shall be

imposed pursuant to this section unless the governing authority submits to the voters of the county, at a county or state general, primary, or special election, a proposal to authorize the governing authority to impose the tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the county of (insert the name of the county) impose a sales tax of (insert rate of percent) percent for the funding of museums? “Museums” means museums operating in the county, which are registered with the United States Internal Revenue Service as a 501(c)(3) corporation and which are considered by the museum board to be a tourism attraction.

☐ YES

☐ NO

If you are in favor of the question, place an “X” in the box opposite “YES”. If you are opposed to the question, place an “X” in the box opposite “NO”. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the sales tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of the adoption of the tax. If the proposal receives less than the required majority of votes, then the governing authority shall have no power to impose the tax unless and until the governing authority has again submitted another proposal to authorize the governing authority to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters voting thereon.

3. On or after the effective date of the tax, the director of revenue shall be responsible for the administration, collection, enforcement, and operation of the tax, and sections 32.085 [and] **to** 32.087 shall apply. The director may retain an amount not to exceed one percent for deposit in the general revenue fund to offset the costs of collection. In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a levy of the tax, and in order to avoid fractions of pennies, the governing authority may authorize the use of a bracket system similar to that authorized in section 144.285, and notwithstanding the provisions of that section, this new bracket system shall be used where this tax is imposed and shall apply to all taxable transactions. Beginning with the effective date of the tax, every retailer in the county shall add the sales tax to the sale price, and this tax shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. For purposes of this section, all retail sales shall be deemed to be consummated at the place of business of the retailer.

4. All applicable provisions in sections 144.010 to 144.525 governing the state sales tax, and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax, and all exemptions granted to agencies of government, organizations, and persons pursuant to sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax. The same sales tax permit, exemption certificate, and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that, the director of revenue may prescribe a form of exemption certificate for an exemption from the tax. All discounts allowed the retailer pursuant to the state sales tax law for the collection of and for payment of taxes are hereby allowed and made applicable to the tax. The penalties for violations provided in section 32.057 and sections 144.010 to 144.525 are hereby made applicable to violations of this section. If any person is delinquent in the payment of the amount required to be paid pursuant to this section, or in the event a determination has been made

against the person for taxes and penalty pursuant to this section, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525.

5. The governing authority may authorize any museum board already existing in the county, or may establish a museum board, to expend revenue collected pursuant to this section. In the event that no museum board already exists, the board established pursuant to this section shall consist of six members who are appointed by the governing authority from a list of candidates supplied by the chair of each of the two major political parties of the county, with three members from each of the two parties. Members shall serve for three-year terms, but of the members first appointed, [one] **two** shall be appointed for a term of one year, two shall be appointed for a term of two years, and two shall be appointed for a term of three years. Each member shall be a resident of the county. The members shall not receive compensation for service on the board, but shall be reimbursed from the revenues collected pursuant to this section for any reasonable and necessary expenses incurred in service on the board. The board shall determine in what manner the revenues will be expended, and disbursements of these moneys shall be made strictly in accordance with this section. Expenditures may be made for the employment of personnel selected by the board to assist in carrying out the duties of the board, and the board is expressly authorized to employ such personnel.

6. The governing authority may submit the question of repeal of the tax to the voters at any county or state general, primary, or special election. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the county of (insert name of county) repeal the sales tax of (insert rate of percent) percent for the funding of museums?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES".

If you are opposed to the question, place an "X" in the box opposite "NO". [If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which the repeal was approved.]

67.581. 1. In addition to the sales tax permitted by sections 66.600 to 66.630, any county of the first class having a charter form of government and having a population of nine hundred thousand or more may impose an additional countywide sales tax upon approval by a vote of the qualified voters of the county. The proposal may be submitted to the voters by the governing body of the county and shall be submitted to the voters at the next general election upon petitions signed by a number of qualified voters residing in the county equal to at least eight percent of the votes cast in the county in the next preceding gubernatorial election filed with the governing body of the county. The submission shall include the levying of a sales tax at a rate of not to exceed two hundred seventy-five one-thousandths of one percent on the receipts from the sale at retail of all tangible personal property or taxable services within the county which are also taxable under the provisions of sections 66.600 to 66.630, and shall provide for the distribution of the proceeds in the manner provided in either subsection 4 or subsection 5 of this section. If either of the alternative distribution systems as provided in subsection 4 or subsection 5 of this section is approved by the voters, then the alternative system of distribution may not be submitted to the voters for at least three years from the date of such voter approval.

2. The ballot of submission shall contain, but is not limited to, the following language:

Shall the County of levy an additional sales tax at the rate of (insert rate) and distribute the proceeds in the manner provided in (insert proper reference) (subsection 4)(subsection 5) of section 67.581, RSMo?

☐ YES

☐ NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, the additional sales tax shall be levied and collected and the proceeds from the additional tax shall be distributed as provided in either subsection 4 or subsection 5 of this section. If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal, then the governing body of the county shall have no power to impose the additional sales tax authorized by this section unless and until a proposal for the levy of such tax is submitted to and approved by the voters of the county.

3. The provisions of sections 66.600 to 66.630 and sections 32.085 [and] **to** 32.087, except to the extent otherwise provided in this section, shall govern the levy, collection, distribution and other procedures related to an additional sales tax imposed pursuant to this section.

4. In any county adopting an additional sales tax pursuant to the provisions of this section, and selecting the method of distribution provided in this subsection, the proceeds from the sales tax imposed pursuant to this section, less one percent collection cost, shall be distributed first to those municipalities that did not receive during the preceding calendar year ninety-five percent of the amount the municipality would have received by multiplying the population of the municipality by the average per capita sales tax receipt for such county in an amount which will bring each municipality receipt of sales tax moneys up to ninety-five percent of the average per capita receipts from the proceeds of the sales tax imposed pursuant to sections 66.600 to 66.630. Any remainder of the money received from the sales tax imposed pursuant to this section shall be distributed to all municipalities on the ratio that the population of each municipality bears to the total population of the county. The average per capita sales tax distribution shall be calculated by dividing the sum of the total sales tax revenue derived from the tax imposed pursuant to sections 66.600 to 66.630 by the total population of the county. Population of each municipality, of the unincorporated area of the county, and the total population of the county shall be determined on the basis of the most recent federal decennial census. For the purposes of this subsection, any city, town, village or the unincorporated area of the county shall be considered a municipality.

5. In any county adopting an additional sales tax pursuant to the provisions of this section and selecting the method of distribution provided in this subsection, the proceeds from the sales tax imposed pursuant to this section, less one percent collection cost, shall be distributed to all cities, towns and villages, and the unincorporated areas of the county in group B and to such cities, towns and villages in group A as necessary so that no city, town, or village in group A receives from the combined proceeds of both the sales tax imposed pursuant to this section and the sales tax imposed pursuant to sections 66.600 to 66.630, less than the per capita amount received by the cities, towns and villages and the unincorporated area of the county in group B receives from the total proceeds from both sales taxes.

6. The governing body of any county which is imposing a sales tax under the provisions of sections 66.600 to 66.630 may on its own motion and shall, upon petitions filed with the governing body of the county signed by a number of qualified voters residing in the county equal to at least eight percent of the votes cast in the county at the next preceding gubernatorial election, submit to the qualified voters of the county a proposal to change the method of distribution of sales tax proceeds from the manner provided in subsection 2 of section 66.620 to the method provided in this subsection. The ballot of submission shall be

If a majority of the votes cast on the proposal by the qualified voters of the county voting thereon are in favor of the proposal, the sales tax imposed by the county under the provisions of sections 66.600 to 66.630 shall be distributed in the manner provided in this subsection and not in the manner provided in subsection 2 of section 66.620. If a majority of the votes cast by the qualified voters of the county voting thereon are opposed to the proposal, then the governing body of the county shall have no power to order the proceeds from the sales tax imposed pursuant to the provisions of sections 66.600 to 66.630 in the manner provided in this subsection in lieu of the method provided in subsection 2 of section 66.620, unless and until a proposal authorizing such method of distribution is submitted to and approved by the voters of the county. If the voters approve the change in the method of distribution of the sales tax proceeds in the manner provided in this subsection, the county clerk of the county shall notify the director of revenue of the change in the method of distribution within ten days after adoption of the proposal and shall inform the director of the effective date of the change in the method of distribution, which shall be on the first day of the third calendar quarter after the director of revenue receives notice. After the effective date of the change in the manner of distribution, the director of revenue shall distribute the proceeds of the sales tax imposed by such county under the provisions of sections 66.600 to 66.630 in the manner provided in this subsection in lieu of the manner of distribution provided in subsection 2 of section 66.620. The proceeds of the sales tax imposed under the provisions of sections 66.600 to 66.630 in any county which elects to have the proceeds distributed in the manner provided in this subsection shall be distributed in the following manner:

(1) The proceeds from the sales taxes shall be distributed to the cities, towns and villages in group A and to the cities, towns and villages, and the county in group B as defined in section 66.620 in the manner provided in subsection 2 of section 66.620, until an amount equal to the total amount distributed under section 66.620, for the twelve-month period immediately preceding the effective date of the tax levied pursuant to the provisions of this section has been distributed;

(2) All moneys received in excess of the total amount distributed under section 66.620 for the twelve-month period immediately preceding the effective date of the tax levied pursuant to the provisions of this section shall be distributed to all cities, towns and villages and to the county on the basis that the population of each city, town or village, and in the case of the county the basis that the population of the unincorporated area of the county, bears to the total population of the county. The average per capita sales tax distribution shall be calculated by dividing the sum of the remaining amount of the total sales tax revenues by the total population of the county. Population of each city, town or village, of the unincorporated area of the county, and the total population of the county shall be determined on the basis of the most recent federal decennial census.

7. No municipality incorporated after the adoption of the tax authorized by this section shall be included as other than part of the unincorporated area of the county nor receive any share of either the proceeds from the tax levied pursuant to the provisions of this section or the tax levied pursuant to the provisions of sections 66.600 to 66.630 unless, at the time of incorporation, such municipality had a population of ten thousand or more.

8. [The amounts so collected, less one percent collection cost, shall be deposited in the county sales tax trust fund to be distributed in accordance with section 66.620. The purchase or sale of motor vehicles shall be deemed to be consummated at the address of the applicant for a certificate of title.]

10. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each city or county, or city not within a county, of each instance of any amount refunded or any check redeemed from receipts due the city or county.

5. Except as modified in this section, all provisions of sections 32.085 [and] **to 32.087** shall apply to the tax imposed under this section.

6. Upon the written request of the board to the election authority of the county in which a majority of the area of the district is situated, such election authority shall submit a proposition to the residents of such district at a municipal or statewide primary or general election, or at a special election called for that purpose. Such election authority shall give legal notice as provided in chapter 115.

☐ NO

If you are in favor of the question, place an “X” in the box opposite “YES”. If you are opposed to the question, place an “X” in the box opposite “NO”.

If a majority of the votes cast in the portion of any county that is part of the proposed district favor the proposal, then the sales tax shall become effective in that portion of the county [that is part of the proposed district on the first day of the first calendar quarter immediately following the election] **as provided by section 32.087**. If a majority of the votes cast in the portion of a county that is a part of the proposed district oppose the proposal, then that portion of such county shall not impose the sales tax authorized in this section until after the county governing body has submitted another such sales tax proposal and the proposal is approved by a majority of the qualified voters voting thereon. However, if a sales tax proposal is not approved, the governing body of the county shall not resubmit a proposal to the voters pursuant to this section sooner than twelve months from the date of the last proposal submitted pursuant to this section. If the qualified voters in two or more counties that have contiguous districts approve the sales tax proposal, the districts shall combine to become one district.

8. There is hereby created a board of trustees to administer any district created and the expenditure of revenue generated pursuant to this section consisting of four individuals to represent each county approving the district, as provided in this subsection. The governing body of each county located within the district, upon approval of that county’s sales tax proposal, shall appoint four members to the board of trustees; at least one shall be an owner of a nonlodging business located within the taxing district, or their designee, at least one shall be an owner of a lodging facility located within the district, or their designee, and all members shall reside in the district except that one nonlodging business owner, or their designee, and one lodging facility owner, or their designee, may reside outside the district. Each trustee shall be at least twenty-five years of age and a resident of this state. Of the initial trustees appointed from each county, two shall hold office for two years, and two shall hold office for four years. Each trustee may be reappointed. Vacancies shall be filled in the same manner in which the trustee vacating the office was originally appointed. The trustees shall not receive compensation for their services, but may be reimbursed for their actual and necessary expenses. The board shall elect a chair and other officers necessary for its membership. Trustees may be removed if:

(1) By a two-thirds vote, the board moves for the member’s removal and submits such motion to the governing body of the county from which the trustee was appointed; and

(2) The governing body of the county from which the trustee was appointed, by a majority vote, adopts the motion for removal.

9. The board of trustees shall have the following powers, authority, and privileges:

Any bonds, notes, and other obligations issued or delivered by the district may be secured by mortgage, pledge, or deed of trust of any or all of the property and income of the district. Every issue of such bonds, notes, or other obligations shall be payable out of property and revenues of the district and may be further secured by other property of the district, which may be pledged, assigned, mortgaged, or a security interest granted for such payment, without preference or priority of the first bonds issued, subject to any agreement with the holders of any other bonds pledging any specified property or revenues. Such bonds, notes, or other obligations shall be authorized by resolution of the district board, and shall bear such date or dates, and shall mature at such time or times, but not in excess of thirty years, as the resolution shall specify. Such bonds, notes, or other obligations shall be in such denomination, bear interest at such rate or rates, be in such form, either coupon or registered, be issued as current interest bonds, compound interest bonds, variable rate bonds, convertible bonds, or zero coupon bonds, be issued in such manner, be payable in such place or places, and be subject to redemption as such resolution may provide, notwithstanding section 108.170. The bonds, notes, or other obligations may be sold at either public or private sale, at such interest rates, and at such price or prices as the district shall determine;

(5) To acquire, transfer, donate, lease, exchange, mortgage, and encumber real and personal property in furtherance of district purposes;

(6) To refund any bonds, notes, or other obligations of the district without an election. The terms and conditions of refunding obligations shall be substantially the same as those of the original issue, and the board shall provide for the payment of interest at not to exceed the legal rate, and the principal of such refunding obligations in the same manner as is provided for the payment of interest and principal of obligations refunded;

(7) To have the management, control, and supervision of all the business and affairs of the district, and the construction, installation, operation, and maintenance of district improvements therein; to collect rentals, fees, and other charges in connection with its services or for the use of any of its facilities;

(8) To hire and retain agents, employees, engineers, and attorneys;

(9) To receive and accept by bequest, gift, or donation any kind of property;

(10) To adopt and amend bylaws and any other rules and regulations not in conflict with the constitution and laws of this state, necessary for the carrying on of the business, objects, and affairs of the board and of the district; and

(11) To have and exercise all rights and powers necessary or incidental to or implied from the specific powers granted by this section.

10. There is hereby created the "Exhibition Center and Recreational Facility District Sales Tax Trust Fund", which shall consist of all sales tax revenue collected pursuant to this section. The director of revenue shall be custodian of the trust fund, and moneys in the trust fund shall be used solely for the purposes authorized in this section. [Moneys in the trust fund shall be considered nonstate funds pursuant to section 15, article IV, Constitution of Missouri.] The director of revenue shall invest moneys in the trust fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the trust fund. All sales taxes collected by the director of revenue pursuant to this section on

behalf of the district, less one percent for the cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in the trust fund. The director of revenue shall keep accurate records of the amount of moneys in the trust fund which was collected in the district imposing a sales tax pursuant to this section, and the records shall be open to the inspection of the officers of each district and the general public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the district. The director of revenue may authorize refunds from the amounts in the trust fund and credited to the district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of the district.

11. The sales tax authorized by this section is in addition to all other sales taxes allowed by law. **After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.**

12. Except as modified in this section, all provisions of sections 32.085 [and] to 32.087 apply to the sales tax imposed pursuant to this section.

[12.] 13. Any sales tax imposed pursuant to this section shall not extend past the initial term approved by the voters unless an extension of the sales tax is submitted to and approved by the qualified voters in each county in the manner provided in this section. Each extension of the sales tax shall be for a period not to exceed twenty years. The ballot of submission for the extension shall be in substantially the following form:

Shall the (name of district) extend the sales tax of one-fourth of one percent for a period of (insert number of years) years to fund the acquisition, construction, maintenance, operation, improvement, and promotion of an exhibition center and recreational facilities?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast favor the extension, then the sales tax shall remain in effect at the rate and for the time period approved by the voters. If a sales tax extension is not approved, the district may submit another sales tax proposal as authorized in this section, but the district shall not submit such a proposal to the voters sooner than twelve months from the date of the last extension submitted.

[13.] 14. Once the sales tax authorized by this section is abolished or terminated by any means, all funds remaining in the trust fund shall be used solely for the purposes approved in the ballot question authorizing the sales tax. The sales tax shall not be abolished or terminated while the district has any financing or other obligations outstanding; provided that any new financing, debt, or other obligation or any restructuring or refinancing of an existing debt or obligation incurred more than ten years after voter approval of the sales tax provided in this section or more than ten years after any voter-approved extension thereof shall not cause the extension of the sales tax provided in this section or cause the final maturity of any financing or other obligations outstanding to be extended. Any funds in the trust fund which are not needed for current expenditures may be invested by the district in the securities described in subdivisions (1) to (12) of subsection 1 of section 30.270 or repurchase agreements secured by such securities. If the district abolishes

the sales tax, the district shall notify the director of revenue of the action at least ninety days before the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the sales tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the sales tax in the district, the director of revenue shall remit the balance in the account to the district and close the account of the district. The director of revenue shall notify the district of each instance of any amount refunded or any check redeemed from receipts due the district.

[14.] **15.** In the event that the district is dissolved or terminated by any means, the governing bodies of the counties in the district shall appoint a person to act as trustee for the district so dissolved or terminated. Before beginning the discharge of duties, the trustee shall take and subscribe an oath to faithfully discharge the duties of the office, and shall give bond with sufficient security, approved by the governing bodies of the counties, to the use of the dissolved or terminated district, for the faithful discharge of duties. The trustee shall have and exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining obligations of the district, shall pay over to the county treasurer of each county in the district and take receipt for all remaining moneys in amounts based on the ratio the levy of each county bears to the total levy for the district in the previous three years or since the establishment of the district, whichever time period is shorter. Upon payment to the county treasurers, the trustee shall deliver to the clerk of the governing body of any county in the district all books, papers, records, and deeds belonging to the dissolved district.

67.2030. 1. The governing authority of any city of the fourth classification with more than one thousand six hundred but less than one thousand seven hundred inhabitants and located in any county of the first classification with more than seventy-three thousand seven hundred but less than seventy-three thousand eight hundred inhabitants is hereby authorized to impose, by ordinance or order, a sales tax in the amount not to exceed one-half of one percent on all retail sales made in such city which are subject to taxation pursuant to sections 144.010 to 144.525 for the promotion of tourism in such city. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax pursuant to this section shall be effective unless the governing authority of the city submits to the qualified voters of the city, at any municipal or state general, primary, or special election, a proposal to authorize the governing authority of the city to impose a tax.

2. The ballot of submission shall be in substantially the following form:

Shall the city of (city's name) impose a citywide sales tax of (insert amount) for the purpose of promoting tourism in the city?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect [on the first day of the first calendar quarter immediately following notification to the director of the department of revenue of the election approving the proposal] **as provided by section 32.087**. If a proposal receives less than the required majority, then the governing authority of the city shall have no power to impose the sales tax unless and until the governing authority of the city has submitted another proposal to authorize the imposition of the sales tax authorized by this section and such proposal is approved by the required majority of the qualified

voters voting thereon. However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

3. [On and after the effective date of any tax authorized in this section, the city may adopt one of the two following provisions for the collection and administration of the tax:

(1) The city may adopt rules and regulations for the internal collection of such tax by the city officers usually responsible for collection and administration of city taxes; or

(2) The city may enter into an agreement with the director of revenue of the state of Missouri for the purpose of collecting the tax authorized in this section. In the event any city enters into an agreement with the director of revenue of the state of Missouri for the collection of the tax authorized in this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of such tax, and the director of revenue shall collect the additional tax authorized in this section. The tax authorized in this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue, and the director of revenue shall retain an amount not to exceed one percent for cost of collection.

4. If a tax is imposed by a city pursuant to this section, the city may collect a penalty of one percent and interest not to exceed two percent per month on unpaid taxes which shall be considered delinquent thirty days after the last day of each quarter] **After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.**

[5.] 4. (1) The governing authority of any city that has adopted any sales tax pursuant to this section shall, upon filing of a petition calling for the repeal of such sales tax signed by at least ten percent of the qualified voters in the city, submit the question of repeal of the sales tax to the qualified voters at any primary or general election. The ballot of submission shall be in substantially the following form:

Shall (insert name of city) repeal the sales tax of (insert rate of percent) percent for tourism purposes now in effect in (insert name of city)?

☐ YES

☐ NO

If you are in favor of the question, place an “X” in the box opposite “YES”. If you are opposed to the question, place an “X” in the box opposite “NO”.

If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. **If the city or county abolishes the tax, the city or county shall notify the director of revenue of the action at least one hundred twenty days prior to the effective date of the repeal.**

(2) Once the tax is repealed as provided in this section, all funds remaining in any trust fund or account established to receive revenues generated by the tax shall be used solely for the original stated purpose of the tax. Any funds which are not needed for current expenditures may be invested by the governing authority in accordance with applicable laws relating to the investment of other city funds.

(3) The governing authority of a city repealing a tax pursuant to this section shall notify the director of

revenue of the action at least forty-five days before the effective date of the repeal and the director of revenue may order retention in any trust fund created in the state treasury associated with the tax, for a period of one year, of two percent of the amount collected after receipt of such notice to cover refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of repeal of the tax in the city, the director of revenue shall remit the balance in the trust fund to the city and close the account of that city. The director of revenue shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

(4) In the event that the repeal of a sales tax pursuant to this section dissolves or terminates a taxing district, the governing authority of the city shall appoint a person to act as trustee for the district so dissolved or terminated. Before beginning the discharge of duties, the trustee shall take and subscribe an oath to faithfully discharge the duties of the office, and shall give bond with sufficient security, approved by the governing authority of the city, to the use of the dissolved or terminated district, for the faithful discharge of duties. The trustee shall have and exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining obligations of the district, shall pay over to the city treasurer or the equivalent official and take receipt for all remaining moneys. Upon payment to the city treasurer, the trustee shall deliver to the clerk of the governing authority of the city all books, papers, records, and deeds belonging to the dissolved district.

[6.] 5. Except as modified in this section, all provisions of sections 32.085 [and] to 32.087 shall apply to the tax imposed pursuant to this section.

67.2525. 1. Each member of the board of directors shall have the following qualifications:

(1) As to those subdistricts in which there are registered voters, a resident registered voter in the subdistrict that he or she represents, or be a property owner or, as to those subdistricts in which there are not registered voters who are residents, a property owner or representative of a property owner in the subdistrict he or she represents;

(2) Be at least twenty-one years of age and a registered voter in the district.

2. The district shall be subdivided into at least five but not more than fifteen subdistricts, which shall be represented by one representative on the district board of directors. All board members shall have terms of four years, including the initial board of directors. All members shall take office upon being appointed and shall remain in office until a successor is appointed by the mayor or chairman of the municipality in which the district is located, or elected by the property owners in those subdistricts without registered voters.

3. For those subdistricts which contain one or more registered voters, the mayor or chairman of the city, town, or village shall, with the consent of the governing body, appoint a registered voter residing in the subdistrict to the board of directors.

4. For those subdistricts which contain no registered voters, the property owners who collectively own one or more parcels of real estate comprising more than half of the land situated in each subdistrict shall meet and shall elect a representative to serve upon the board of directors. The clerk of the city, town, or village in which the petition was filed shall, unless waived in writing by all property owners in the subdistrict, give notice by causing publication to be made once a week for two consecutive weeks in a newspaper of general circulation in the county, the last publication of which shall be at least ten days before the day of the meeting required by this section, to call a meeting of the owners of real property within the subdistrict at a day and hour specified in a public place in the city, town, or village in which the petition was

filed for the purpose of electing members of the board of directors.

5. The property owners, when assembled, shall organize by the election of a temporary chairman and secretary of the meeting who shall conduct the election. An election shall be conducted for each subdistrict, with the eligible property owners voting in that subdistrict. At the election, each acre of real property within the subdistrict shall represent one share, and each owner, including corporations and other entities, may have one vote in person or for every acre of real property owned by such person within the subdistrict. Each voter which is not an individual shall determine how to cast its vote as provided for in its articles of incorporation, articles of organization, articles of partnership, bylaws, or other document which sets forth an appropriate mechanism for the determination of the entity's vote. If a voter has no such mechanism, then its vote shall be cast as determined by a majority of the persons who run the day-to-day affairs of the voter. The results of the meeting shall be certified by the temporary chairman and secretary to the municipal clerk if the district is established by a municipality described in this section, or to the circuit clerk if the district is established by a circuit court.

6. Successor boards shall be appointed or elected, depending upon the presence or absence of resident registered voters, by the mayor or chairman of a city, town, or village described in this section, or the property owners as set forth above; provided, however, that elections held by the property owners after the initial board is elected shall be certified to the municipal clerk of the city, town, or village where the district is located and the board of directors of the district.

7. Should a vacancy occur on the board of directors, the mayor or chairman of the city, town, or village if there are registered voters within the subdistrict, or a majority of the owners of real property in a subdistrict if there are not registered voters in the subdistrict, shall have the authority to appoint or elect, as set forth in this section, an interim director to complete any unexpired term of a director caused by resignation or disqualification.

8. The board shall possess and exercise all of the district's legislative and executive powers, including:

(1) The power to fund, promote and provide educational, civic, musical, theatrical, cultural, concerts, lecture series, and related or similar entertainment events or activities, and fund, promote, plan, design, construct, improve, maintain, and operate public improvements, transportation projects, and related facilities within the district;

The provisions of this subsection are applicable to the district notwithstanding the provisions of section 108.170.

67.2530. 1. Any note, bond, or other indebtedness of the district may be refunded at any time by the district by issuing refunding bonds in such amount as the district may deem necessary. Such bonds shall be subject to and shall have the benefit of the foregoing provisions regarding notes, bonds, and other obligations. Without limiting the generality of the foregoing, refunding bonds may include amounts necessary to finance any premium, unpaid interest, and costs of issuance in connection with the refunding bonds. Any such refunding may be effected whether the bonds to be refunded then shall have matured or thereafter shall mature, either by sale of the refunding bonds and the application of the proceeds thereof to the payment of the obligations being refunded or the exchange of the refunding bonds for the obligations being refunded with the consent of the holders of the obligations being refunded.

2. Notes, bonds, or other indebtedness of the district shall be exclusively the responsibility of the district payable solely out of the district funds and property and shall not constitute a debt or liability of the state of Missouri or any agency or political subdivision of the state. Any notes, bonds, or other indebtedness of the district shall state on their face that they are not obligations of the state of Missouri or any agency or political subdivision thereof other than the district.

3. Any district may by resolution impose a district sales tax of up to one-half of one percent on all retail sales made in such district that are subject to taxation pursuant to the provisions of sections 144.010 to 144.525. Upon voter approval, and receiving the necessary certifications from the governing body of the municipality in which the district is located, or from the circuit court if the district was formed by the circuit court, the board of directors shall have the power to impose a sales tax at its first meeting, or any meeting thereafter. Voter approval of the question of the imposing sales tax shall be in accordance with section 67.2520. [The sales tax shall become effective in those subdistricts that approve the sales tax on the first day of the first calendar quarter immediately following the passage of a resolution by the board of directors imposing the sales tax.

4. In each district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the district pursuant to this section to the retailer's sale price, and when

so added, such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

5. In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.285.

6.] 4. All revenue received by a district from the sales tax authorized by this section shall be deposited in a special trust fund and shall be used solely for the purposes of the district. Any funds in such special trust fund which are not needed for the district's current expenditures may be invested by the district board of directors in accordance with applicable laws relating to the investment of other district funds.

[7.] 5. The sales tax may be imposed at a rate of up to one-half of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525. Any district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the subdistricts approving the sales tax.

[8. The resolution imposing the sales tax pursuant to this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525 and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the tax shall be reported and returned to and collected by the district.

9. (1) On and after the effective date of any sales tax imposed pursuant to this section, the district shall perform all functions incident to the administration, collection, enforcement, and operation of the tax. The sales tax imposed pursuant to this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the district.

(2)] 6. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. All [such] sales taxes [collected by the district] shall be deposited by the district in a special fund to be expended for the purposes authorized in this section. The district shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection of officers of each district and the general public.

[(3) The district may contract with the municipality that the district is within for the municipality to collect any revenue received by the district and, after deducting the cost of such collection, but not to exceed one percent of the total amount collected, deposit such revenue in a special trust account. Such revenue and interest may be applied by the municipality to expenses, costs, or debt service of the district at the direction of the district as set forth in a contract between the municipality and the district.

10. (1) All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax, sections 32.085 and 32.087, and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section.

(2) All exemptions granted to agencies of government, organizations, persons, and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

(3) The same sales tax permit, exemption certificate, and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

(4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made applicable to any taxes collected pursuant to the provisions of this section.

(5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment, or billing.

A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

(7)] **8.** Subsequent to the initial approval by the voters and implementation of a sales tax in the district, the rate of the sales tax may be increased, but not to exceed a rate of one-half of one percent on retail sales as provided in this subsection. The election shall be conducted in accordance with section 67.2520; provided, however, that the district board of directors may place the question of the increase of the sales tax before the voters of the district by resolution, and the municipal clerk of the city, town, or village which originally conducted the incorporation of the district, or the circuit clerk of the court which originally conducted the incorporation of the district, shall conduct the subsequent election. In subsequent elections, the election judges shall certify the election results to the district board of directors. The ballot of submission shall be in substantially the following form:

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in

favor of the increase, the increase shall become effective [December thirty-first of the calendar year in which such increase was approved] **as provided by section 32.087.**

[11.] **9.** (1) There shall not be any election as provided for in this section while the district has any financing or other obligations outstanding.

(2) The board, when presented with a petition signed by at least one-third of the registered voters in a district that voted in the last gubernatorial election, or signed by at least two-thirds of property owners of the district, calling for an election to dissolve and repeal the tax shall submit the question to the voters using the same procedure by which the imposing tax was voted. The ballot of submission shall be in substantially the following form:

Shall (name of district) dissolve and repeal the (insert amount) percent district sales tax now in effect in the (name of district)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

Such subsequent elections for the repeal of the sales tax shall be conducted in accordance with section 67.2520; provided, however, that the district board of directors may place the question of the repeal of the sales tax before the voters of the district, and the municipal clerk of the city, town, or village which originally conducted the incorporation of the district, or the circuit clerk of the court which originally conducted the incorporation of the district, shall conduct the subsequent election. In subsequent elections the election judges shall certify the election results to the district board of directors.

(3) If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of repeal, that repeal shall become effective December thirty-first of the calendar year in which such repeal was approved or after the repayment of the district's indebtedness, whichever occurs later. **If the district abolishes the tax, the district shall notify the director of revenue of the action at least one hundred twenty days prior to the effective date of the repeal.**

[12.] **10.** (1) At such time as the board of directors of the district determines that further operation of the district is not in the best interests of the inhabitants of the district, and that the district should dissolve, the board shall submit for a vote in an election held throughout the district the question of whether the district should be abolished. The question shall be submitted in substantially the following form:

Shall the theater, cultural arts, and entertainment district be abolished?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(2) The district board shall not propose the question to abolish the district while there are outstanding claims or causes of action pending against the district, while the district liabilities exceed its assets, while indebtedness of the district is outstanding, or while the district is insolvent, in receivership or under the jurisdiction of the bankruptcy court.

Prior to submitting the question to abolish the district to a vote of the entire district, the state auditor shall audit the district to determine the financial status of the district, and whether the district may be abolished pursuant to law. The vote on the abolition of the district shall be conducted by the municipal clerk of the

city, town, or village in which the district is located. The procedure shall be the same as in section 67.2520, except that the question shall be determined by the qualified voters of the entire district. No individual subdistrict may be abolished, except at such time as the district is abolished.

(3) While the district still exists, it shall continue to accrue all revenues to which it is entitled at law.

(4) Upon receipt by the board of directors of the district of the certification by the city, town, or village in which the district is located that the majority of those voting within the entire district have voted to abolish the district, and if the state auditor has determined that the district's financial condition is such that it may be abolished pursuant to law, then the board of directors of the district shall:

(a) Sell any remaining district real or personal property it wishes, and then transfer the proceeds and any other real or personal property owned by the district to the city, town, or village in which the district is located, including revenues due and owing the district, for its further use and disposition;

(b) Terminate the employment of any remaining district employees, and otherwise conclude its affairs;

(c) At a public meeting of the district, declare by a resolution of the board of directors passed by a majority vote that the district has been abolished effective that date;

(d) Cause copies of that resolution under seal to be filed with the secretary of state and the city, town, or village in which the district is located. Upon the completion of the final act specified in this subsection, the legal existence of the district shall cease.

(5) The legal existence of the district shall not cease for a period of two years after voter approval of the abolition.

The tax authorized in this section may be imposed at a rate of one-eighth, one-fourth, three-eighths, or one-half of one percent, but shall not exceed one-half of one percent, shall not be imposed for longer than three years, and shall be imposed solely for the purpose of funding the construction, operation, and maintenance of capital improvements in the city's center city. The governing body may issue bonds for the funding of such capital improvements, which will be retired by the revenues received from the sales tax authorized by this section. The order or ordinance shall not become effective unless the governing body of the city submits to the voters residing within the city at a state or municipal general, primary, or special election a proposal to authorize the governing body of the city to impose a tax under this section. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question. In no case shall a tax be resubmitted to the qualified voters of the city sooner than twelve months from the date of the proposal under this section.

3. Any sales tax imposed under this section shall be administered, collected, enforced, and operated as required in [section] **sections 32.085 to 32.087**. All revenue generated by the tax shall be deposited in a special trust fund and shall be used solely for the designated purposes. If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes. Any interest and moneys earned on such investments shall be credited to the fund.

4. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any city for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such cities. If any city abolishes the tax, the city shall notify the director of revenue of the action at least ninety days before the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. 6. Whenever the governing body of any city that has adopted the sales tax authorized in this section receives a petition, signed by ten percent of the registered voters of the city voting in the last gubernatorial

election, calling for an election to repeal the sales tax imposed under this section, the governing body shall submit to the voters of the city a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast in that county or city not within a county by the qualified voters voting are opposed to the proposal, then the additional sales tax shall not be imposed in that county or city not within a county unless and until the governing body of that county or city not within a county shall have submitted another proposal to authorize the local option transportation sales tax authorized in this section, and such proposal is approved by a majority of the qualified voters voting on it. In no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal.

4. No tax shall go into effect under this section in any city not within a county or any county of the first classification having a charter form of government with a population over nine hundred thousand inhabitants unless and until both such city and such county approve the tax.
